

# i passed my cna exam now what

**i passed my cna exam now what** is a common question among newly certified nursing assistants eager to embark on their healthcare careers. Successfully passing the CNA exam marks a significant milestone, but it is just the beginning of a professional journey that includes certification, job searching, continuing education, and career advancement. Understanding the next steps after passing the CNA exam is essential for making the most of this achievement. This article will provide detailed guidance on what actions to take following exam success, including how to obtain official certification, secure your first job, and prepare for future opportunities in the nursing field. Whether the goal is to work in a nursing home, hospital, or other healthcare settings, knowing the proper steps after passing the CNA exam can ensure a smooth transition into the workforce. The following sections cover certification processes, employment strategies, legal considerations, and professional development options to help newly certified CNAs confidently advance their careers.

- Understanding CNA Certification and Registry
- Finding Employment Opportunities as a CNA
- Preparing for Your First CNA Job
- Continuing Education and Career Advancement
- Legal and Professional Responsibilities

## Understanding CNA Certification and Registry

After passing the CNA exam, the immediate priority is obtaining official certification and getting listed on the state CNA registry. Certification confirms that the individual meets all state requirements to work legally as a nursing assistant. The certification process varies by state but generally involves submitting proof of passing the exam along with any additional documentation required by the state's nursing board or health department.

## State CNA Registry Enrollment

The CNA registry is a state-maintained database that records all certified nursing assistants authorized to practice within that state. Being listed on this registry is mandatory to obtain employment in most healthcare facilities. After passing the exam, candidates must ensure their names appear on the registry, which typically happens automatically or upon submitting a certification application. Employers often verify CNA registry status before hiring.

## **Receiving Your CNA Certificate**

Once the state processes your certification application, you will receive an official CNA certificate or license. This certificate serves as legal proof of your qualifications and should be kept in a safe place. It is often required when applying for jobs and may need to be presented during onboarding or orientation at your new workplace.

## **Renewal and Maintenance of Certification**

CNA certification is not permanent and requires renewal at regular intervals, typically every two years. Renewal requirements often include completing a minimum number of work hours as a CNA and sometimes additional continuing education credits. Staying informed about renewal deadlines and requirements is critical to maintaining active certification and employment eligibility.

## **Finding Employment Opportunities as a CNA**

With certification in hand, the next focus is on securing employment. The demand for certified nursing assistants remains strong across various healthcare settings, making job hunting a structured process that involves research, application, and interview preparation.

## **Types of Healthcare Facilities Hiring CNAs**

CNA jobs are available in a wide range of environments, each with unique responsibilities and work cultures. Common employers include:

- Nursing homes and long-term care facilities
- Hospitals and acute care centers
- Assisted living communities
- Home health care agencies
- Rehabilitation centers

Understanding the differences between these settings can help target applications to the best fit for career goals and personal preferences.

## **Effective Job Search Strategies**

Job searching for a CNA position involves multiple approaches to maximize opportunities:

- Utilizing online job boards and healthcare-specific employment sites

- Networking with healthcare professionals and instructors
- Contacting local healthcare facilities directly
- Attending job fairs and recruitment events
- Using social media platforms to connect with hiring managers

Tailoring resumes and cover letters to highlight CNA certification and relevant skills enhances the chances of securing interviews.

## **Preparing for CNA Job Interviews**

Interview preparation should focus on demonstrating knowledge of CNA duties, interpersonal skills, and commitment to patient care. Candidates should be ready to discuss clinical skills, teamwork experiences, and scenarios involving patient interaction. Professional appearance and punctuality are also critical during interviews.

## **Preparing for Your First CNA Job**

Starting the first CNA position requires preparation beyond securing employment. Understanding workplace expectations, continuing to develop skills, and adapting to the healthcare environment contribute to success on the job.

## **Orientation and Training at the Workplace**

Most healthcare employers provide new CNAs with an orientation program that covers facility policies, patient care protocols, safety procedures, and documentation practices. Participating actively in orientation helps new CNAs integrate smoothly and learn specific workplace standards.

## **Essential Skills for New CNAs**

While the certification exam tests fundamental knowledge and skills, real-world practice demands additional competencies, including:

- Effective communication with patients and healthcare teams
- Time management and organizational skills
- Attention to detail in following care plans
- Physical stamina for patient handling and long shifts
- Emotional resilience and empathy

Continuous learning and seeking mentorship during the initial months on the job are beneficial for skill enhancement.

## **Professionalism and Workplace Conduct**

Maintaining professionalism is essential for career longevity. This includes respecting patient privacy, adhering to ethical standards, following infection control protocols, and demonstrating reliability. Positive attitudes and teamwork contribute to a supportive work environment.

## **Continuing Education and Career Advancement**

Passing the CNA exam is the first step in a lifelong healthcare career. Many CNAs choose to pursue further education and certifications to advance professionally and increase earning potential.

## **Continuing Education Requirements**

Many states require CNAs to complete continuing education units (CEUs) to renew certification. These courses keep CNAs updated on best practices, new healthcare regulations, and emerging patient care techniques. Topics may include infection control, dementia care, and emergency procedures.

## **Advanced Certifications and Specializations**

CNAs can enhance their qualifications by obtaining specialized certifications such as:

- Certified Medication Aide (CMA)
- Geriatric Nursing Assistant (GNA)
- Restorative Nursing Assistant
- IV Therapy Technician

These specializations open doors to higher responsibilities and specialized care roles.

## **Career Pathways Beyond CNA**

Many CNAs use their experience as a foundation for advancing into other nursing roles. Typical pathways include pursuing Licensed Practical Nurse (LPN) or Registered Nurse (RN) education programs. Some employers offer tuition assistance or flexible scheduling to support further education.

# **Legal and Professional Responsibilities**

Understanding legal and ethical responsibilities is crucial for all CNAs to ensure safe and compliant patient care.

## **Scope of Practice**

CNAs must work within their legally defined scope of practice, which includes basic nursing care and assistance with daily living activities but excludes advanced medical procedures. Awareness of scope boundaries protects both patients and CNAs from legal issues.

## **Patient Rights and Confidentiality**

Respecting patient rights, including privacy and informed consent, is mandatory. CNAs must adhere to HIPAA regulations and facility policies to maintain confidentiality of patient information.

## **Reporting and Documentation**

Accurate and timely documentation of patient care activities and reporting any changes in patient condition to supervisors ensure continuity of care and legal compliance. CNAs should understand proper documentation standards and the importance of clear communication with the healthcare team.

## **Frequently Asked Questions**

### **What are the next steps after passing my CNA exam?**

After passing your CNA exam, you should apply to be listed on your state's Nurse Aide Registry, start applying for CNA jobs, and consider gaining experience in healthcare facilities to build your skills.

### **How do I get my CNA certification after passing the exam?**

Once you pass the CNA exam, your testing agency will submit your information to your state's Nurse Aide Registry. You will receive your official CNA certification card or number, which you can use to prove your qualification for employment.

### **How long is my CNA certification valid?**

CNA certification is typically valid for 2 years, but this can vary by state. You must complete any required continuing education and work a minimum number of hours to renew your certification on time.

## **Should I specialize or continue education after becoming a CNA?**

Yes, many CNAs choose to specialize in areas like geriatrics or hospice care or pursue further education such as LPN or RN programs to advance their nursing careers.

## **Can I work as a CNA immediately after passing the exam?**

You can start working as a CNA once you are listed on your state's Nurse Aide Registry and have received your certification. Some employers may require additional orientation or background checks before starting work.

## **What types of jobs can I apply for with my CNA certification?**

With your CNA certification, you can apply for positions in hospitals, nursing homes, assisted living facilities, home health care agencies, and rehabilitation centers.

## **How do I maintain my CNA certification?**

To maintain your CNA certification, you must meet your state's requirements, which typically include completing a certain number of work hours and continuing education credits within a renewal period.

## **Is it necessary to have a resume and references after passing the CNA exam?**

Yes, having a professional resume highlighting your CNA certification, clinical experience, and any relevant skills along with references can improve your chances of securing a job.

## **What should I expect during my first CNA job?**

During your first CNA job, expect to assist patients with daily living activities, work closely with nurses and healthcare staff, follow safety and hygiene protocols, and continue learning on the job to improve your skills.

## **Additional Resources**

### *1. Next Steps After Your CNA Certification: Building a Successful Career*

This book guides newly certified CNAs through the initial stages of their healthcare careers. It covers essential topics such as job searching, resume building, and effective interviewing techniques. Readers will also find advice on navigating workplace dynamics and continuing education opportunities to advance their career.

### *2. The CNA's Guide to Practical Skills and Professional Growth*

Designed for CNAs who have just passed their exam, this book emphasizes the development of hands-on skills necessary for day-to-day patient care. It also explores strategies for professional development, including communication, teamwork, and ethical considerations in healthcare settings. The book aims to boost confidence and competence in new CNAs.

### *3. From Exam to Employment: Transitioning into Your CNA Role*

This resource helps bridge the gap between certification and employment, offering insights into what to expect in the workplace. It includes tips on adapting to different healthcare environments, managing stress, and building positive relationships with patients and colleagues. The book also touches on career pathways and specialization options for CNAs.

### *4. Mastering the CNA Role: A Handbook for New Healthcare Assistants*

Focusing on the responsibilities and challenges of a CNA, this handbook provides practical advice on patient care techniques, safety protocols, and legal considerations. It is a valuable tool for new CNAs seeking to excel in their roles and deliver high-quality care. The book also includes real-life scenarios to prepare readers for common workplace situations.

### *5. Career Advancement for CNAs: Beyond the Basics*

This book is tailored for CNAs looking to expand their skills and advance within the healthcare field. It discusses continuing education options, certifications, and pathways to becoming an LPN or RN. Readers will find motivational tips and guidance on setting career goals and achieving long-term success.

### *6. Effective Communication and Compassion for CNAs*

Highlighting the importance of interpersonal skills, this book helps CNAs develop empathy and effective communication with patients and healthcare teams. It offers practical techniques for handling difficult conversations, managing emotions, and providing emotional support. The content is aimed at enhancing patient satisfaction and CNA job fulfillment.

### *7. Workplace Survival Guide for New CNAs*

This guide prepares newly certified CNAs for the realities of working in fast-paced healthcare environments. Topics include time management, handling difficult patients, workplace ethics, and self-care strategies. The book is a comprehensive resource to help CNAs maintain professionalism and well-being on the job.

### *8. Understanding Healthcare Settings: A CNA's Perspective*

This book explores the various healthcare settings where CNAs work, such as hospitals, nursing homes, and assisted living facilities. It explains the distinct roles and expectations in each environment, helping new CNAs choose the best fit for their skills and interests. The book also covers interdisciplinary collaboration and patient care standards.

### *9. Continuing Education and Certification for CNAs: Your Path Forward*

Focusing on lifelong learning, this book outlines the benefits and options for CNAs seeking additional certifications or specialized training. It provides information on state requirements, online courses, and professional organizations. The book encourages CNAs to stay informed and proactive in their professional development.

**i passed my cna exam now what:** *The Life and Times of the Immigrant Nurse in the Usa* Pauline Esoga, 2020-05-06 This story takes place in a small village in Nigeria, where Ngozi was born. Her father, a truck driver by profession with no formal education, but had the opportunity of traveling outside his village, town and country. He knew the merits of having an education and career, and made a decision to ensure that all his children become educated, even against the cultural norm of his time. Ngozi witnessed her father, a man endowed with great wisdom and communication but, struggled with communicating in English language both verbally and written. On one such occasion, he was denied his meager salary due to his inability to sign his pay check. Ngozi was determined not to find herself in such situation, will do anything within her strength good education. She did not allow any challenges, no matter what, to stand between her and her goals. Whenever any challenges came her way, she would immediately and positively find an alternative means of forging ahead. Her energy was geared toward always positive outcomes. In her education, marriage, and career, positive energy was all she required to overcome the difficulties and challenges before and after her migration to the USA to seek a better life. A lot has been documented as to the reasons behind global nurse migration—the “pull and push” factors—but for her, the decision to overcome obstacles as well as the strength and willingness to sacrifice and achieve her goals, constitute the push behind her move. Above all, Ngozi believe that whatever successes or failures encountered in her migration, her firm belief is that God had a purpose for her life .This belief is rooted in: Jeremiah 29:11. For I know the plans I have for you, declares the LORD, plans for welfare and not for evil, to give you a future and a hope.” (NIV).

**i passed my cna exam now what: The Story of Me a Black Nurse** Diane Jones, 2011-03-10 This narrative is about the personal struggles of being a Black Woman and being a Black Professional in a society that is still bound with racial and gender bias. Her stories navigate you through the career of a young woman who has hopes, dreams, needs, a purpose and aspirations but she faces constant opposition to fulfilling and attaining these basic human requirements. Like so many people of color before her, she achieves a certain measure of success but the measure of success is minor compared to what she must do to achieve it. It is a reflection of the despair she was feeling when she wrote it but does not fully reveal the appreciation, compassion and love that she has for mankind. It is time for a change!

**i passed my cna exam now what: How We Die Now** Karla Erickson, 2013-09-27 As we live longer and die slower and differently than our ancestors, we have come to rely more and more on end-of-life caregivers. These workers navigate a changing landscape of old age and death that many of us have little preparation to encounter. How We Die Now is an absorbing and sensitive investigation of end-of-life issues from the perspectives of patients, relatives, medical professionals, and support staff. Karla Erickson immersed herself in the daily life of workers and elders in a Midwestern community for over two years to explore important questions around the theme of “how we die now.” She moves readers through and beyond the many fears that attend the social condition of old age and reveals the pleasures of living longer and the costs of slower, sometimes senseless ways of dying. For all of us who are grappling with the “elder boom,” How We Die Now offers new ways of thinking about our longer lives.

**i passed my cna exam now what: Exam Cram for NetWare 5 Administration CNE/CNA** Barry Shilmover, Doug Bamlett, 1998-11-30 This is the first and last book users will need to read

before they take the certification exam for NetWare 5 administrators--one of five core requirements for all new Certified Novell Engineers. Ed Tittel guides readers through the entire NetWare 5 network from the administrator's viewpoint. Cover Title

**i passed my cna exam now what: A CNA's Experience** D'Albert Marsh, 2023-02-09 The purpose of this book is to inform readers about the role, responsibilities, and real life experiences of being a Certified Nurse's Aide. A CNA's job is often demanding, physically and mentally challenging and emotionally draining. It is a job that will present you with many challenges and obstacles. If you are seeking a job that will make you rich, being a CNA is not the job for you. However, if you have a genuine desire to help people when they are most in need, being a CNA could be the right fit for you.

**i passed my cna exam now what: The Foreseeable Future** Emily Adrian, 2018-05-08 Audrey Nelson is planning for her future after graduation, but she has no idea her future contains a swoony summer romance, Internet fame, or a nursing home. Audrey's life has been planned out for her since she was born, and now she's supposed to attend Whedon College in the fall, where both of her parents work. But Audrey has a different plan in mind: She's not going to attend college at all. She's going to earn some money and move to Seattle, the city she's loved since she was a child. And the best way to earn that money is by working the night shift at the local nursing home. Seth O'Malley works there, too, and a romance quickly blossoms between them. But things get complicated when Audrey saves the life of Cameron Suzuki, Seth's ex. A video of her performing CPR at the beach goes viral, and suddenly, Audrey's wanted for TV interviews and newspaper articles. And just when Audrey starts to love life at the nursing home--and life with Seth--Seattle comes knocking. Does she follow the path she set out for herself, even when it means leaving behind Seth and the cast of quirky patients she's come to care for? Or does she embrace a future with Seth--at least for the foreseeable future--at the cost of abandoning her dreams?

**i passed my cna exam now what: Simple Happiness Is Just a Couple Ideas Away** Nathaniel Pheng,

**i passed my cna exam now what: My Truth Uncensored** Nicole Djobet, 2022-12-29 The Lord says, Come unto me all you that labor and are heavy laden and I will give you rest. Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and you shall find rest unto your souls. I can remember looking in the eyes of the people who hurt me in the past, and it was as if my hopes and dreams were shattered at that moment by people who I trusted. All I could think about was revenge. I didn't know how to forgive, and by the time I knew it, I was addicted to sex. I thought it was love, but it was only lust. Until I found Jesus, I didn't know how to break free from my addiction, and I didn't forgive anyone. My soul was not at rest. Since I've been saved, I've been set free from many addictions, and I have forgiven many people for the wrong they caused me. Now I have the tools I need to fight the enemy, and that's the Word of God. My life and my purpose were at stake. The Lord has defeated my enemy, and He is always working on me. If I can come out of darkness, so can you. Seek God, and He will direct your path always.

**i passed my cna exam now what: CNA Exam Prep 2025-2026** Joseph Tony Welch, 2025-01-08 Are you aiming to excel in your 2025 CNA exam and build a rewarding career as a Certified Nursing Assistant? CNA Exam Prep 2025: Ace Your Certified Nursing Assistant Certification with 750 Practice Questions delivers exactly what you need to approach your test day with confidence. for success in today's healthcare field. With this comprehensive guide, you can develop the competence and confidence to serve patients safely, communicate clearly, and meet the professional standards of a Certified Nursing Assistant. Begin your path toward certification excellence with guidance that supports both exam readiness and practical performance.

**i passed my cna exam now what:** Bent but Not Broken Corine Smith Ford, 2022-12-28 My parents sharecropped for many years and owned a corner grocery store where my father bootlegged alcohol for a living. As a child, my brothers would plow many acres of land. They would start at sunup and work until sundown. Most of the time, after plowing the land, they would have to plant the crops. Back then, the crops consisted mostly of cotton. Us girls had to help chop and pick cotton and strawberries. Every year we were kept out of school to work in the fields until all the crops were gathered, and then we would go off to school wearing hand-me-downs. Momma had that look of helplessness again every year when we would hear the owner say to my father either, You are in the red, or We just broke even. One thing was for sure: we always had a really good Christmas dinner. We would have a big, fat homegrown roasting hen with cornbread stuffing, homegrown collard greens, okra, and homemade pies. One of Momma's favorites was the lemon pie. We really didn't know we were poor because we never went hungry. In my teens, I was attacked by a young man and feared for my life. After that attack, I started looking for love and acceptance in all the wrong places. These experiences left me Bent but Not Broken. God kept me. 2

**i passed my cna exam now what:** 101 Overcomers' Rhema Loaded with Daily Benefits Akintayo Emmanuel, 2024-12-20 From the garden of Eden where our Lord Jesus Christ called out to Adam and said, Adam, where art thou? to the new Jerusalem city where the Spirit and the bride say, Come, the Lord Jesus Christ has been yearning to bring man back into union with His eternal life. 101 Overcomers' Rhema Loaded with Daily Benefits is not a daily devotion but God's Word spoken by the Spirit of God directly to the humble and meek reader, especially those who are desperately hungry and thirsty for Jesus. Eating this Word means you are becoming like Jesus, the bread of life, the divine flesh and blood known as the Word made flesh. Those who eat this Word will receive the life of God (Zoe) in an abundant measure and become an overcomer that sits with Jesus Christ in His throne. The wonderful tree of life, that metamorphosized to trees of life, only grows and bears its fruit by the banks of the river of life (the Holy Spirit). The tree of life (the Word) grows out of the river of life (the Holy Spirit), signifying that the life of the tree is derived from the life of the river of life. All who would be trees of life must first access the river of life. These kinds of people are God's overcomers, a Joel's strong army, a people with the nature and the more excellent ministry of Jesus Christ. Hitherto, cherubims with a flaming sword guarded the way to the tree of life at the garden of Eden to prevent man from entering the garden, but now through the cross of Jesus Christ, the cherubims have been removed, the flaming sword has been sheathed, the wall has been broken down, the handwriting of ordinances that was against us has been taken out of the way, the gates of the holy city have been swung wide open--never to be closed again--the pathway has been bathed in brilliant light, and upon entering the city, there is no longer a tree of life, but trees of life,--a whole vast forest of them--super-abundant, complete and perfect overcomers: a Christlike people who will sit alongside Jesus Christ on His throne reigning forever with him. My family and I are eternally grateful to Jesus Christ to be a part of these overcomers. As you are about to open the pages of this book, rejoice in the Lord because you are also an overcomer alongside Jesus Christ.

**i passed my cna exam now what:** Water Polo Whiz Chuck Hines, 2014-10-09 The leading character, Sandy Scott, a strong swimmer, leaves his home in the mountains of Western North Carolina and enters college in California to learn the sport of water polo. Six years later, he returns home and revives a defunct water polo program at his local YMCA, working with young eleven- and twelve-year-olds. The book follows his trials and tribulations as he takes his team of boys and girls to tournaments in Pennsylvania and Colorado. There is a family element in the story as well as a secondary love interest. Although fictional, the novel is based on some of the author's actual experiences.

**i passed my cna exam now what:** Survivor Vaughn Ripley, 2010-11-15 On January 3, 1987,

teenager Vaughn Ripley receives what seems to be a death sentence. A lifelong hemophiliac, he has been infused with tainted blood and is found to be HIV+. In this memoir, Ripley not only recounts his life living with severe physical ailments, but also details his fight to live. Survivor follows him as he receives his fateful news and examines how this single piece of information pushes the innocent boy headlong into a hard life of drugs and alcohol. After several years and many near-death incidents, he finally overcomes the drug addiction and tries to create some semblance of life out of the resulting carnage. He describes how he turned his life around to become a professional database administrator, how hemophilia contributed to his tendency toward being an adrenaline junkie, and how medical advances allowed Ripley and his wife to become parents. His story is one of courage and tenacity, as he demonstrates the will to face the world head-on and overcome the physical ailments in order to lead an active, productive, and positive life.

**i passed my cna exam now what:** *I Married an Angel, and Now She's in Heaven* Dr. Raymond Broz, 2013-09-09 This is a true story of my wonderful marriage, and the people involved are still alive except for Dorothy. Before I retired I was able to buy our lake home in Lac du Flambeau, Wisconsin, and Dorothy would spend summers there with our two youngest children. This was lake property ceded from the Chippewa Indians and had been owned by Dorothy's aunt. After my retirement this became our permanent home for next thirty years. People there call it God's country, because it is so peaceful and quiet except in the summer with the influx of tourists. For one of the Fourth of July parades in the town, the Broz clan of about twenty joined in. With our yellow T-shirts and our family tree on the back, we all had kazoos, making music as we marched along. We won first prize. Perhaps some day we might have a St. Dorothy of Lac du Flambeau.

**i passed my cna exam now what:** *Hello Alzheimer's Good Bye Dad* Fay Risner, 2008-09 Follow Bill Bullock's ten year battle with Alzheimer's disease as chronicled in his daughter's journal. With all that Alzheimer's tossed Bill's way as he and his family struggles with this disease, his wife, Sylvia, stands out for her strength, courage and determination to take care of Bill to the end and against all odds. This story is an awareness and education for people interested in Alzheimer's disease with helpful tips for caregivers through out the book.

**i passed my cna exam now what:** *Bodies & Souls* JL ANDREWS, 2009-09-04 Georgia Jordan has a wonderful life just as her father always told her that she would. She comes from small town in Michigan. She has one older sister Crystal and one younger brother Eric. George, as her family calls her is shy and her family pushes her to be more outgoing. Crystal takes her everywhere she goes. Eric tries to teach her baseball. To understand the extent of this family's closeness will explain the level of devastation that George and Crystal experience when their parents and brother are killed in a car accident just hours after Crystal gets married. George lives in fear of being left alone in this world. She is seventeen years old and still in high school. Crystal and Her new husband Ken stay with George and together start to move forward in life. George has a best friend, Tim Wright. Tim has loved George almost from the day he met her. George thinks of them as best friends. She is always looking for the love of her life. That is until she meets Kyle Johnson. Kyle is good looking, smart and popular. He is also a jerk. They break up and just when George starts to move on, Kyle returns. They get engaged just before Kyle leaves to join the army. She is devastated and once again Tim is there to pick up the pieces. They become very close until Tim makes a big mistake and ruins their friendship. It is now Tim that is literally dying of a broken heart until George comes to his rescue. She figures out that she has feelings much deeper for her friend than she ever thought. She is very confused and prays for someone to guide her to the right choice. She gets that help on Christmas Eve when she encounter some mysterious strangers at the long term care facility where she works. They spend Christmas Eve speaking with Georgia and that conversation will prove to be more interesting than anyone could have imagined. She makes her choice and marries the love of her life and gets her happily ever after. They have twins, Rob and Becca and right after George delivers them, she goes into a coma. While she is out, she visits her parents and brother in heaven. She has people on both sides working to bring her back. She wakes up from her coma with a renewed faith in the afterlife. They bring their twins home and settle in to a busy schedule. They are

both working part time and going to college. They decide that she will stay and raise the children while he goes to College on the other side of the state to pursue a medical degree. This long distance marriage is difficult but they manage to work things out. Life is going pretty good for them. George takes a transfer to a unit that has been shut down for a long time. It is there that she meets Rose, a young girl that has severe brain damage from injuries that she got in a car accident. George discovers that she has a gift. She can sense the presence of earth bound souls. She becomes very close to Rose and her friend William. William is a different sort of friend. He is an earth bound soul waiting for the return of his first love. She learns about William's Elizabeth and the tragic way that they are separated in life. William has decided to stay with Rose and take her to the other side when her time comes. Together they encounter some interesting souls and help them to move on. Meanwhile, George's happily ever after falls apart. Through a series of misunderstandings, she ends up divorced and without her children. She has lost the love of her life and her children. She decides that life isn't worth living. George ends up in a coma and is moved to the facility where she used to work. William watches over her. He has come to care for George just like he does Rose. Three plots come together to bring yet another miracle on Christmas Eve for George. She remarries the love of her life and they finally really do get their happily after. They experience the birth of a child and the l

**i passed my cna exam now what: Between Feminism and Labor** Linda M. Blum, 1991-02-07 Working from grass-roots cases, Linda Blum develops an astute and groundbreaking analysis of the comparable worth strategy for gender pay equity. Her intelligent, lucid book makes an incomparable contribution to scholarly and public debate on one of the most significant labor issues in late twentieth-century America.—Judith Stacey, University of California, Davis

**i passed my cna exam now what: Broken Pieces** Natalie Monique Rich, 2022-09-13 The main character of this book is about an African-American, divorced, single mom who grew up in South Carolina. The area where she grew up on was a back country road named McCutheon road. She grew up in the home with two loving parents filled with love and joy. She is the baby sister out of all her siblings. She had a hardworking father and mother at home until her father passed away, leaving her heartbroken at end of her high school year. Her mother was left to become a widow to carry on with family. Instead of going to college after high school like her classmates, she decided to get married and have children with the love of her life. She wanted something different in life like a loving husband and family until her marriage hit rock bottom with infidelity, leaving her depressed for so many years. She is gaining the courage to pick up the pieces of her life.

**i passed my cna exam now what: Never Too Late** Amber Portwood, 2017-04-11 MTV reality star Amber Portwood's autobiography describes her shocking downward spiral and recovery after prison. When Amber Portwood debuted on MTV's hit reality series 16 & Pregnant, no one could have predicted that the teenager from Anderson, Indiana with the dry sense of humor would go on to become one of the most controversial young celebrities in reality TV history. But soon after Amber stepped into the public eye, her life spiraled into chaos. From her struggles with anxiety, depression and addiction to her brutal onscreen fights with her boyfriend, Amber seemed a troubled young woman destined to destroy herself. And that was all before she shocked everyone by sending herself to prison for seventeen months! But behind Amber Portwood's shocking behavior is a story the cameras never captured. It's a story of hardship and hope, of relationships torn apart by tragedy and addiction and put back together with strength, love and determination. After years of losing herself in a daze of sex, drugs and depression, Amber made the decision to stand up and do whatever it took to save her life, her family, and herself. With her trademark honesty, Amber tells the real story of how she learned to deal with the demons that nearly destroyed her. Never Too Late sends a powerful message that no matter how far down a person might fall, it's never too late to get back up and change the future.

**i passed my cna exam now what: Mojada** Keyla Sanders, 2023-09-08 As a young girl growing up in a small town in Honduras, Keyla Sanders imagined her own version of the American Dream. The reality involved dangers, suffering and sacrifice during an overland journey through Guatemala and Mexico, including arrests, deportations and kidnapping. For the first time, there is a first-person

account from an undocumented immigrant from the Northern Triangle countries of Central America. Keyla tells what inspired her to embark on a dangerous journey, what the journey was like, and the years of struggle she endured after attempting to navigate the U.S. immigration system. She uses her own experience to demonstrate how this broken system is as reliant on circumstance and luck as any lottery. She recounts the struggle of an undocumented immigrant while also dealing with high school, young adulthood, and eventually having her own children. Keyla's story adds the voice of an undocumented immigrant to the conversation, demonstrating that the hardships expended in achieving one's American Dream are what unite all those striving for a better life, regardless of where they were born or how they got here.
