**best youtube video essays reddit:** *Design in Motion* Penny Hilton, 2020-02-13 With an abundance of information on how to create motion graphics already available, *Design in Motion* focuses on the why of moving image and less about the how. By unpacking the reasons behind screen designer's production choices, each chapter deconstructs examples of motion graphics by drawing on case studies of both familiar examples from contemporary cinema and unseen work from postgraduate motion graphic designers. It examines the value of image, text, motion, camera and transitions, explaining in detail why some methods work, while others fail. Whether you work in info-graphics, documentary or design, this book is structured to follow the production process and, together with its multimedia companion website, will be a by-your-side companion to guide you through your next project.

**best youtube video essays reddit:** *How to Queer the World* Bo Ruberg, 2025-04-22 What video games teach us about building a better world What does it mean to build a world? Worldbuilding is traditionally understood as an expression of storytelling across media forms. Yet, as video games show us, worldbuilding does not necessarily need to center narrative elements. Instead, new worlds can allow us to reimagine existing structures, conventions, and constants. Doing so gives us the tools to queer the world around us. *How to Queer the World* argues that video games provide us with keen insight into worldbuilding. With these insights come a new understanding of the ever-elusive ideals of queer worldmaking. Video games challenge us to address how worlds are built through underlying systems rather than surface-level representation. They also offer opportunities to envision alternate and queer ways of living, loving, desiring, and being. Each of the chapters in this book presents a close reading of a video game that illustrates one way of building worlds and encoding them with meaning, focusing on elements of digital media often overlooked as technical rather than cultural. From the design of game mechanics and user interfaces to the use of graphics software and physics simulations, Bo Ruberg argues that these aspects of video games represent a critical toolkit for seeing the work of worldbuilding differently—in video games and beyond. Simultaneously, each of these video games models an approach to what Ruberg terms “queer worldbuilding.” Queer worldbuilding radically remakes the world by destabilizing the fundamental logics of our own universe: who we are, what we can do, how our bodies move, and how we exist within time and space.

**best youtube video essays reddit:** *Survivor* Joseph J. Darowski, Kate Darowski, 2025-05-20 Celebrate the 25th anniversary of *Survivor* with a look back at one of history's most popular and

long-running reality shows. Premiering in 2000, *Survivor* altered the landscape of network television from its first season, popularizing reality shows for audiences in the 21st century and quickly growing to a semi-annual release slate that has resulted in more than 46 seasons and hundreds of contestants. Over twenty years later, the series remains popular and a ratings hit, maintaining a devoted fanbase even as the television landscape has evolved and shifted to streaming. In *Survivor: A Cultural History*, Joseph J. Darowski and Kate Darowski analyze how the iconic CBS show revolutionized television and has adapted and changed across decades of production. They explore the creation of the series and its surprising emergence as a ratings juggernaut, the evolution of gameplay for both the producers and the players, the series existence as a self-proclaimed “social experiment”, and much more. While the basic premise of the series has remained the same—survivors are marooned in the wild with few supplies and must vote someone out at a weekly tribal council with the goal of being the sole survivor to win \$1 million—there are notable differences from where the game began to where it is now. From stylistic changes in the presentation of the show to new twists in the game rules, the transformations from season 1 to the present reflect real life, keeping the show fresh amid a stream of new reality competition shows. *Survivor: A Cultural History* details these cultural shifts while highlighting *Survivor*'s place as one of the most impactful television shows of this century. Featuring an overview of the key players and a ranking of the must watch-seasons, this is an essential guide for fans both new and old.

**best youtube video essays reddit:** *Watch Us Roll* Shelly Jones, 2021-08-03 Actual play is a movement within role-playing gaming in which players livestream their gameplay for others to watch and enjoy. This new medium has allowed the playing of games to become a digestible, consumable text for individuals to watch, enjoy, learn from, and analyze. Bridging the gap between the analog and the digital, actual play is changing and challenging our expectations of tabletop role-playing and providing a space for new scholarship. This edited collection of essays focuses on *Dungeons and Dragons* actual play and examines this phenomenon from a variety of different disciplinary approaches. Authors explore how to define actual play, how fans interact with and affect the narrative and gameplay of actual play, the diversity of gamers (or lack thereof) within actual play media, and how audiences can use actual play media for more than mere entertainment.

Since debuting over a decade ago, the world of *RuPaul's Drag Race* has steadily collected both popular and academic interests. This collection of original essays presents insightful analyses and a range of critical perspectives on *Drag Race* from across the globe. Topics covered include language and linguistics, cultural appropriation, racism, health, wealth, the realities of reality television, digital drag and naked bodies. Though varied in topical focus, each essay centers public pedagogy to examine what and how *Drag Race* teaches its audience. The goal of this book is to frame *Drag Race* as a classroom, one that is helpful for both teachers and students alike. With an academic-yet-accessible tone and an interdisciplinary approach, essays celebrate and examine the show and its spin-offs from the earliest seasons to the very start of the coronavirus pandemic in 2020.

**best youtube video essays reddit:** *Black Genius* Tre Johnson, 2025-07-29 A powerful read redefining the meaning of genius while illuminating the ways in which Black Americans have found various ways to thrive despite insurmountable obstacles. Black genius sits at the heart of the American story. In his probing essay collection, *Black Genius*, cultural critic Tre Johnson examines how Black American culture has, against all odds, been the lifeblood of American ingenuity. At times using his own personal and professional stories, Johnson surveys Black cities, communities, and schools with an ever-watchful eye of what transpires around Black mobility. With a passion for complex storytelling and pulling from both pop culture and American history, Johnson weaves past and present making his case for the genius of innovation. As he examined his findings, Johnson couldn't help but wonder about the brilliance of the every day. Specifically, the creativity of the 90's graffiti-style airbrush tee, his aunties packed weekend bus trips to Atlantic city, and the

razor-tongued, socially-sharp, profanity-laced monologues of comedian Dick Gregory. Again and again, he asks us to ponder—are these not obvious examples of genius? Chatty yet profound, *Black Genius* subverts expectations from the very first page with a blend of reportage, historical data, and pop culture as Johnson dives into his own family history seeking big answers to complex questions. Johnson's signature wit and curiosity turns history into an amusing sequence of events.

**best youtube video essays reddit:** *Sports Plays* Eero Laine, Broderick Chow, 2021-08-19 *Sports Plays* is a volume about sports in the theatre and what it means to stage sports. The chapters in this volume examine sports plays through a range of critical and theoretical approaches that highlight central concerns and questions both for sports and for theatre. The plays cut across boundaries and genres, from Broadway-style musicals to dramas to experimental and developmental work. The chapters examine and trouble the conventions of staging sports as they open possibilities for considering larger social and cultural issues and debates. This broad range of perspectives make the volume a compelling resource for students and scholars of sport, theatre, and performance studies whose interests span feminism, sexuality, politics, and race.

**best youtube video essays reddit:** *Metapolitics, Algorithms and Violence* Ico Maly, 2023-11-01 *Metapolitics, Algorithms and Violence* argues that we need a more finegrained approach to understand contemporary far-right violence – an approach that takes language and cultural production in a digital economy seriously. This book underlines the importance of socio-political, economic, historical and technological context in understanding the rise of the new right. More concretely, based on a digital ethnographic approach, it argues that we should understand this

violence and the contemporary rise of new far-right practices and actors in relation to the theoretical renewal of 'La Nouvelle Droite' in the 20th century; the 'democratization' of new right metapolitics in the 21st century as a result of the rise of digital media; and the development of a layered, transnational and polycentric new right cultural niche in which far-right activists and terrorists produce identity, discourse, digital cultures and practices. This work will be an engaging and necessary read for researchers interested in social media, digital culture, far-right politics, extremism and terrorism.
