It is designed to assess knowledge of real estate principles, state laws, and practical application necessary for competent real estate practice. The exam consists of multiple-choice questions divided into two main portions: the national portion and the state portion.

Exam Format and Content

The exam typically includes 100 multiple-choice questions, with 80 questions focused on national real estate topics and 20 questions specific to Florida real estate laws and regulations. Candidates have three and a half hours to complete the exam. The national portion covers general real estate principles, property ownership,

contracts, financing, and real estate math, while the state portion emphasizes Florida-specific statutes, licensing requirements, and ethical standards.

licensing exam can be tough, and very nerve-wracking to prepare for. That's why we created the Florida Real Estate License Exam Prep (FL-RELEP) the way we did. Since we have been managing real estate schools and developing curriculum for forty years, we know how all this works - or fails to work. First, FL-RELEP is comprehensive. It contains both extensive content review as well as testing practice. And the text review, unlike most competing books, is Florida-specific - not just simplistic national content, but terse, relevant and accurate state and national laws and regulations presented as a set of 'key point reviews' ideal for pre-test memorization. FL-RELEP precisely follows the official 50+ page Florida syllabus topic by topic in the correct ordered sequence. Consequently, the material serves as a more user-friendly review for students who have taken pre-license courses throughout Florida containing this required content and organization. FL-RELEP's key point reviews are a succinct compression of tested national principles and practices drawn from our own Florida textbook, *Principles of Real Estate Practice in Florida* - one of the most widely used principles textbooks in Florida. Finally, our review content and question selection is tailored to follow the state testing outline promulgated by the state of Florida. A word about the tests. The FL-RELEP's test questions are designed to cover the content covered by the law reviews - which reinforces your learning of the total body of information tested by the state of Florida. The questions are direct, to the point, and designed to test your understanding. When you have completed a given test, you can check your answers against the answer key in the appendix. You may also note that each question's answer is accompanied by a brief explanation to further reinforce your understanding. In the end, as you know, it's all up to you. Unlike other publications, we are not going to tell you that using this book will guarantee that you pass the Florida state exam. It still takes hard work and study to pass. But we have done our best here to get you ready. Following that, the most we can do is wish you the best of success in taking and passing your Florida exam. So good luck!! We also sell the 540-page Florida principles textbook, *Principles of Real Estate Practice in Florida*
