

1920's political cartoon

1920's political cartoon played a significant role in shaping public opinion and reflecting the social and political climate of the decade. These cartoons served as powerful tools for commentary on issues such as Prohibition, women's suffrage, the Red Scare, and the economic boom and bust that defined the 1920s. Through vivid imagery and satire, 1920's political cartoons captured the complexities of the era, providing insight into the attitudes and concerns of Americans during a time of rapid change. This article explores the historical context, prominent themes, notable artists, and the lasting impact of 1920's political cartoons. Understanding these elements offers a comprehensive view of how political cartoons influenced and mirrored the political landscape of the decade. The following sections will delve into the origins and evolution of political cartoons in the 1920s, thematic explorations, key figures in the field, and the legacy of this influential art form.

- Historical Context of 1920's Political Cartoons
- Prominent Themes in 1920's Political Cartoons
- Notable Artists and Their Contributions
- Impact and Legacy of 1920's Political Cartoons

Historical Context of 1920's Political Cartoons

The 1920s, known as the Roaring Twenties, was a decade marked by significant political, social, and economic changes in the United States. Political cartoons from this era were deeply influenced by these transformations, capturing the zeitgeist of the period. The aftermath of World War I, the rise of consumer culture, and the enforcement of Prohibition all created fertile ground for satirical and critical commentary through cartoons.

The Role of Political Cartoons in the 1920s

Political cartoons served as a primary medium for expressing public discontent, humor, and criticism. Newspapers and magazines widely published these cartoons, making them accessible to a broad audience. They distilled complex political issues into engaging and often humorous images, enabling readers to grasp the nuances of contemporary debates quickly. The 1920s saw an expansion in the reach of mass media, which amplified the influence of political cartoons on public discourse.

Social and Political Climate Influencing Cartoons

The decade was characterized by Prohibition, the women's suffrage movement, racial tensions, and fears of communism during the Red Scare. Each of these issues found expression in political cartoons, which reflected and shaped public attitudes. The economic prosperity followed by the stock market crash of 1929 also featured prominently, highlighting the volatility of the times and the critiques of political leadership.

Prominent Themes in 1920's Political Cartoons

1920's political cartoons often tackled a variety of pressing issues, using satire and symbolism to communicate their messages. The themes addressed in these cartoons reveal the dominant concerns of the period and provide a window into the collective consciousness of American society.

Prohibition and Its Controversies

Prohibition, enacted through the 18th Amendment, banned the manufacture, sale, and transportation of alcohol. Political cartoons frequently depicted the unintended consequences of this law, such as the rise of organized crime, speakeasies, and public resistance. The cartoons used humor and irony to question the effectiveness and morality of Prohibition enforcement.

Women's Suffrage and Changing Gender Roles

The 1920s was a landmark decade for women's rights, culminating in the passage of the 19th Amendment, granting women the right to vote. Political cartoons highlighted the changing roles of women in society, from flappers challenging traditional norms to women entering the workforce and politics. These cartoons often reflected societal tensions regarding gender equality and the evolving status of women.

The Red Scare and Fear of Communism

Following the Russian Revolution, fear of communism and radicalism spread throughout the United States. Political cartoons of the 1920s portrayed communists as dangerous threats to American values and stability. These images were instrumental in justifying government crackdowns on suspected radicals and contributed to the widespread anti-communist sentiment.

Economic Boom and Bust

The economic prosperity of the early 1920s, followed by the devastating stock

market crash of 1929, provided rich material for political cartoonists. Cartoons depicted the excesses of the wealthy, the speculative nature of the stock market, and the subsequent impact on everyday Americans. These works often critiqued government policies and corporate greed.

- Prohibition and organized crime
- Women's suffrage and gender dynamics
- Anti-communism and the Red Scare
- Economic growth and financial collapse

Notable Artists and Their Contributions

The influence of 1920's political cartoons was bolstered by the work of several prominent cartoonists whose artistry and insights left a lasting mark on the medium. Their contributions shaped public opinion and helped define the visual language of political satire.

Thomas Nast's Legacy and Influence

Though Thomas Nast's prime was in the 19th century, his pioneering techniques and styles influenced 1920s cartoonists. Nast set the standard for political satire through his use of symbolism and caricature, elements widely adopted and adapted by cartoonists of the 1920s.

Herbert Block (Herblock)

Herbert Block, known as Herblock, emerged as a significant figure in political cartooning during the later part of the 1920s. His work combined sharp political critique with a distinctive artistic style, addressing issues such as corruption and social injustice.

Other Prominent Cartoonists

Several other artists gained recognition for their impactful 1920's political cartoons, including:

- John T. McCutcheon – Known for his editorial cartoons addressing Prohibition and political corruption.
- Rollin Kirby – The first editorial cartoonist to win a Pulitzer Prize,

celebrated for his powerful social commentary.

- Clifford Berryman – Famous for his caricatures of political figures and commentary on domestic policy.

Impact and Legacy of 1920's Political Cartoons

1920's political cartoons had a profound impact on both contemporary society and the development of political satire as an art form. They shaped public discourse, influenced political attitudes, and remain valuable historical artifacts that provide insight into the era's complexities.

Influence on Public Opinion

Political cartoons reached a wide audience through newspapers and magazines, making complex political issues accessible and engaging. They played a critical role in informing and swaying public opinion on key issues such as Prohibition, women's rights, and anti-communism. The cartoons often reinforced prevailing attitudes or challenged the status quo, contributing to political debates of the time.

Contribution to Political Discourse and Media

The 1920s marked an evolution in the use of visual media for political communication. Political cartoons became a staple of editorial content, influencing how news was consumed and understood. This period set the stage for future developments in political satire, including the use of cartoons as a means of holding power accountable.

Historical Significance and Preservation

Today, 1920's political cartoons are preserved in archives and museums as important cultural documents. They offer historians and researchers valuable perspectives on the social and political dynamics of the decade. Their enduring relevance underscores the power of visual satire to capture and critique the spirit of an age.

Frequently Asked Questions

What themes were commonly depicted in 1920's political cartoons?

1920's political cartoons often depicted themes such as Prohibition, the aftermath of World War I, the Red Scare, women's suffrage, the rise of the Ku Klux Klan, economic issues, and immigration policies.

How did 1920's political cartoons reflect public opinion on Prohibition?

Political cartoons in the 1920s frequently satirized Prohibition by highlighting the rise of organized crime, speakeasies, and the general public's disregard for the law, reflecting widespread skepticism and criticism of the policy.

Who were some prominent artists known for creating political cartoons in the 1920s?

Notable political cartoonists of the 1920s include Thomas Nast's successors like Clifford Berryman, Rollin Kirby, and John T. McCutcheon, who used their work to comment on social and political issues of the era.

How did 1920's political cartoons address the issue of women's suffrage?

After the 19th Amendment was passed in 1920, political cartoons often portrayed women voters and their impact on politics, sometimes supporting women's empowerment and other times mocking their new political role.

In what ways did 1920's political cartoons comment on the Red Scare and communism?

Cartoons depicted communism and the Red Scare with fear and suspicion, often portraying radicals as dangerous threats to American values and stability, reflecting the widespread paranoia of the time.

How were immigration and nativism portrayed in 1920's political cartoons?

Political cartoons frequently illustrated immigrants in stereotypical ways and supported restrictive immigration laws, reflecting the rise of nativism and the desire to preserve 'American' cultural identity during the 1920s.

What role did 1920's political cartoons play in

shaping public perception of the Ku Klux Klan?

Cartoons sometimes exposed the KKK's racism and violence, while in other cases, they reflected the group's influence in politics by portraying them as a significant social force, highlighting the controversial nature of the Klan during the decade.

How did 1920's political cartoons depict the economic boom and the stock market?

Cartoons often illustrated the 1920s economic boom with optimism and satire, sometimes warning about reckless speculation and the potential for economic collapse, foreshadowing the Great Depression.

What stylistic features are characteristic of 1920's political cartoons?

1920's political cartoons typically used bold lines, exaggerated caricatures, symbolic imagery, and concise captions or speech bubbles to convey their messages clearly and effectively to a broad audience.

Additional Resources

1. Drawing the Roaring Twenties: Political Cartoons of the 1920s

This book offers a comprehensive collection of political cartoons from the 1920s, highlighting the decade's major social and political issues. It explores how cartoonists used satire and humor to comment on Prohibition, the Red Scare, women's suffrage, and the economic boom. Each cartoon is accompanied by historical context and analysis, making it an essential resource for understanding the era's political climate.

2. Ink and Influence: The Power of Political Cartoons in the 1920s

"Ink and Influence" examines the role of political cartoons in shaping public opinion during the turbulent 1920s. The book delves into the work of prominent cartoonists and their impact on debates over immigration, labor rights, and government policy. Through vivid illustrations and detailed commentary, readers gain insight into the intersection of art and politics.

3. Caricatures of Change: Political Satire in 1920s America

Focusing on American political cartoons, this volume explores how artists critiqued the rapid social and economic transformations of the 1920s. It discusses themes such as the clash between traditional values and modernity, racial tensions, and the rise of consumer culture. The book offers a visual journey through a decade marked by upheaval and innovation.

4. The Cartoonists' Lens: Visual Commentary on 1920s Politics

This title highlights the unique perspective political cartoonists brought to the key events of the 1920s, including the aftermath of World War I and the

lead-up to the Great Depression. Featuring a diverse array of cartoons, the book showcases how humor and exaggeration were used to critique politicians and policies. It also provides biographical sketches of influential cartoonists of the era.

5. *Satire and Society: Political Cartoons Reflecting the 1920s*

"Satire and Society" explores how political cartoons mirrored and influenced societal attitudes during the 1920s. The book covers topics such as Prohibition, the rise of the Ku Klux Klan, and the cultural conflicts between urban and rural America. Richly illustrated, it offers an engaging look at how cartoons served as a barometer of public sentiment.

6. *Between the Lines: Political Cartooning in the Jazz Age*

This book captures the essence of the Jazz Age through the lens of political cartooning, revealing the decade's contradictions and controversies. It discusses how cartoonists addressed issues like racial segregation, economic disparity, and international relations. The narrative ties together artistic style and political messaging in a compelling historical framework.

7. *Visual Voices: Political Commentary Through 1920s Cartoons*

"Visual Voices" presents a curated selection of political cartoons that voiced dissent and critique during the 1920s. It emphasizes the role of cartoons in debates over freedom of speech, civil liberties, and government authority. The book's insightful commentary helps readers understand the power of visual media in political discourse.

8. *Lines of Protest: Political Cartoons and the 1920s American Landscape*

This work examines how political cartoons acted as a form of protest against prevailing power structures in the 1920s. It highlights cartoons addressing labor strikes, immigration laws, and the tensions of the post-war period. The book combines historical analysis with striking imagery to reveal the cartoons' role as agents of social change.

9. *Cartooning the Crisis: 1920s Political Satire and Public Opinion*

Focusing on moments of political crisis in the 1920s, this book analyzes how cartoonists captured and influenced public opinion during times of upheaval. From scandals to policy debates, the cartoons provide a window into the fears and hopes of the decade. The text offers a nuanced understanding of satire's function in democratic society.

1920 s political cartoon: *Asian Political Cartoons* John A. Lent, 2023-01-27 2023 CHOICE Outstanding Academic Title 2024 Eisner Award Nominee for Best Academic/Scholarly Work In Asian Political Cartoons, scholar John A. Lent explores the history and contemporary status of political cartooning in Asia, including East Asia (China, Hong Kong, Japan, North and South Korea, Mongolia, and Taiwan), Southeast Asia (Brunei, Cambodia, Indonesia, Malaysia, Myanmar, Philippines, Singapore, Thailand, and Vietnam), and South Asia (Bangladesh, India, Iran, Nepal, Pakistan, and Sri Lanka). Incorporating hundreds of interviews, as well as textual analysis of cartoons; observation of workplaces, companies, and cartoonists at work; and historical research, Lent offers not only the first such survey in English, but the most complete and detailed in any language. Richly illustrated, this volume brings much-needed attention to the political cartoons of a region that has accelerated faster and more expansively economically, culturally, and in other ways than perhaps any other part of the world. Emphasizing the “freedom to cartoon, the author examines political cartoons that attempt to expose, bring attention to, blame or condemn, satirically mock, and caricaturize problems and their perpetrators. Lent presents readers a pioneering survey of such political cartooning in twenty-two countries and territories, studying aspects of professionalism, cartoonists’ work environments, philosophies and influences, the state of newspaper and magazine industries, the state’s roles in political cartooning, modern technology, and other issues facing political cartoonists. Asian Political Cartoons encompasses topics such as political and social satire in Asia during ancient times, humor/cartoon magazines established by Western colonists, and propaganda cartoons employed in independence campaigns. The volume also explores stumbling blocks contemporary cartoonists must hurdle, including new or beefed-up restrictions and regulations, a dwindling number of publishing venues, protected vested interests of conglomerate-owned media, and political correctness gone awry. In these pages, cartoonists recount intriguing ways they cope with restrictions—through layered hidden messages, by using other platforms, and finding unique means to use cartooning to make a living.

1920 s political cartoon: *1920's Db* Social Studies School Service, 2001

1920 s political cartoon: *Great Canadian Political Cartoons, 1915 to 1945* Charles Hou, Cynthia Hou, 2002 Great Canadian Political Cartoons 1915 to 1945 contains an introduction to the period and an annotated collection of approximately 370 political cartoons, both English and French, covering Canada’s political, economic, social and military history from the years 1915 to 1945. Topics include Canada’s role in the First and Second World Wars, the Depression, aboriginal concerns, English-French relations, international affairs, labour, and the continued growth of Canadian independence. Includes bibliographical references and index.

1920 s political cartoon: *World War I & 1920s*, 2007 Involving students in real historical problems that convey powerful lessons about U.S. history, these thought-provoking activities combine core content with valuable practice in decision making, critical thinking, and understanding multiple perspectives. O'Reilly - an experienced, award winning teacher - has students tackle fascinating historical questions that put students in the shoes of a range of people from the past, from the rich and famous to ordinary citizens. Each lesson can be done either as an in-depth activity or as a quick motivator. Detailed teacher pages give step-by-step instructions, list key vocabulary terms, offer troubleshooting tips, present ideas for post-activity discussions, and furnish lists of related sources. Reproducible student handouts clearly lay out the decision-making scenarios, provide outcomes, and present related primary source readings and/or images with analysis questions--Page 4 of cover

1920 s political cartoon: *Between the Wars, 1919-1939* Roy Douglas, 1992 Douglas covers all the great political and social issues of the interwar period. His greatest gift is for concise, clear explanation, setting each cartoon into its historical context. The scope is international.

1920 s political cartoon: *Spongeheadz* Lynn Ziegler, 2006-12 There is no other book on family television viewing quite like this one. SPONGEHEADZ: U & M Media presents facts and trends in an engaging format--it offers activities, Web sites, resources, quotes from kids and other V.I.P.s, and info to make watching TV a truly interactive experience, rather than a passive assault on your

senses. (And your wallet.)

1920 s political cartoon: Comics Art in Korea John A. Lent, 2025-01-15 In *Comics Art in Korea*, comics scholar John A. Lent embarks on a comprehensive exploration of the vibrant world of Korean comics, cartoons, comic strips, graphic novels, webcomics, and animation. This meticulously researched work delves deep into the intricate history, cultural significance, and artistic innovations that have shaped the comics landscape in both North and South Korea. Drawing from extensive research, decades of interviews with comics creators and artists, and firsthand study, Lent offers readers a profound understanding of the societal, political, and cultural factors that have played a pivotal role in shaping Korean comics. Korean comics have a storied tradition that stretches back decades. In this insightful book, Lent not only traces the origins of Korean comics but also places them within the broader context of Asian comics, highlighting the interconnectedness of comic art across the continent. From the early days of Korean comics to their contemporary evolution, Lent unravels the forces that have influenced and shaped the industry and sheds light on the ways in which comics have been used as a medium for social commentary, political expression, and cultural identity in Korea. *Comics Art in Korea* is not merely a historical account but a celebration of the art form itself. Lavishly illustrated with examples of Korean comics, this book showcases the incredible talent and creativity of Korean comics artists. Lent's impeccable attention to detail and his ability to contextualize each work within its cultural and historical framework make this book an invaluable resource for both comics enthusiasts and scholars.

1920 s political cartoon: THE ROARING TWENTIES NARAYAN CHANGDER, 2024-02-02

Note: Anyone can request the PDF version of this practice set/workbook by emailing me at cbsenet4u@gmail.com. I will send you a PDF version of this workbook. This book has been designed for candidates preparing for various competitive examinations. It contains many objective questions specifically designed for different exams. Answer keys are provided at the end of each page. It will undoubtedly serve as the best preparation material for aspirants. This book is an engaging quiz eBook for all and offers something for everyone. This book will satisfy the curiosity of most students while also challenging their trivia skills and introducing them to new information. Use this invaluable book to test your subject-matter expertise. Multiple-choice exams are a common assessment method that all prospective candidates must be familiar with in today's academic environment. Although the majority of students are accustomed to this MCQ format, many are not well-versed in it. To achieve success in MCQ tests, quizzes, and trivia challenges, one requires test-taking techniques and skills in addition to subject knowledge. It also provides you with the skills and information you need to achieve a good score in challenging tests or competitive examinations. Whether you have studied the subject on your own, read for pleasure, or completed coursework, it will assess your knowledge and prepare you for competitive exams, quizzes, trivia, and more.

1920 s political cartoon: Aunt Phil's Trunk Laurel, Bill, 2016-07-09 Author Laurel Downing Bill continues to bring Alaska history alive in *Aunt Phil's Trunk* Volume Four. Following in the fast-paced and entertaining footsteps of the previous three volumes, Volume Four captures the essence of life in Alaska between 1935 and 1960. Its easy-to-read nonfiction short stories and more-than 350 historical photographs highlight major events of World War II, the Cold War era and Alaska's struggle for statehood.

1920 s political cartoon: Taking African Cartoons Seriously Peter Limb, Tejumola Olaniyan, 2018-10-01 Cartoonists make us laugh—and think—by caricaturing daily events and politics. The essays, interviews, and cartoons presented in this innovative book vividly demonstrate the rich diversity of cartooning across Africa and highlight issues facing its cartoonists today, such as sociopolitical trends, censorship, and use of new technologies. Celebrated African cartoonists including Zapiro of South Africa, Gado of Kenya, and Asukwo of Nigeria join top scholars and a new generation of scholar-cartoonists from the fields of literature, comic studies and fine arts, animation studies, social sciences, and history to take the analysis of African cartooning forward. *Taking African Cartoons Seriously* presents critical thematic studies to chart new approaches to how African cartoonists trade in fun, irony, and satire. The book brings together the traditional press

editorial cartoon with rapidly diverging subgenres of the art in the graphic novel and animation, and applications on social media. Interviews with bold and successful cartoonists provide insights into their work, their humor, and the dilemmas they face. This book will delight and inform readers from all backgrounds, providing a highly readable and visual introduction to key cartoonists and styles, as well as critical engagement with current themes to show where African political cartooning is going and why.

1920 s political cartoon: *Global Raciality* Paola Bacchetta, Sunaina Maira, Howard Winant, 2018-10-31 *Global Raciality* expands our understanding of race, space, and place by exploring forms of racism and anti-racist resistance worldwide. Contributors address neoliberalism; settler colonialism; race, class, and gender intersectionality; immigrant rights; Islamophobia; and homonationalism; and investigate the dynamic forces propelling anti-racist solidarity and resistance cultures. Midway through the Trump years and with a rise in nativism fervor across the globe, this expanded approach captures the creativity and variety found in the fight against racism we see the world over. Chapters focus on both the immersive global trajectories of race and racism, and the international variation in contemporary configurations of racialized experience. Race, class, and gender identities may not only be distinctive, they can extend across borders, continents, and oceans with remarkable demonstrations of solidarity happening all over the world. Palestinians, Black Panthers, Dalit, Native Americans, and Indian feminists among others meet and interact in this context. Intersections between race and such forms of power as colonialism and empire, capitalism, gender, sexuality, religion, and class are examined and compared across different national and global contexts. It is in this robust and comparative analytical approach that *Global Raciality* reframes conventional studies on postcolonial regimes and racial identities and expression.

1920 s political cartoon: *Battling Miss Bolshevik* Kirsten Marie Delegard, 2012-05-28 Why did the political authority of well-respected female reformers diminish after women won the vote? In *Battling Miss Bolshevik* Kirsten Marie Delegard argues that they were undercut during the 1920s by women conservatives who spent the first decade of female suffrage linking these reformers to radical revolutions that were raging in other parts of the world. In the decades leading up to the Nineteenth Amendment, women activists had enjoyed great success as reformers, creating a political subculture with settlement houses and women's clubs as its cornerstones. Female volunteers piloted welfare programs as philanthropic ventures and used their organizations to pressure state, local, and national governments to assume responsibility for these programs. These female activists perceived their efforts as selfless missions necessary for the protection of their homes, families, and children. In seeking to fulfill their maternal responsibilities, progressive women fundamentally altered the scope of the American state, recasting the welfare of mothers and children as an issue for public policy. At the same time, they carved out a new niche for women in the public sphere, allowing female activists to become respected authorities on questions of social welfare. Yet in the aftermath of the suffrage amendment, the influence of women reformers plummeted and the new social order once envisioned by progressives appeared only more remote. *Battling Miss Bolshevik* chronicles the ways women conservatives laid siege to this world of female reform, placing once-respected reformers beyond the pale of political respectability and forcing most women's clubs to jettison advocacy for social welfare measures. Overlooked by historians, these new activists turned the Daughters of the American Revolution and the American Legion Auxiliary into vehicles for conservative political activism. Inspired by their twin desires to fulfill their new duties as voting citizens and prevent North American Bolsheviks from duplicating the success their comrades had enjoyed in Russia, they created a new political subculture for women activists. In a compelling narrative, Delegard reveals how the antiradicalism movement reshaped the terrain of women's politics, analyzing its enduring legacy for all female activists for the rest of the twentieth century and beyond.

1920 s political cartoon: *American Women in Cartoons 1890-1920* Katharina Hundhammer, 2012 Since no work has systematically analyzed the visual aspect in the quest for woman suffrage, this book fills a gap in the plentiful literature on the American woman suffrage movement.

Comparing Woman's and general interest journals, it appeals to students of Social History, Gender Studies and Media Studies and to the general interest reader.

1920 s political cartoon: The Journal of Belarusian Studies 2015 Ostrogorski Centre, 2015-12-30 The 2015 issue of the Journal of Belarusian Studies is almost entirely about history. It focuses on the Belarusian-Polish-Lithuanian borderland and the period stretching from the uprising of 1863 to the inter-war period of the 20th century when the territory of today's Belarus was split between the Soviet Union and Poland. Two longer articles are followed by several essays which resulted from a conference held by the Anglo-Belarusian Society and other London-based organisations at University College London in March 2014.

1920 s political cartoon: Adult Manga Sharon Kinsella, 2015-12-22 First detailed analysis of the phenomenon in English. Describes and analyses the complex new attitudes to manga since the 1980s. Provocative and timely, the book shows how manga's status in Japanese society is intimately linked to changes in the balance of power between artists and editors.

1920 s political cartoon: *Dictionary of Twentieth-Century British Cartoonists and Caricaturists* Mark Bryant, 2022-07-08 British cartoonists and caricaturists are renowned worldwide. Originally published in 2000, this indispensable handbook offers a unique 'who's who' of all the major artists working in Britain in the twentieth century and contains nearly 500 entries. Extensively illustrated, the book provides information on the work of artists such as Steve Bell, Gerald Scarfe, Posy Simmonds, Ronald Searle, Trog, mac and Larry as well as such past masters as David Low, Vicky, H. M. Bateman, Illingworth, Heath Robinson and more. The dictionary concentrates primarily on political cartoonists, caricaturists and joke or 'gag' cartoonists, actively working for the main Fleet Street national dailies and weeklies from 1900 to 1995. Each entry is cross-referenced and provides a concise biographical outline with an account of the artist's style, influences and preferred medium. Where relevant the entry includes suggestions for further reading and notes solo exhibitions, books illustrated and works held in public collections. The Dictionary of Twentieth-Century British Cartoonists and Caricaturists offers an insight into the lives of satirical artists working during a century that provoked cartoonists and caricaturists to a pitch of comic and artistic invention that has rarely been matched.

1920 s political cartoon: Cartoon Conflicts Richard Scully, Paulo Jorge Fernandes, Ritu Gairola Khanduri, 2025-07-28 This edited collection of new research highlights the way in which the cartoon - long regarded as a staple of journalism and freedom of expression - faces new challenges in the twenty-first century that can be far better understood and appreciated if one takes an historical perspective. Current debates over the limits of freedom of expression, 'political correctness', and 'cancel culture' all have their precedents in past controversies over cartoons and caricature; indeed there is a definite continuum between these past instances of debate and their present manifestations. Chapters 2 and 10 are available open access under a Creative Commons Attribution 4.0 International License via link.springer.com.

1920 s political cartoon: Southeast Asian Cartoon Art John A. Lent, 2014-02-07 This is the first overview of cartoon art in this important cultural nexus of Asia. The eight essays provide historical and contemporary examinations of cartoons and comics in Indonesia, the Philippines, Thailand, Cambodia, and Vietnam, and sociocultural and political analyses of cartooning in Singapore, Myanmar, and Malaysia. The collection benefits from hundreds of interviews with Southeast Asia's major cartoonists, conducted by the four contributors, as well as textual analyses of specific cartoons, on-the-spot observations, and close scrutiny of historical documents. All genres of printed cartoon art are studied, including political and humor cartoons, newspaper comic strips, comic books, and humor and cartoon periodicals. Topics of discussion and comparison with cartoon art of other parts of the globe include national identity, the transnational public sphere, globalization, alternative media forms, freedom of expression, consumerism, and corporatism. Southeast Asian cartoon art has a number of features unique to the region, such as having as pioneering cartoonists three countries' founding fathers, comics that gave their name to a national trait, some of the earliest graphic novels worldwide, and a king who hired a cartoonist to illustrate his books.

1920 s political cartoon: *American Republic to 1877, Interpreting Political Cartoons*

McGraw-Hill Staff, 2002-06 Contains 36 reproducible activity pages, each including one political cartoon, short summary of the issue being addressed, and questions for analysis and critical thinking.

1920 s political cartoon: Colors of Enchantment Sherifa Zuhur, 2001 In this companion volume to the successful *Images of Enchantment: Visual and Performing Arts of the Middle East* (AUC Press, 1998), historian and ethnomusicologist Sherifa Zuhur has once again commissioned and edited authoritative essays from noteworthy scholars from around the globe that explore the visual and performing arts in the Middle East. What differentiates this volume from its predecessor is its investigation of theater, from the early modern period to the contemporary. Topics include race and national identity in Egyptian theater, early writing in the Arab theater in North America, Persian-language theater from its origins through the twentieth century, Palestinian nationalist theater, and a survey of the work of noted Egyptian playwright Yusuf Idris. Other aspects of the arts are not neglected, of course, as further avenues of dance, music, and the visual arts are explored. Marked by interesting and fresh perspectives, *Colors of Enchantment* is another vital contribution to scholarship on the arts of the Middle East. Contributors: Najwa Adra, Wijdan Ali, Sami Asmar, Clarissa Burt, Michael Frishkopf, M. R. Ghanoonparvar, Tori Haring-Smith, Kathleen Hood, Deborah Kapchan, Neil van der Linden, Samia Mehrez, Mona Mikhail, Sami A. Ofeish, 'Ali Jihad Racy, Rashad Rida, Tonia Rifaey, Edward Said, Lori Anne Salem, Philip D. Schuyler, Selim Sednaoui, Reuven Snir, James Stone, Eve Troutt Powell, and Sherifa Zuhur.
