Understanding the exam structure is crucial for targeted preparation using free LMSW practice exams. The exam typically consists of 170 multiple-choice questions, with 150 scored items and 20 unscored pretest questions. Candidates are given approximately three hours to complete the test.

Exam Content Areas

The LMSW exam covers several core content areas, reflecting the competencies required in social work practice. These include human development, diversity and behavior in the environment, assessment and intervention planning, direct and indirect practice, and professional ethics and values. Familiarity with these domains helps candidates focus their study efforts effectively.

making skills relevant to social work practice.
