best baseball trivia questions: Tucker Elliot Bundle #2 - Cincinnati Reds and Cleveland Indians Baseball Tucker Elliot, 2014-04-22 Three full-length sports history and trivia books from Black Mesa Publishing and author Tucker Elliot. Cincinnati Reds IQ: The Ultimate Test of True Fandom In 1968, Johnny Bench was a 20-year-old rookie embarking on his first full Major League season with the Cincinnati Reds. He was also the Reds starting catcher, an All-Star, and the National League Rookie of the Year. And he was one other thing as well: the foundation for one of the greatest teams ever assembled in Major League history—the Big Red Machine. Bench's Major League journey lasted 17 seasons—all in Cincinnati—and earned him a place in the Baseball Hall of Fame as one of the game's greatest legends. But when talking about the legendary Reds teams of the 1970s, it was Bench who said, The Big Red Machine teams will never be forgotten ... They'll be remembered because of the professionals they had, the character they had, the skill they had. Those teams were a symbol of what baseball really should be. The professionals included Tony Perez and Pete Rose, who were already on the club when Bench burst on the scene in 1968, and then one by one the rest of the pieces fell into place: manager Sparky Anderson (1970), followed by Dave Concepcion and George Foster (1971), Joe Morgan and Cesar Geronimo (1972), and Ken Griffey (1973). In 1975, with all the pieces firmly in place, the Reds were World Champions. In 1976, the Reds defended their title and became a dynasty. This is a book of history and trivia that covers all eras of Reds baseball but it is also a tribute to the legacy of Sparky Anderson and the professionals who made up the Big Red Machine. Think you know everything about Reds baseball? Think again. With ten chapters and 200 brand new trivia questions to challenge fans of all ages and skill levels, it's time to find out how smart you really are about the Cincinnati Reds. Each chapter profiles a member of the Big Red Machine and then offers 20 brand new exciting and challenging trivia questions. And we're keeping score ... so test your skills, wrack your brain, and get ready for the ultimate Cincinnati Reds IQ test! Cleveland Indians IQ: The Ultimate Test of True Fandom Cleveland ranks right up there with the Chicago Cubs and the pre-2004 Boston Red Sox when it comes to breaking hearts—its fans have suffered much, wandering in the proverbial desert since tasting postseason success for the second time in team history in 1948—but the Indians have never disappointed when it comes to producing great players and unforgettable moments ... and they're all in this book. Are you an expert on Cleveland Indians history and trivia? Think you know it all? It's time to find out. Test your skills. Wrack your brain. best baseball trivia questions: *They Cleared the Lane* Ron Thomas, 2004-03-01 Today, black players compose more than eighty percent of the National Basketball Association's rosters, providing a strong and valued contribution to professional basketball. In the first half of the twentieth century, however, pro basketball was tainted by racism, as gifted African Americans were denied the opportunity to display their talents. Through in-depth interviews with players, their families, coaches, teammates, and league officials, Ron Thomas tells the largely untold story of what basketball was really like for the first black NBA players, including recent Hall of Fame inductee Earl Lloyd, early superstars such as Maurice Stokes and Bill Russell, and the league's first black coaches. *They Cleared the Lane* is both informative and entertaining, full of anecdotes and little-known history. Not all the stories have happy endings, but this unfortunate truth only emphasizes how much we have gained from the accomplishments of these pioneer athletes.

best baseball trivia questions: *Best Boston Sports Arguments* Jim Caple, Steve Buckley, 2006 Every Boston fan knows that the only thing better than watching sports is arguing about them--picking the best, the worst and who will come out on top. And no city tears its sports teams apart like we do in Beantown! Veteran Boston sportswriters Steve Buckley and Jim Caple take you inside the 100 best debates in Boston sports. Covering the Red Sox, Celtics, Patriots, Bruins and beyond, every question you want to debate is here--as well as a few surprises. Arguments include: Who was the greatest Boston athlete ever: Russell, Bird or Brady? Boston: Football town or baseball town? Was freezing Ted Williams really all that crazy? The greatest clutch performer in Bruins history: Was it Orr, or was it...? Which Yankees loss was more painful? Dent or Boone? Who was better, Ted or DiMaggio?

best baseball trivia questions: *Bucky* Fred W. Veil, 2012-10 Bucky Veil was a professional baseballer who played the game in the early years of the twentieth century, a time when baseball was beginning to evolve into America's national pastime. As a twenty-two-year-old rookie with the 1903 Pittsburgh Pirates, he pitched in the first World Series of modern major league baseball, thus witnessing firsthand an important milestone in the history of the sport. No less an authority than Hall of Famer Honus Wagner predicted that Bucky would be a great star. Bucky is a story of baseball in the Deadball Era, told from the perspective of the author's grandfather, Fred Bucky Veil, and other professionals who played a game that was very different from that of the modern era. It was a game that emphasized strategy over power-Babe Ruth and the long ball were a decade or more in the future--and relied upon speed; smart, aggressive base-running; good bunting techniques; and timely hitting, all designed to advance runners into positions from which they could score. Baseball in the Deadball Era was played with a passion that is largely absent in the modern game.

Bucky was blessed to have had the opportunity to play professional baseball in an era when it truly was a game. Fred W. Veil currently lives in Prescott, Arizona. A native Pennsylvanian and a Marine Corps veteran, he is a graduate of Washington & Jefferson College and the Duquesne University School of Law. Previously published works include articles in the Duquesne Law Review and the Journal of Arizona History. He and his wife, Sally, have two adult children and one grandchild.
