frank sinatra high society: The Once Upon a Time World Jonathan Miles, 2023-09-05
Chronicling two-hundred years of glamour, intrigue, and hedonism, this rich and vivid history of the French Riviera features a vast cast of characters, from Pablo Picasso and Coco Chanel to Andre Matisse and James Baldwin. 1835, Lord Brougham founded Cannes, introducing bathing and the manicured lawn to the wilds of the Mediterranean coast. Today, much of that shore has become a concrete mass from which escape is an exclusive dream. In the 185 years between, the stretch of seaboard from the red mountains of the Esterel to the Italian border hosted a cultural phenomenon well in excess of its tiny size. A mere handful of towns and resorts created by foreign visitors - notably English, Russian and American - attracted the talented, rich and famous as well as those who wanted to be. For nearly two centuries of creativity, luxury, excess, scandal, war and corruption, the dark and sparkling world of the Riviera was a temptation for everybody who was anybody. Often frivolous, it was also a potent cultural matrix that inspired the likes of Picasso, Matisse, Coco Chanel, Scott Fitzgerald, Cole Porter, James Baldwin, Catherine Mansfield, Sartre and Stravinsky. In *Once Upon a Time World*, Jonathan Miles presents the remarkable story of the small strip of French coast that lured the world to its shores. It is a wild and unforgettable tale that follows the Riviera's transformation from paradise and wilderness to a pollution imperiled concrete jungle.

frank sinatra high society: An Unlikely Union Paul Moses, 2015-07-03 An Unlikely Union tells the dramatic story of how two of America's largest ethnic groups learned to love and laugh with each other after decades of animosity. They came from the poorest parts of Ireland and Italy and met as rivals on the sidewalks of New York. Beginning in the nineteenth century, the Irish and Italians clashed in the Catholic Church, on the waterfront, at construction sites, and in the streets. Then they made peace through romance, marrying each other on a large scale in the years after World War II. The vibrant cast of characters features saints such as Mother Frances X. Cabrini, who stood up to the Irish American archbishop of New York when he tried to send her back to Italy, and sinners like Al Capone, who left his Irish wife home the night he shot it out with Brooklyn's Irish mob. The book also highlights the torrid love affair between radical labor organizers Elizabeth Gurley Flynn and Carlo Tresca; the alliance between Italian American gangster Paul Kelly and Tammany's "Big Tim" Sullivan; heroic detective Joseph Petrosino's struggle to be accepted in the Irish-run NYPD; and the competition between Frank Sinatra and Bing Crosby to become the country's top male vocalist. In this engaging history of the Irish and Italians, veteran New York City journalist and professor Paul Moses offers a classic American story of competition, cooperation, and resilience. At a time of renewed fear of immigrants, An Unlikely Union reminds us that Americans are able to absorb tremendous social change and conflict—and come out the better for it.
