

i wasn't paid for a working interview

i wasn't paid for a working interview is a concern that many job seekers face in today's competitive employment market. Working interviews are often used by employers to evaluate candidates in real job scenarios before making hiring decisions. However, the question of whether compensation is required during such interviews is a common legal and ethical issue. Understanding your rights, the laws surrounding working interviews, and how to address situations when payment is withheld is crucial for job applicants and employers alike. This article explores the legal landscape, practical advice, and steps to take if you believe you were not properly compensated for a working interview. The following sections provide a detailed overview of working interviews, wage laws, common disputes, and recommended actions.

- Understanding Working Interviews
- Legal Rights Regarding Payment for Working Interviews
- Common Reasons for Non-Payment
- Steps to Take if You Weren't Paid
- Preventive Measures for Future Working Interviews

Understanding Working Interviews

Working interviews, also known as trial work periods or job auditions, are designed for employers to assess a candidate's skills and fit in a practical environment. Unlike traditional interviews, working interviews require candidates to perform actual job duties, which can range from a few hours to several days. While these interviews provide valuable insights for employers, they create ambiguity around compensation expectations. Candidates often wonder if time spent performing job tasks during these interviews qualifies as paid work under labor laws.

Purpose of Working Interviews

The primary goal of a working interview is to observe a candidate's capabilities in real-time job situations. Employers get a firsthand look at an applicant's skills, work ethic, and interaction with team members. This method helps reduce the risk of hiring mistakes by providing practical evidence beyond resumes and traditional interviews. For candidates, working interviews offer an opportunity to showcase abilities and understand the workplace culture before committing to a full-time role.

Types of Working Interviews

Working interviews can vary widely depending on the industry and job type. Common formats include:

- Short task-based assessments lasting a few hours
- One or multiple days performing actual work duties
- Shadowing current employees while contributing to daily tasks
- Project completion under supervision

The duration and nature of the working interview often influence whether payment is legally required.

Legal Rights Regarding Payment for Working Interviews

Labor laws in the United States and many other countries provide guidelines about when an individual must be compensated for work performed, including during working interviews. The distinction between a volunteer or unpaid intern and an employee is critical in determining payment obligations. Understanding these legal frameworks helps candidates know their rights and employers meet compliance standards.

Federal and State Wage Laws

The Fair Labor Standards Act (FLSA) and corresponding state labor laws regulate minimum wage, overtime, and payment for hours worked. Under FLSA, if a working interview involves actual productive work, the candidate is generally considered an employee and entitled to at least minimum wage. Some states have additional regulations that can be more stringent. Key factors that influence this classification include the nature of the work, the benefit to the employer, and whether the work replaces regular employees.

Criteria for Paid Working Interviews

Working interviews typically require payment when:

- The candidate performs productive work that benefits the employer
- The work is not primarily for the candidate's learning or evaluation
- The duration extends beyond a brief demonstration or trial period

- The employer controls the work schedule and tasks

Failure to pay under these conditions may violate wage and hour laws.

Common Reasons for Non-Payment

Despite legal guidelines, many candidates report situations where they weren't paid for a working interview. Several reasons contribute to this problem, including employer misunderstanding, intentional avoidance, or classification disputes. Recognizing these reasons can help individuals identify when their rights may have been violated.

Employer Misconceptions

Some employers believe that working interviews are exempt from wage laws because they consider them as extended interviews or unpaid trials. This misconception can lead to refusing payment even when the work performed qualifies as compensable labor. Additionally, smaller businesses or startups may lack awareness of legal obligations regarding working interviews.

Unclear Agreements and Expectations

Often, the terms of the working interview are not clearly communicated or documented. Candidates may agree to unpaid trial work without understanding their rights or the employer's intentions. This lack of clarity can result in disputes about whether payment is owed.

Misclassification of Workers

Some employers may classify candidates as interns, volunteers, or trainees to avoid paying wages. However, if the work performed meets the criteria of employment under labor laws, this classification is invalid, and payment is required.

Steps to Take if You Weren't Paid

If you weren't paid for a working interview and believe you should have been compensated, several actions can help you address the situation effectively. Knowing the appropriate steps can protect your rights and potentially recover owed wages.

Review the Terms and Documentation

Start by reviewing any written or verbal agreements made before the working interview. Check for details about payment, duration, and job expectations. Document your work hours, tasks performed, and any communications related to the interview.

Communicate with the Employer

Contact the employer to discuss the payment issue professionally and clearly. Sometimes, non-payment results from misunderstandings or administrative errors that can be resolved through direct communication.

File a Wage Claim

If the employer refuses to pay, you may file a wage claim with your state labor department or the U.S. Department of Labor. These agencies investigate wage disputes and can enforce payment of unpaid wages if violations are found.

Seek Legal Advice

Consulting with an employment attorney can provide guidance tailored to your specific situation. Legal counsel can help determine if you have a valid claim and represent you in negotiations or court proceedings if necessary.

Keep Records and Evidence

Maintain detailed records of your working interview, including:

- Dates and hours worked
- Descriptions of work performed
- Communication with the employer
- Any agreements or job offers

These documents are crucial in supporting your claim for unpaid wages.

Preventive Measures for Future Working

Interviews

To avoid scenarios where you weren't paid for a working interview, preparation and clear communication are essential. Taking proactive steps can protect your interests and ensure fair treatment during the hiring process.

Ask About Payment Policies in Advance

Before agreeing to a working interview, inquire explicitly whether the time spent will be compensated. Clarify the duration, tasks, and expectations to establish mutual understanding.

Request Written Agreement

Whenever possible, obtain a written agreement detailing the terms of the working interview, including payment arrangements. Written documentation minimizes misunderstandings and provides evidence if disputes arise.

Know Your Rights

Familiarize yourself with labor laws applicable in your jurisdiction. Understanding when payment is legally required during working interviews empowers you to make informed decisions and assert your rights confidently.

Evaluate the Employer's Reputation

Research the potential employer's reputation regarding fair labor practices. Feedback from former candidates or employees can provide insight into whether the company respects wage laws and candidate rights.

Limit Time Spent on Unpaid Work

Avoid committing excessive time to unpaid working interviews. If a trial period extends beyond a reasonable timeframe without pay, it may be a red flag signaling potential exploitation.

Frequently Asked Questions

Am I entitled to payment for a working interview?

Yes, in many jurisdictions, if you perform work during a working interview, you must be compensated for your time and labor, as it is considered work.

under labor laws.

What is a working interview and how does it differ from a regular interview?

A working interview involves performing actual job tasks as part of the interview process, whereas a regular interview typically involves questions and discussions without performing work. Working interviews often require compensation since labor is involved.

Can an employer refuse to pay for a working interview?

Employers should not refuse payment if the working interview involves productive work that benefits the company. Labor laws in many areas mandate payment for any work performed, regardless of interview status.

What should I do if I wasn't paid for a working interview?

You should first contact the employer to request payment. If they refuse, you can file a complaint with your local labor board or seek legal advice to recover unpaid wages.

Are there exceptions where a working interview might not be paid?

Some jurisdictions allow unpaid working interviews if the work is brief, primarily for observation or training, and does not replace paid employees. However, this varies and must comply with labor regulations.

How can I protect myself from unpaid working interviews in the future?

Before agreeing to a working interview, clarify payment terms in writing. Research local labor laws and ask the employer if the working interview will be paid.

Is a working interview considered volunteering?

No, a working interview is not volunteering if you perform tasks that benefit the employer. Volunteering is typically for nonprofit organizations and not for profit-generating activities.

Can I report an employer for not paying me after a

working interview?

Yes, you can report the employer to your local labor department or wage and hour division. They can investigate and enforce payment of wages owed.

Does the duration of the working interview affect payment?

Generally, any amount of time spent performing work should be compensated. Some jurisdictions have minimum time thresholds, but it's safest to assume you should be paid for all productive work time.

Additional Resources

1. *Unpaid Work and Workers' Rights: Navigating Working Interviews*

This book explores the legal and ethical issues surrounding unpaid working interviews. It provides practical advice for job seekers on how to recognize when a working interview crosses the line into exploitation. The author also discusses workers' rights, labor laws, and ways to advocate for fair treatment in the hiring process.

2. *The Hidden Cost of Working for Free: Understanding Working Interviews*

Delving into the complexities of unpaid work during trials and interviews, this book explains the financial and emotional impact on candidates. It offers insights on how to evaluate whether a working interview is legitimate or exploitative. Readers will find guidance on protecting themselves and negotiating fair compensation.

3. *When Work Goes Unpaid: Legal Perspectives on Working Interviews*

This title provides an in-depth legal analysis of unpaid working interviews across different jurisdictions. It discusses relevant labor laws and court cases that have shaped the understanding of fair pay during trial work periods. The book is a valuable resource for both employees and employers seeking clarity on legal boundaries.

4. *Fair Pay, Fair Play: Challenging Unpaid Working Interviews*

Focused on advocacy and reform, this book encourages readers to challenge the practice of unpaid working interviews. It outlines strategies for collective action and policy change to ensure fair compensation for all workers. The author combines case studies with practical steps for activists and job seekers.

5. *Working Without Pay: Ethical Dilemmas and Workplace Exploitation*

Exploring the ethical questions raised by unpaid working interviews, this book examines the fine line between opportunity and exploitation. It discusses how power dynamics and economic pressures affect vulnerable job candidates. Readers will gain a deeper understanding of the moral responsibilities of employers.

6. *The Job Seeker's Guide to Working Interviews: What You Need to Know*

Aimed at job seekers, this guide provides clear, actionable advice on navigating working interviews. It covers how to request payment, recognize red flags, and protect oneself from unfair labor practices. The book also includes sample scripts and legal resources for candidates.

7. *Unpaid Labor in the Gig Economy: The Rise of Working Interviews*

This book situates unpaid working interviews within the broader context of gig and freelance work. It analyzes how the gig economy has blurred the lines between employment and trial work. The author offers recommendations for regulation and worker protections in this evolving landscape.

8. *From Trial to Paycheck: Transforming Working Interviews into Fair Employment*

Focusing on solutions, this book highlights companies and organizations that have successfully implemented fair working interview practices. It showcases models that ensure candidates are compensated and respected during trial periods. Readers will find inspiration and practical frameworks for ethical hiring.

9. *Speak Up: Advocating for Payment After Unpaid Working Interviews*

This empowering book teaches readers how to advocate for themselves after completing unpaid working interviews. It includes tips on communicating with employers, understanding labor rights, and seeking legal recourse if necessary. The author shares stories from individuals who have successfully fought for fair pay.

i wasn't paid for a working interview: Working Lives Arthur McIvor, 2013-07-12 A balanced and richly informed survey that investigates how, why and to what degree working lives have been transformed over the last 60 years. McIvor covers themes such as gender, race, class, disability and health in his exploration of how the meaning of employment has been signified by the workers themselves.

i wasn't paid for a working interview: Selective Mutism In Our Own Words Cheryl Forrester, Carl Sutton, 2015-12-21 An eye-opening and enlightening collection of stories from people living with Selective Mutism (SM), this book provides a much-needed platform for people with SM to share experiences of the condition in their own words. Exploring all aspects of SM, from symptoms and diagnostic criteria, to triggers and the consequences of being psychologically unable to speak, the stories in this book dispel the myths around this often misunderstood condition. Far from refusing to talk, or choosing not to, the contributors offer genuine insights into why they simply cannot speak in certain situations or in front of certain people. Children, teens and adults from the UK and US share

experiences of feeling isolated, struggling at school, and finding ways to communicate. Letting people with SM know that they are not alone with the condition, the book will also help family, friends and professionals to understand what it is like to live with SM.

i wasn't paid for a working interview: The Girl With a Thousand Interviews Giorgi Lebanidze, 2024-05-15 Hina's life takes a pivotal turn after one disastrously awkward job interview. Rather than bowing to defeat, she channels her frustration into an unexpected venture: launching a lingerie business. The Girl with 1000 Interviews is not just about the quirky business of fashion; it's a journey of resilience and audacity. Hina sets an unusual goal for herself: to endure 1000 job interviews. This quest, stemming from her initial failure, becomes the backbone of a narrative rich in humor and personal growth. As she tackles each new challenge, Hina discovers that the world of entrepreneurship is as unpredictable as it is thrilling. Throughout her adventure, Hina encounters a colorful cast of characters who challenge her perceptions and push her boundaries. From deceptive competitors to unexpected allies, her path is strewn with encounters that test her resolve and sharpen her business acumen. Each interview and interaction weaves a larger story of a woman learning to stand firm in the face of adversity. As the stakes grow, so does Hina's determination. The business world's harsh realities clash with her vibrant creativity, leading to conflicts that draw her unwittingly into deeper waters. What begins as a light-hearted expedition through the realms of fashion and business gradually reveals itself as a more complex narrative, blending elements of thriller and mystery. The Girl with 1000 Interviews explores themes of self-discovery, the relentless pursuit of goals, and the transformation of personal setbacks into opportunities for growth. Hina's story is a testament to the power of persistence and the unexpected doors that can open when life's plans go awry. This novel is a unique blend of wit, suspense, and heartfelt drama. It invites readers into a world where everyday challenges are met with extraordinary responses and where a simple job interview can lead to a life-changing journey.

i wasn't paid for a working interview: The Fight Against Child Trafficking Élisabeth Narminio, 2023-03-23 This book analyzes the contemporary effects of anti-trafficking policies on children trafficked for labour. It explores different dimensions of private and public apparatuses through which the governmentality of child trafficking manifests itself at a regional and interregional level. It investigates questions linked to the diffusion of the child trafficking norm between and within regions and stakeholders; to the criminalization and vulnerabilization of child traffickees; and to private governance of anti-trafficking initiatives, in particular concerning social sustainability of business supply chains. Drawing on extensive fieldwork with government, police, justice, civil society, multilateral organizations, and businesses in the EU and in ASEAN, the book argues that child traffickees are subjected not only to physical and psychological violence but also to structural violence. The book concludes with suggestions to improve current anti-trafficking regimes. This book will be of key interest to scholars, students, and practitioners in EU Studies, Southeast Asian Studies, Regionalism, Human Rights, Law, International Relations, and International Political Economy. Chapters 3, 6, and the Conclusion of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-Non Commercial-No Derivatives (CC-BY-NC-ND) 4.0 license.

i wasn't paid for a working interview: Manifest Destiny #27 Chris Dingess, 2017-03-15 Lewis & Clark have lead their forces halfway across America, but their mistakes have finally caught up to them. For instance, what happens when the flora infect a buffalotaur? Utter chaos.

i wasn't paid for a working interview: Tempt Me Liz Levoy, 2020-11-10 I have everything that I could possibly want in my whole life. Money, a business, and all the women I could possibly want. They throw themselves at me all the time... Yet none of them affect me like Jennifer does. From the very first moment that she walked into my office, wanting a job, I was gripped. The more I get to know her, the more intrigued I become. Even if I never fool around with women in the workplace, she's almost too tempting for words. But she doesn't want to know. She keeps rejecting me, keeping her walls up high, and I have a feeling that it's linked to secrets. Yet I always get what I want and the more she pushes me away, the more I want Jennifer. I just can't help myself.

i wasn't paid for a working interview: Half the World Are Squirrels and the Rest Are Nuts Pierre Havre, 2008-11

i wasn't paid for a working interview: Digital Work and Digital Workers in Europe and China Laurence Roulleau-Berger, Wen Jun, 2025-08-15 This book is a study of digital workers across diverse contexts in China and Europe, giving valuable insight into their origins, abilities, and working conditions. As the growth of digital work changes the nature of work and employment, and the consequences of this for individual workers, this book considers the shift of much economic activity to online activity, examines increasing economic globalization that involves a new global division of labour, with novel forms of global capitalism, and emphasises the fact that increasingly work for many people is now digital work. It highlights the consequences of this shift, which include the casualisation of work, new subaltern labor, and the precarity of employment contracts -whether as self-employment or digital wage - and the relations between digital work, globalization and emotional capitalism. It discusses how new forms of labour exploitation and how individual and collective mobilizations are emerging, how specific groups such as migrants are especially vulnerable and how these new forms of capitalism and of working are leading to a rearrangement of the geographical structure of the world economy, with notable consequences for Asia and other non-Western regions. Broadening the global understanding of the evolving nature of work in the digital age, this book will be of interest to students and scholars of the sociology of work and economic sociology, as well as digital sociology.

i wasn't paid for a working interview: No Turning Back Donald H. Calloway, MIC, 2019-06-27 For the past 10 years, the story of Donald Calloway's journey from runaway teen to Marian priest has touched the hearts and changed the lives of thousands of people. Now, in this 10th anniversary edition of No Turning Back, the Very Rev. Fr. Donald Calloway, MIC, looks back on the past decade in a new introduction to this Christian classic, a perennially powerful witness to the transforming grace of God and the Blessed Mother's love for her children. His witness proves a key truth of our faith: Between Jesus, the Divine Mercy, and Mary, the Mother of Mercy, there's no reason to give up hope on anyone, no matter how far they are from God.

i wasn't paid for a working interview: Dealing with and Overcoming the Trials and Tribulations of Life Dr. Rodwell Rillen, 2019-09-11 The information in the book is intended to enlighten young people about the trials and tribulations in one's life and how to deal with them by learning from the experiences of others to be successful in life and, when the chips are down, to continue to focus on one's career goal/s to uplift oneself and keep going until that goal is met. Too many of our young people want too many things too fast in life without putting in the hard work. Corruption is the word of today, and young people have to believe in themselves to go down the straight and narrow road in life but with the help from others and some type of spiritual belief to receive that help. It is for them to understand that the devil is a busy guy and loves to see bad things happen to people, even though such things can turn out to be lucrative but they never last and just make one's life miserable.

i wasn't paid for a working interview: Since I Met You Liz Levoy, 2021-02-23 Book 1: Tempt Me I have everything that I could possibly want in my whole life. Money, a business, and all the women I could possibly want. They throw themselves at me all the time... Yet none of them affect me like Jennifer does. From the very first moment that she walked into my office, wanting a job, I was gripped. The more I get to know her, the more intrigued I become. Even if I never fool around with women in the workplace, she's almost too tempting for words. But she doesn't want to know. She keeps rejecting me, keeping her walls up high, and I have a feeling that it's linked to secrets. Yet I always get what I want and the more she pushes me away, the more I want Jennifer. I just can't help myself. Book 2: Irresistible Boss Rose Chavez has debts, a sick father and a sister who does not want to grow up. When her friend Norah finds the right job offer for her, she cannot really turn it down. The company unfortunately belonged to the attractive but arrogant millionaire Michael Boyd, who had an affair with Norah while she was a student and who Rose cannot stand. Contrary to her expectations, she gets the job and to her horror she must realize that Michael Boyd is now beginning

to take an interest in her. Will Rose be able to resist the advances of a man she cannot stand? Book 3: *Threatening Proximity* June Morris is a former Marine and recently started working as a bodyguard. Her first client, the arrogant lawyer Daniel Ward, who has become the victim of a threat, does not take her seriously at first, but is forced to cooperate with her. Little by little Daniel discovers that June is a real professional who knows better than him how to assess the situation he is in. June, on the other hand, gets to know in Daniel a capable and correct lawyer, who also has a warm human side. After the initial mistrust between the two has turned into mutual respect, June finds to her dismay that Daniel begins to develop feelings towards her. Is June able to resist his advances and does she manage to eliminate the threat she was hired for in the first place? Book 4: *For the Love of the Game* Hollywood actor Vit Salas, a heavily wealthy bad boy, has his mind set on conquering basketball player Blair Golden. As her team faces the finals of the WNBA playoffs, he offers her \$4 million if she doesn't score 36 points. Although she finds his offer absurd, she manages to help her team to win without scoring the number of that many points. Vit Salas wants to pay her the money and invites to dinner. But Blair doesn't trust the Hollywood actor. She vows not to fall for him, but Vit is persistent and he is not swayed by her brusque rejections. Will Blair manage to keep her feelings under control and resist Vit's constant advances? And what is Vit actually up to? Is he serious or is he just playing games?

i wasn't paid for a working interview: Autistics at Work Sandra Thom-Jones, 2025-09-16 Sandra Thom-Jones has tried all kinds of work—selling flowers, tending bar, office work, university leadership. Along the way she has made some mistakes, had some successes, and learnt a lot about the barriers and facilitators for autistic people building a career in a predominantly neurotypical work environment. Thom-Jones shares her personal experiences and reflections as well as those of her colleagues, providing insights into the challenges and benefits of both being and working with an autistic employee, co-worker and employer. *Autistics at Work* is also informed by two decades of study into the autistic experience, and covers all aspects of the employment journey, from entering the workforce to senior leadership. *Autistics at Work* is essential reading for autistic individuals who are in, or considering entering, the workforce. It is also an invaluable resource for managers, colleagues, employers and employment professionals. This accessible guide includes tools and activities, and each chapter concludes with practical advice for autistic employees and their non-autistic colleagues and employers. We shouldn't be asking what jobs are suitable for autistic people, but how can we make this job suitable for this autistic person?

i wasn't paid for a working interview: How to Survive Your First Job or Any Job Ricki Frankel, 2009-03-01 In this informational and necessary book, hundreds of gainfully employed young people detail their experiences launching their careers. They offer real-world tips and advice on looking for and landing a first job, doing well at work, and simply hanging in there. Their stories cover the gamut of work life — dealing with difficult bosses, weird coworkers, less-than-ideal environments and tasks, and climbing up (or slipping down) the corporate ladder, from those who have been there, done that, and lived to tell about it.

i wasn't paid for a working interview: Partnership and the High Performance Workplace Andy Danford, Mike Richardson, Paul Stewart, Stephanie Tailby, Martin Upchurch, 2005-08-02 The promotion of workplace partnership in the high performance workplace has become central to policy debates on the 'modernization' of employment relations in British industry. This book provides critical insights into the dynamics of partnership by way of in-depth case studies of employee experience in an under-researched industry noted for its high concentrations of skilled workers and graduates. Drawing on rich interview and questionnaire data, the authors highlight considerable conflicts of interest in the development of partnership that derive from the competitive capitalist environment in which management strategies operate.

i wasn't paid for a working interview: One Life Rod Vincent, 2022-07-21 The Offset Alpine burnt-out building, the Accounts Dept with Judy, and Rod holding what was left of a monitor, on Christmas morning, 1993.

i wasn't paid for a working interview: Sweaty Palms H. Anthony Medley, 2005-05-19 A newly

updated edition of the comprehensive guide to job interviews that has over a half million copies in print, *SWEATY PALMS* teaches readers everything they need to know in order to land the job of their dreams. Whether a first-time job seeker searching for that elusive entry-level position or a seasoned employee facing tougher and tougher competition in a difficult economy, *SWEATY PALMS* takes readers through each step of the interviewing process, from preparation to dress to negotiating an offer. Including hundreds of interview questions and sample answers, *SWEATY PALMS* prepares job seekers for even the wildest interviewer. H. Anthony Medley, who has interviewed countless job seekers over the years, offers readers an honest view from the other side of the desk. He draws on a wide variety of sources, from celebrities discussing how they got their jobs, to employers revealing what they look for in an ideal candidate. This new edition of *SWEATY PALMS*, which has been a vital tool in the job-interview market for decades, reflects cutting-edge changes to interviewing, including the pros and cons of e-mail resumes, thank-you notes, proper dress in the corporate-casual age, and the unique challenges of landing a job in the 21st century.

i wasn't paid for a working interview: *Faith and Fate* Emily Thorne, 2014-04-23 Lucy is a competitive mixed-race girl left for adoption in an Eastern European orphanage. As being the only colored child she faces discrimination and abuse, which leads to only one thing; finding her real parents. She is determined that the day will come and in mean time she refuses to be adopted by anybody. She is stubborn, but with great heart which leads of her helping the elderly people in the village and in return she gets rewarded with treats. The time however has come when she finally have to leave the village and the orphanage she only knew, for a life full with challenges ahead in the capital city, where a future meeting with her mother will shape her destiny. She will learn the truth about her father, but will anyone believe her! She's got nothing to lose, but fight to prove that in fact it was him, the former President of State- her father.

i wasn't paid for a working interview: *Get Money for Your Classroom* Barbara Gottschalk, 2017-11-10 Do you have a great teaching idea but no way to pay for it? No problem! A successful grant proposal can be the answer. *Get Money for Your Classroom* guides you through each step of the grant-writing process, answering common questions and providing examples from real, successful grant proposals. The first half of the book breaks down the nuts and bolts of a grant application; the second half introduces the author's MONEY TALKS acronym to illustrate ten important tips for writing a successful grant application: M: Make Time T: Tell a Story O: Obey the Application Rules A: Ask for Action Items N: Never Start New L: Learn What's Funded E: Everybody Involved K: Keep Trying Y: Youth Input S: Show Sustainability Each chapter is full of examples—what to do and what to avoid—from the author's own grant applications. The book's appendix includes a list of national and regional grant programs appropriate for teachers. These helpful resources and the author's practical advice will give you the confidence and motivation to start applying on your own!

i wasn't paid for a working interview: *No Turning Back* Donald H. Calloway, Fr., MIC, 2010-01-15 Many who know of Fr. Donald know him because of his conversion story. He has spoken of it at conferences, on television, radio, online, and wherever he can spread the message. This book finally captures in print how Divine Mercy, through the intercession of the Blessed Mother, touched his life. In his own words, *No Turning Back* recounts Fr. Donald's personal story of conversion after reading a book about Our Lady. Though today he is a devout Catholic Marian priest, Fr. Donald's early years were no indication of what was to come. Before his conversion to Catholicism, he was a high school dropout who had been kicked out of a foreign country, institutionalized twice and thrown in jail multiple times. Discovering a book on Our Lady led to his conversion and ardent love of Mary and the Church.
