The enrolled agent exam, officially known as the Special Enrollment Examination (SEE), is a comprehensive test designed to evaluate a candidate's knowledge and competency in taxation and representation before the IRS. Passing this exam is a requirement for obtaining enrolled agent status, which grants the ability to practice tax representation nationwide.

## Exam Structure and Content

The SEE consists of three separate parts, each focusing on different areas of tax law and practice. Candidates must pass all three parts within a two-year period to become enrolled agents. The three parts are:

- **Part 2: Businesses** - Focuses on business tax issues including partnerships, corporations, and sole proprietorships.
- **Part 3: Representation, Practices, and Procedures** - Addresses taxpayer representation, ethical standards, and procedural matters before the IRS.

Each part contains approximately 100 multiple-choice questions to be completed within a set time frame. Understanding the format and content areas is critical when utilizing free enrolled agent exam questions for practice.
