This increase will result into current candidates for the CISSP to shift to the SSCP certification, as the verifiable field requirement is only one year. Ø Syngress well-positioned in wide open playing field. The landscape of certification publishing has changed dramatically over the past month with Coriolis ceasing operations, Hungry Minds facing an uncertain future after their acquisition by John Wiley & Sons, and Syngress ending its long-term relationship with Osborne McGraw Hill in pursuit of publishing Study Guides independently.
