**powerful psalms for financial blessings: Timeless, Volume 2** R. Mark Shipp, 2016-05-10 A Psalter/Commentary combining in-depth study of Psalms 42-89 with over a hundred new songs based on the text of these psalms. This volume, encompassing Psalms 42-89 (books two and three of the book of Psalms), is the second of three projected volumes. Volume one covered book one of Psalms (1-41), and volume three will incorporate books four and five of the Psalter (90-150). The intent of this series is not to produce technical volumes. rather, they are intended for use by church leaders, ministers, informed lay persons, and bible teachers to obtain basic understanding of some of the concerns and issues found in a particular Psalm, and go from there to an application of the Psalm for present-day worship in song. For each psalm there is a translation, treatment of its structure and theology, and then two to four musical settings: a traditional hymn setting and a contemporary setting and sometimes also a verbatim chant. This variety demonstrates several ways of bringing the Psalms into Christian worship. Most of the music in timeless is intended for congregational singing. Timeless is an ecumenical and international project. While having its origin in the a cappella tradition of Churches of Christ, the book is based on the conviction that all Christian communions share the original hymnbook of the second temple and the church. The editor, therefore, has solicited commentaries, compositions, and lyrics from a broad range of Christian traditions.

**powerful psalms for financial blessings: The Greatness of our God** Hugh Barber, 2012-03-29 The majority of people do not understand the true nature of God. Many today have an incorrect and twisted opinion of who God is, what He is like, and His reasons for things happening. The enemy has worked overtime for centuries speaking lies into the hearts of people about the true character of God. Words of lies have become beliefs and strongholds in the minds of many. These beliefs sadly keep many away from discovering that He is in actual fact a Great God. Additionally, by perverting our perception of Him, when times get tough people can easily lose heart and walk away. But this should not be the case! If our foundation in God is strong, when the storms of life come we will never doubt God's purpose in using events to mature and strengthen us.

**powerful psalms for financial blessings: Understanding the Link Between Money and Spirituality** Dr. Cryford Mumba PhD, 2019-10-18 This is a religious book prepared specially for Christians so as to appreciate the relationship between money and spirituality. It is a personal finance book covering all the tenets of managing money God has blessed you in a godly money. The overriding aim is to help someone not to worship money but the True and Living God. The book will immensely help you to master money as designed by God. As you read this book open your heart to the leading of the Lord God so that at the end of it all His name will be honored and glorified. About two-thirds of Jesus' parables deal with money or material possessions. Over 2300 biblical passages refer to money or material possessions. There are only about 500 on prayer, and less than 500 on the subject of faith. Surely, if God gives it this much emphasis, we need to take the subject seriously. Finances are a spiritual battleground. Money is the god of the world. It is everywhere worshipped. The love of money is the controlling factor in most lives. Money is deceitful. It is a lying lord, whom the world serves. You cannot serve God and money, for money is the image of a rival god. We need

to be wise about money. Yes use money; do not avoid it, do not evade it and do not pretend it is beneath you. That is unspiritual. On the other hand, do not make it your god. My primary aim being to offer you, dear readers, new ideas, new ways of looking at the subject of money. This book will not teach you any specific formula. Instead it will teach you how to learn and what to learn.
