free christian financial help: *The Mystery and Painful Truth about Life Here and After Death* Christian Uchenna Ngozi, 2014-06-24 No one knows about that day or hour, not even the angels in heaven nor the Son, but only the Father. As it was in the days of Noah, so it will be at the coming of the Son of Man. For in the days before the flood, people were eating and drinking, marrying and giving in marriage, up to the day Noah entered the ark, and they knew nothing about what would happen until the flood came and took them all away. That is how it will be at the coming of the Son of Man. Two men will be in the field, one will be taken and the other left. Two women will be grinding with a hand mill, one will be taken and the other left. Therefore, keep watch, because you do not know on what day your Lord will come. But understand this: If the owner of the house had known at what time of the night the thief was coming, he would have kept watch and would not have let his house be broken into. So you also must be ready, because the Son of Man will come at an hour when you do not expect him (Matthew 24:36-44). This is truly an exposition of spiritual truths hidden and avoided for the ages, exposing us to the surprise that awaits everyone at the boundary between physical life and eternity. This will bring life and spiritual revolution to everyone who can read, irrespective of age. Whoever wishes to evade hell and not be deceived by its perverted concepts should read this book.
