post game interview vikings: Vikings in the Playoffs Rick Bowman, 2025-06-05 In December 1968 at Philadelphia's historic Franklin Field, the Minnesota Vikings secured their first playoff berth despite chilly conditions and cranky Eagles spectators, capturing the hearts of fans of the Purple and Gold. Although the Vikings reached four Super Bowls from the late 1960s into the late 1970s, they seemed always on the precipice of a major championship--breaking through only once, in 1969--and were the cause of anguish for their loyal followers when they fell to the Dallas Cowboys nearly 10 years later. This book details the team's triumphs and disappointments from 1968 to 1977, with special attention to the Vikings' nine playoff victories and valuable insights by those who were there, including many opposing players.

post game interview vikings: Vikings and the Vikings Paul Hardwick, Kate Lister, 2019-10-31 This essay collection is a wide-ranging exploration of Vikings, the television series that has successfully summoned the historical world of the Norse people for modern audiences to enjoy. From a range of critical viewpoints, these all fresh essays explore the ways in which past and present representations of the Vikings converge in the show's richly textured dramatization of the rise and fall of Ragnar Loobrok--and the exploits of his heirs--creating what many viewers label a true representation of the age. From the show's sources in both saga literature and Victorian revival, to its engagement with contemporary concerns regarding gender, race and identity, via setting, sex, society and more, this first book-length study of the History Channel series appeals to fans of the show, Viking enthusiasts, and anyone with an interest in medievalist representation in the 21st century.

post game interview vikings: Anybody Seen Dan Lovett? Daniel J. Lovett, 2014-04-17 Dan Lovett was an important part of Eyewitness News history. Al Primo, founder of the original Eyewitness News at WABC-TV in 1968 in New York Dan has always had a great passion for sports, and his knowledge comes crystal clear in this book. Plus, anybody with hair that good has to have something going just below it. Ron Franklin, former lead college football broadcaster on ESPN A mans man in the true sense of the word. He has the unmatched ability to put your mind into his story. A legendary storyteller; plus, he is a great friend and gentleman. Dan Pastorini, former Houston Oilers quarterback I tossed him out of my garage in gasoline alley at Indy, but felt bad about it because he was from my hometown. Dan came around and showed me he wanted to learn about racing. He is a great broadcaster and cares about my sport. A. J. Foyt, first four-time winner of the Indianapolis 500 I knew when I first hired him he would be a great broadcaster on the radio. He could talk about the farm report and make it the most important story of the day. Curt Brown, member of the Missouri Broadcasters Hall of Fame Dan knows how to tell the story in this book. If you like sports, you'll Lovett. Sam Huff, hall of fame linebacker of the Giants and Redskins

post game interview vikings: The Story Edge Kindra Hall, 2024-05-06 A holistic approach to

innovation, connection, and problem-solving that has no expiration date. Our stories allow us to explore our greatest desires and fears, connect with others on a deeper level, and gain a sense of clarity and purpose. In an era of chaotic change and high-pressure decision-making, Kindra Hall—author of *Stories That Stick*—has a message that runs counter to much of the business acumen of the day: Now more than ever, good storytelling is a critical part of successful leadership. From corporate initiatives and marketing strategies to scientific research and innovation, stories are the key ingredient to engaging audiences, building consensus, and inspiring action. The Story Edge will show you: Why storytelling is an essential part of being human. How to find and leverage the story in every situation. How to use story as a tool for positive social impact. How to craft your story in order to leave a lasting legacy. Hall masterfully interweaves storytelling theory with practical business scenarios, creating an engaging guide for present and future leaders. You'll learn how to embrace the art of storytelling and how to consider all angles of the story in every situation. If there's one thing that will remain true—despite all the transformations we experience in business, culture, and innovation—it's the importance of story. Why? Because story is the original algorithm, the true universal language. And it's one of the most important tools we, as humans, have.

post game interview vikings: [The Big 50: New York Giants](#) Patricia Traina, 2020-09-08
Longtime sportswriter Patricia Traina explores the living history of the team, counting down from number fifty to number one. This dynamic and comprehensive book brilliantly brings to life the historic franchise's remarkable story, including greats like Taylor, Strahan, Parcells, Manning, and more.

post game interview vikings: [Assassin's Creed in the Classroom](#) Erik Champion, Juan Francisco Hiriart Vera, 2023-12-18 The open world role-playing Assassin's Creed video game series is one of the most successful series of all time, praised for its in-depth use of historical characters and events, compelling graphics, and addictive gameplay. Assassin's Creed games offer up the possibility of exploring history, mythology, and heritage immersively, graphically, and imaginatively. This collection of essays by architects archaeologists and historians explores the learning opportunities of playing, modifying, and extending the games in the classroom, on location, in the architectural studio, and in a museum.

post game interview vikings: [Field Guide to Covering Sports](#) Joe Gisondi, 2017-07-13 How best to turn yourself from sports fan to professional sports journalist? Quickly moving beyond general guidance about sports writing, Joe Gisondi focuses on the nitty-gritty, with hands-on, practical advice on covering 20 specific sports. From auto racing to wrestling, you'll find tips on the seemingly straightforward—where to stand on the sideline and how to identify a key player—along with the more specialized—figuring out shot selection in lacrosse and understanding a coxswain's call for a harder stroke in rowing. The new edition adds a new section on sports reporting across multimedia platforms with new chapters on social media, mobile media, visual storytelling, writing for television, and writing for radio, along with a new chapter on sabermetrics. Fully revised with new examples and updated information to prepare you for just about any game, match, meet, race, regatta or tournament you're likely to cover, *Field Guide to Covering Sports, Second Edition* is the ideal go-to resource to have on hand as you master the beat.

post game interview vikings: [All In With Love](#) James Gardiner, 2022-08-19 Imagine stepping into the spotlight of New York and Hollywood, a lifestyle where stardom, celebrity life, and a Chippendale bow tie were the everyday norm? Fame was the dream of an innocent young boy that played out in the heart of a man who in turn lost sight of the boy within. This is their story. Born with severe asthma and enormous dreams, James Gardiner began his life in conflict with himself. Little Jimmy wanted to reach for the stars like his science-fiction icons and become a sports superstar like the paper heroes that adorned the walls of his childhood bedroom. But as a frequent visitor to the local hospital, viewing the world through the plastic walls of an oxygen tent, such dreams seemed like they would always be firmly out of reach. However it was there on the pediatric wing that he began to entertain audiences with his stories and charm, growing to like the attention. In fact, to crave it. He wanted to "be somebody," and for the first time, his dreams didn't seem quite so out of

reach. As he got older, and his asthma became more manageable, he began forging his path of destiny. First, through the sport of rowing where the fragile young man dared to challenge his asthma and strive for the Olympic podium. Then, it was his lust to be a movie star that thrust him into New York City and Los Angeles to world of fashion, celebrity, and even murder. But it was his one unanswerable question that repeatedly seemed to leave his life in shambles. "Can his fantasy life be his reality" became the albatross that hung over the man... and the boy. Somewhere along the way, he had lost touch with that childlike part of himself that looked at the world each day with joy and wonder. Looking back he had gone "all in" on his quest to be somebody, but now as a middle aged man left with nothing and no one, it was time to reconnect with little Jimmy and go all in on himself . . . to go all in with love. Within their story of reconnection lies the gateway to reclaim your inner child and live your best, most authentic life.

post game interview vikings: Land O Lakes Mirror , 1978

post game interview vikings: Women, Media and Sport Pamela J. Creedon, 1994-02-14 The book [is] . . . well researched. Chapters by contributing authors enhance the breadth of the content both from a cultural and media perspective. Individuals interested in the history of women's sports and particularly in gender issues as related to varying media will find this volume informative. . . . Upper-division undergraduate through professional. --Choice Chapters by different authors make a splendid reference work on the history of women in sports, women's sports magazines, examples of discrimination against women in sports and women sports reporters, and, of course, the proverbial locker-room access controversies are reviewed here. --Editor & Publisher Pamela Creedon has hit a homerun that challenges assumptions about the relationship between women, media, and sports. This impressive collection of research helps redefine a playing field that until now had overwhelmingly male boundaries. This is a fabulous book! --Susan Henry, California State University, Northridge Women, Media, and Sport is a path-breaking book in mass media research. Not only does it provide a well-researched history of the women who report sports news and the media images of women in sports, but it also skillfully applies critical feminist theories to examine the context of these media messages and effects. It opens new research subjects and models for integrating media effects and cultural/critical studies research. --Marion T. Marzolf, The University of Michigan This is a fascinating book that uses as its starting point a definition of sport as a cultural institution, rather than concentrating on the activities and games that make up the sports component. The book examines important 'sport' metaphors and symbols, placing women and the media on a contextual playing field. I was struck by the fact that all the chapters are written by women who are asking myriad questions about journalistic norms, about media values, and about news conventions in the world of sport. These questions have not been asked by mainstream male journalists or writers covering sports. This distinctive point of view makes Women, Media, and Sport a valuable addition to any women's studies, media studies, or cultural studies book list. This is a very thorough and comprehensive text, covering history, economics, marketing, and cultural paradigms for studying or critiquing women's sport. Best of all, it offers a new model for women's sport that is both provocative and practical. This book will not change any opinions about favorite football teams or sports announcers, but it does ask to examine attitudes toward women, the media, and the sport universe. --Sammye Johnson, Trinity University The first book to link feminist, sport, and media theory together, Women, Media, and Sport provides a broad cultural studies approach, which also touches on race and class relations in sport. In addition to the theoretical analyses, this volume provides a practical look at models of sport, media effects, and the construction of the sportswomen and women's sport. Designed as a text to fill the gap in this area, the book is organized into three sections. The first provides an overview of women, sport, and the media and an example of the ways they intertwine. The extensive range of articles in the second section focuses on print and broadcast media's portrayal of women's sports and its journalistic process and examines such issues as the relationship between sports promotion and media's representations of women's sport and how sport reporting is taught to future journalists. The final section seeks to develop a new model for the future. A thorough and original text, Women, Media, and Sport is essential for scholars, students,

and professionals in media and mass communication studies, sociology, women's studies, cultural studies, popular culture, ethnic studies, and gender studies.

post game interview vikings: Ditka Chicago Tribune, 2013-10-02 A hard-hitting look at the Chicago Bears' legendary player and coach, composed of carefully curated archival Chicago Tribune columns and features. Mike Ditka was drafted by the Bears as a tight end in 1961 and went on to earn Rookie of the Year honors, multiple Pro Bowl selections, and a 1963 championship ring with Chicago during his playing career. Ditka retired in 1972 after stints with Philadelphia and Dallas (where he won Super Bowl VI), but he returned to Chicago as head coach in 1982. He became symbolic of the tough, hard-nosed, hyper-competitive style that defined the Bears through the '80s. Following the 1985 Bears' unforgettable season and Super Bowl victory, Ditka was enshrined as a hero in the minds of Bears fans everywhere. Ditka will take readers on a fascinating and entertaining ride through the words of the award-winning Chicago Tribune journalists who covered "Iron Mike" for six decades. From his playing career to his coaching career, from personal triumphs to mishaps and scandals, Ditka is the ultimate fans' guide to the career and life of a Hall of Famer who came to define Chicago football in the modern age.

post game interview vikings: Bias in the Booth Dylan Gwinn, 2015-03-02 Most of us see sports as a welcome—even blessed—relief from the challenges and frustrations of everyday life. We want to sit back, open a beer, and enjoy the game. But many of those who bring us the game have a different agenda—they use their broadcasting platform to harangue us with their own politically correct preoccupations. If a seventh-round NFL draft pick who can't make the team or an over-the-hill basketball player declares that he's gay, he gets wall-to-wall media coverage and is hailed as a hero. If a stripper accuses college lacrosse players of rape, liberal sports reporters lead the lynch mob—with no apologies when the bearers of white privilege are proved innocent. In his blistering new book *Bias in the Booth*, sports reporter and commentator Dylan Gwinn takes you inside the sports media spin machine to reveal what they hope you won't notice: the sports media are no different from the news and entertainment media.

post game interview vikings: The Year the Packers Came Back Joe Zagorski, 2019-11-22 The 1972 Green Bay Packers were not expected to challenge for a playoff spot, or even to top their four victories from the season before. But the players were an eclectic group of over-achievers, 20 of whom were brand new to the team. Despite disheartening decisions by a questionable head coach, they gelled almost immediately and by season's end became the only Packers team throughout the 1970s to earn a division title. This book details how they succeeded beyond all expectations and tells one of the great stories in pro football history.

post game interview vikings: Chuck Noll Michael MacCambridge, 2017-03-31 Chuck Noll won four Super Bowls and presided over one of the greatest football dynasties in history, the Pittsburgh Steelers of the '70s. Later inducted into the Pro Football Hall of Fame, his achievements as a competitor and a coach are the stuff of legend. But Noll always remained an intensely private and introspective man, never revealing much of himself as a person or as a coach, not even to the players and fans who revered him. Chuck Noll did not need a dramatic public profile to be the catalyst for one of the greatest transformations in sports history. In the nearly four decades before he was hired, the Pittsburgh Steelers were the least successful team in professional football, never winning so much as a division title. After Noll's arrival, his quiet but steely leadership quickly remolded the team into the most accomplished in the history of professional football. And what he built endured well beyond his time with the Steelers—who have remained one of America's great NFL teams, accumulating a total of six Super Bowls, eight AFC championships, and dozens of division titles and playoff berths. In this penetrating biography, based on deep research and hundreds of interviews, Michael MacCambridge takes the measure of the man, painting an intimate portrait of one of the most important figures in American football history. He traces Noll's journey from a Depression-era childhood in Cleveland, where he first played the game in a fully integrated neighborhood league led by an African-American coach and then seriously pursued the sport through high school and college. Eventually, Noll played both defensive and offensive positions

professionally for the Browns, before discovering that his true calling was coaching. MacCambridge reveals that Noll secretly struggled with and overcame epilepsy to build the career that earned him his place as the Emperor of Pittsburgh during the Steelers' dynastic run in the 1970s, while in his final years, he battled Alzheimer's in the shelter of his caring and protective family. Noll's impact went well beyond one football team. When he arrived, the city of steel was facing a deep crisis, as the dramatic decline of Pittsburgh's lifeblood industry traumatized an entire generation. Losing, Noll said on his first day on the job, has nothing to do with geography. Through his calm, confident leadership of the Steelers and the success they achieved, the people of Pittsburgh came to believe that winning was possible, and their recovery of confidence owed a lot to the Steeler's new coach. The famous urban renaissance that followed can only be understood by grasping what Noll and his team meant to the people of the city. The man Pittsburghers could never fully know helped them see themselves better. *Chuck Noll: His Life's Work* tells the story of a private man in a very public job. It explores the family ties that built his character, the challenges that defined his course, and the love story that shaped his life. By understanding the man himself, we can at last clearly see Noll's profound influence on the city, players, coaches, and game he loved. They are all, in a real sense, heirs to the football team Chuck Noll built.

post game interview vikings: Brill's Content , 1999

post game interview vikings: *College Football's Most Memorable Games, 2d ed.* Fred Eisenhammer, Eric B. Sondheim, 2014-01-10 Presented here are 60 games featuring some of the most outstanding efforts in history--dramatic comebacks (such as USC's 1974 triumph over Notre Dame), stunning upsets (Columbia's 21-20 win over Army in 1947 or Appalachian State's over Michigan, 34-32, in 2007--see front cover), great individual efforts (Jim Brown's 43 points in a single game), bizarre plays (Roy Riegel's wrong-way run that helped Georgia Tech defeat California), and Yale-Harvard, 29-29, in 1968 (the latter scoring 16 points in the final 42 seconds). Each story includes the highlights of the games, with quotes from many of the principals, a look at the contest's effects on football overall, career follow-ups for the key participants, and seasonal wrap-ups for the teams involved.

post game interview vikings: *Problems of Journalism* American Society of Newspaper Editors, 1978 Proceedings of the ... convention.

post game interview vikings: Broadcasting , 1973-07

post game interview vikings: *Freezing Cold Takes: NFL* Fred Segal, 2022-08-09 Sports fans love holding media experts accountable for bad predictions. Since 2015, Fred Segal has chronicled "unprophetic" sports predictions on the internet. His Freezing Cold Takes social media pages feature quotes and predictions from members of the sports world that have aged poorly or were, in hindsight, flat-out wrong. The pages have become a guilty pleasure for hundreds of thousands of sports fans who love to see (okay, and mock in good humor) sports media's infamous "hot takes" that went cold. With this book, Segal focuses on the NFL, and provides a vast collection of poorly aged predictions and analysis from NFL media members and personalities about some of the most famous teams and players in the league's history. He also explores ill-fated commentary related to draft picks, hiring decisions, and some of the NFL's most notable games. But this book is not simply a list of quotes. It delves through content mined from internet archives and original interviews with media, players, and coaches. Segal provides important background surrounding each featured mistake to offer essential context as to why the ill-fated prediction was made as well as why the personality who made the prediction is eating their words. Together, the fourteen chapters—each spotlighting Freezing Cold Takes about a specific team or topic within a certain defined period—create a wholly unique and endlessly entertaining lens through which to explore NFL history. A few illustrative examples: (1987-94 San Francisco 49ers): "The 49ers should do everyone a favor. Trade Steve Young. The myth. And the man." (1989-93 Dallas Cowboys): "The Vikings fleeced the Cowboys to get Herschel Walker" (2000 New England Patriots): The Patriots will regret hiring Bill Belichick (2008 Green Bay Packers): Brian Brohm has more upside than Aaron Rodgers (NFL Draft Picks): "The Dolphins could have had their next Dan Marino if they selected Brady Quinn"

(2007)

post game interview vikings: *Eli Manning* Ralph Vacchiano, 2008-09-03 Giants beat writer Ralph Vacchiano examines the quarterback position in the NFL from all angles, using New York Giants quarterback Eli Manning as his primary focus.--Publisher description.
