free bible study lessons with questions and answers: Ten Women of the Bible Updated Edition Max Lucado, 2024-12-31 Why Did God Choose These Women? We don't know all their names. Some are referred to in Scripture only by their nationality. Some are known only by where they lived. Some became queens; others lived on the fringes of society. One gave birth to a nation; another gave birth to the Messiah. Their culture often overlooked or discounted the contributions of women, yet the writers of Scripture found these women and the role they played remarkable to the

telling of God's story. As we study the lives of the women in the Bible, we find important truths that God wants us to grasp. They lived in a different world than our own, but we find ourselves facing the same issues they faced. Yet even more, these women show us there is a God who sees us where we are and loves us for who we are. He is the one who hovers over all the pages of the Bible, shaping lives, rescuing hearts, healing sicknesses, raising what was dead to life, and assigning high callings to those who choose to follow him and have faith in him. In this ten-lesson workbook, Max Lucado recounts some of his favorite stories of these ten women—Sarah, Abigail, Esther, the Samaritan Woman, Mary Magdalene, and others—and describes what set them all apart. EACH LESSON INCLUDES: Five daily in-depth Bible studies to help you navigate the stories of Scripture Summary points to help you remember the key takeaways from each lesson Daily prayers to help you focus your thoughts and move into your quiet time Weekly memory verses to help you hide God's Word in your heart

free bible study lessons with questions and answers: 2nd Timothy Bible Study "I Have Leaped Over a Wall!" Kathleen Dalton, 2018-04-11 Our memory verse for this 5-Lesson Bible study is Psalm 18:29.By my God I have leaped over a wall. When Paul wrote this second letter to Timothy, Paul's time on earth was nearly over and he knew it. He had fought the good fight, finished the race, and kept the faith. He had been given a job to do by His Savior, Jesus, and somehow, by the miraculous strength of God, he had done it! He had leaped over that wall! He is passing this incredible job of spreading the Gospel by planting and nourishing churches, to Timothy. He wants Timothy to know that someday he, too, will look back and be very sure that ...by my God I have leaped over a wall!

free bible study lessons with questions and answers: 1st Timothy Bible Study The Best Job in the World Kathleen Dalton, 2018-04-05 Paul knows some of the challenges Timothy is going to face as he pastors the church in Ephesus, and he is writing to encourage Timothy, but not to feel sorry for him. Timothy has the unparalleled privilege of shepherding a group of believers in Jesus Christ. He's a Pastor - he has the best job in the world! But he is probably going to suffer, as Paul himself suffered. In fact, before Paul left Timothy at Ephesus there had been a city-wide riot because Paul was teaching the truth and growing the Ephesian church. (Acts 19:21-41). That is the situation Paul left with Timothy. As we talk through 1st Timothy together, don't forget: this is not a letter to shore up someone who is about ready to give up and throw in the towel. Not at all. This is just a little helping hand from an experienced Pastor to one who is beginning.

free bible study lessons with questions and answers: Life Lessons from Galatians Max Lucado, 2018-07-10 OVER 2 MILLION SOLD IN THE LIFE LESSONS SERIES! Whose approval do you hope to win? Friends? Coworkers? Someone in your family? What about God? Do you sometimes wonder if you need to do more to earn his approval? Religious teachers in the early church were insisting that faith was not enough, that being right with God required something more. Early Christians were almost ready to accept and follow these extra requirements. This disturbed the apostle Paul. So he reminded the believers that salvation isn't based on following a religious code. Nor is it based on what we do (or don't do) or what we know or feel. Nothing is required on our part, except to believe. In showing us the profound difference between living by law and living by grace, he reminds us that we are indeed free in Christ. As you read, study, journal, and discuss the book of Galatians, watch for these key themes that Max will unpack throughout the book: Salvation comes by grace, not works. We should bear the fruit of the Holy Spirit in our lives. We will reap in life what we have sown in life. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Each lesson includes: An opening reflection on the Bible book you're studying. Background information to deepen your understanding of the cultural and historical setting. An excerpt of the text (from the NIV and the NKJV). Exploration questions with plenty of room to write your own thoughts and notes. Inspirational thoughts from Max as well as a closing takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting or for individual study.

free bible study lessons with questions and answers: Questions of Anthropology Rita Astuti, Jonathan Parry, Charles Stafford, 2020-06-08 Anthropology today seems to shy away from the big, comparative questions that ordinary people in many societies find compelling. Questions of Anthropology brings these issues back to the centre of anthropological concerns. Individual essays explore birth, death and sexuality, puzzles about the relationship between science and religion, questions about the nature of ritual, work, political leadership and genocide, and our personal fears and desires, from the quest to control the future and to find one's 'true' identity to the fear of being alone. Each essay starts with a question posed by individual ethnographic experience and then goes on to frame this question in a broader, comparative context. Written in an engaging and accessible style, Questions of Anthropology presents an exciting introduction to the purpose and value of Anthropology today.

aging apostle, is fighting hard against false teachers who have sprung up in the church. He knows the best defense is Christian growth! It's only three chapters long, but if 2nd Peter were all the Bible we had today, we would be challenged to grow, to fight back against false teaching, and to look to the skies for Jesus' soon return. Peter was a Pastor...and the heart of Pastor Peter shines through.
