best books for public speaking reddit: Chasing the Thrill Daniel Barbarisi, 2022-05-24 "Daniel Barbarisi plunges into an adventure from another era when he goes in search of buried treasure, guided only by a cryptic poem, a mischievous art collector, and the footsteps another pursuer who died on the quest... Every page draws you deeper into this no-man's-land where fortune—or tragedy—awaits." —Christopher McDougall, author of *Born to Run* When Forrest Fenn was given a fatal cancer diagnosis, he came up with a bold plan: He would hide a chest full of jewels

and gold in the wilderness, and publish a poem that would serve as a map leading to the treasure's secret location. But he didn't die, and after hiding the treasure in 2010, Fenn instead presided over a decade-long gold rush that saw many thousands of treasure hunters scrambling across the Rocky Mountains in pursuit of his fortune. Daniel Barbarisi first learned of Fenn's hunt in 2017, when a friend became consumed with decoding the poem and convinced Barbarisi, a reporter, to document his search. What began as an attempt to capture the inner workings of Fenn's hunt quickly turned into a personal quest that led Barbarisi down a reckless and potentially dangerous path, one that found him embroiled in searcher conspiracies and matching wits with Fenn himself. Over the course of four chaotic years, several searchers would die, endless controversies would erupt, and one hunter would ultimately find the chest. But the mystery didn't end there. Full of intrigue, danger, and break-neck action, *Chasing the Thrill* is a riveting tale of desire, obsession, and unbridled adventure.

He argues that the Manosphere is not an aberration, but is deeply embedded within mainstream, neoliberal, social structures. For a cohort of alienated men, the promise of community provides a space of understanding, connection and purpose. This insightful book dares to dig into the corners of incel communities and online spaces where misogyny thrives. It is essential reading for anyone who wants to understand, and do something about, this growing and worrying phenomenon.
