best godly parent quiz: A Gift from God James A. Gauthier J.D., 2018-01-16 God created Eve from Adam's rib. Did God create Hayden from Ian and Eli? The young pregnant mother appeared and said, I am here to deliver this child. Ian delivered her baby, but she died instantly when anesthesia was administered. DNA established that the young woman was a hermaphrodite. Biblical angels are hermaphrodites. Her body was sent to the morgue, and later requests were made to return the body for further DNA testing, but the young woman was gone leaving behind her surgical gown. The child she delivered was the mirror image of Ian & Eli. Hayden shares an equal IQ, blood chemistry and DNA with her adoptive parents. Her heart beats in unison with her adoptive parents and she has many of gifts possessed by her mother. The DNA verifies that Hayden is Of her parents and not From her parents. To be of means to be created in the likeness of the parents as Eve was created from Adam by God. Read this book and see God's hand in Hayden's creation and reflect on God's promise to be with Hayden always.

best godly parent quiz: *The Spiritual Life of Children* Robert Coles, 1991-10-10 A look at faith through the voices of children from varied religious backgrounds, by the Pulitzer-winning author of *The Moral Intelligence of Children*. A New York Times Notable Book What do children think about when they consider God, Heaven and Hell, the value of life in the here and now, and the inevitability of death? Child psychiatrist, Pulitzer Prize-winning writer, and Harvard professor Robert Coles spent thirty years interviewing hundreds of children—from South America and Europe to Africa and the Middle East—who are developing concepts of faith even as they struggle to understand its contradictions. Be they Catholic or Protestant, Jewish children from Boston, Pakistani children in London, agnostics, Native Americans, or young Christians in the American South, they offer honest, enlightening and sometimes startling ideas of a spiritual existence. A Hopi girl who knows for a fact that we are resurrected as birds; an African American child who believes God exists as a hurricane to “blow away” drug dealers; a young Christian who needs his faith to cope with the death of his sister, lest she be just “a big heartache to us till the day we die”; and a Tennessee child who rationalizes his belief by admitting that “if there's no God, that's all there is, ashes.” *The Spiritual Life of Children* is “a remarkable book. The generosity of vision that characterizes Dr. Coles's enterprise enables him to create a climate where words of great beauty and truthfulness can be spoken.” —The New York Times
