

# power play in relationships

**power play in relationships** is a complex dynamic that often influences how partners interact, communicate, and resolve conflicts. Understanding the mechanisms behind power play in relationships is crucial for fostering healthy connections and avoiding toxic patterns. This article explores the different forms power play can take, the psychological underpinnings, common signs, and strategies to address and balance power struggles effectively. By examining both overt and subtle power tactics, readers will gain insight into maintaining equality and respect within intimate bonds. Furthermore, the impact of power imbalances on emotional well-being and relationship satisfaction will be discussed. The following sections offer a detailed roadmap for recognizing, understanding, and managing power plays in various relational contexts.

- Understanding Power Play in Relationships
- Common Forms of Power Play
- Psychological Factors Behind Power Dynamics
- Signs of Power Play in Relationships
- Effects of Power Imbalance
- Strategies to Manage and Resolve Power Struggles

## Understanding Power Play in Relationships

Power play in relationships refers to behaviors and interactions where one partner attempts to assert control or dominance over the other. This dynamic can manifest in various ways, from subtle manipulation to explicit control tactics. It is important to recognize that power is not inherently negative; however, when power becomes imbalanced or misused, it can harm the relationship's foundation of trust and mutual respect. Power play often arises from differences in communication styles, emotional needs, or external influences such as cultural or social expectations.

## Definition and Scope

Power play encompasses a spectrum of actions aimed at influencing or controlling the partner's behavior, decisions, or emotions. It can occur consciously or unconsciously and may involve tactics such as intimidation, withholding affection, or decision-making dominance. Understanding the scope of power play helps in identifying patterns that may undermine relationship equality.

## **Power as a Relational Dynamic**

In any relationship, power is a dynamic element that fluctuates over time depending on circumstances and individual needs. Healthy relationships often feature a balance of power where both partners feel heard and valued. Conversely, persistent power struggles indicate an unhealthy dynamic that requires attention and intervention.

## **Common Forms of Power Play**

Power play in relationships can take many forms, each with distinct characteristics and consequences. Recognizing these forms is essential to address them effectively.

### **Emotional Manipulation**

One of the most prevalent forms of power play is emotional manipulation, where one partner uses guilt, fear, or obligation to control the other. This can include silent treatment, gaslighting, or exaggerating emotional responses to influence decisions.

### **Financial Control**

Financial control involves one partner managing or restricting access to money to limit the other's independence. This tactic can create significant dependency and diminish the less financially empowered partner's ability to make choices freely.

### **Decision-Making Dominance**

In this form, one partner insists on making all significant decisions, from daily routines to long-term plans, often disregarding the other's opinions or desires. This imbalance undermines mutual respect and collaboration.

### **Physical Intimidation or Coercion**

Though less common, physical intimidation or coercion represents a severe and harmful form of power play, involving threats or acts of violence to maintain control.

### **Withholding Affection or Communication**

Withholding love, affection, or communication as a means to punish or manipulate is another subtle but impactful power strategy that damages emotional intimacy.

# Psychological Factors Behind Power Dynamics

Understanding the psychological underpinnings of power play in relationships reveals why these behaviors emerge and persist.

## Insecurity and Low Self-Esteem

Partners who feel insecure or have low self-esteem may engage in power play to assert control and protect themselves from perceived threats or abandonment.

## Attachment Styles

Attachment theory suggests that early childhood experiences shape how individuals handle intimacy and control in relationships. Anxious or avoidant attachment styles can contribute to unhealthy power dynamics.

## Need for Control

Some individuals possess a heightened need for control to manage anxiety or uncertainty, leading them to dominate relational interactions.

## Learned Behaviors and Socialization

Cultural and familial backgrounds influence how power is expressed in relationships. Learned behaviors from past relationships or societal norms can perpetuate power struggles.

## Signs of Power Play in Relationships

Identifying power play early can prevent escalation and promote healthier communication and balance.

- Unequal decision-making where one partner's preferences always prevail
- Frequent feelings of resentment, frustration, or helplessness by one partner
- Use of guilt trips, threats, or emotional blackmail during conflicts
- Withholding affection or communication as punishment
- Financial dependence or restrictions imposed by one partner
- Fear of expressing opinions or disagreeing due to potential backlash

## **Emotional and Behavioral Indicators**

Emotional withdrawal, anxiety, and decreased self-confidence may signal ongoing power struggles. Behavioral changes such as avoidance of conflict or excessive compliance also indicate imbalance.

## **Effects of Power Imbalance**

Power imbalances in relationships negatively impact both partners' well-being and the relationship's overall health.

## **Emotional Consequences**

Victims of power play may experience diminished self-worth, increased stress, anxiety, and depression. The controlling partner may also suffer from relational dissatisfaction due to unresolved insecurities.

## **Communication Breakdown**

Power struggles often lead to poor communication, misunderstandings, and unresolved conflicts, which erode intimacy and trust.

## **Relationship Dissatisfaction and Instability**

Persistent power imbalances contribute to reduced relationship satisfaction, higher conflict rates, and increased likelihood of separation or divorce.

## **Impact on Personal Growth**

Individuals caught in power play dynamics may struggle to pursue personal goals and maintain autonomy, hindering their growth and fulfillment.

## **Strategies to Manage and Resolve Power Struggles**

Addressing power play in relationships requires intentional effort, communication, and sometimes professional support.

## **Promoting Open Communication**

Encouraging honest and respectful dialogue helps partners express needs, concerns, and boundaries clearly without fear of retaliation.

## **Establishing Boundaries**

Setting and respecting personal and relational boundaries prevents overreach and promotes mutual respect.

## **Negotiation and Compromise**

Partners should work collaboratively to find solutions that honor both individuals' perspectives, fostering equality and cooperation.

## **Seeking Professional Help**

Counseling or therapy can provide a structured environment to explore power dynamics, develop healthy interaction patterns, and heal relational wounds.

## **Building Individual Self-Esteem**

Encouraging personal development and self-confidence reduces reliance on control as a means of security.

## **Practices to Foster Equality**

1. Share responsibilities and decision-making equally
2. Recognize and validate each other's feelings and contributions
3. Maintain transparency in financial matters
4. Support each other's independence and personal growth
5. Address conflicts promptly and constructively

## **Frequently Asked Questions**

## **What does 'power play' mean in relationships?**

Power play in relationships refers to behaviors or tactics used by one partner to gain control, influence, or dominance over the other, often impacting the balance of power and decision-making.

## **How can power plays manifest in romantic relationships?**

Power plays in romantic relationships can manifest through manipulation, control over finances, emotional blackmail, withholding affection, or making unilateral decisions without mutual consent.

## **Why do power plays occur in relationships?**

Power plays often occur due to underlying insecurities, desire for control, past trauma, or imbalanced dynamics where one partner feels the need to assert dominance to feel secure or valued.

## **What are the signs of unhealthy power plays in a relationship?**

Signs include one partner consistently overriding the other's opinions, controlling behavior, lack of mutual respect, frequent arguments about control, and feelings of resentment or helplessness.

## **Can power plays be healthy in relationships?**

While some level of influence and negotiation is normal, power plays that involve manipulation or control are unhealthy. Healthy relationships are based on mutual respect, equality, and balanced decision-making.

## **How can couples address power imbalances in their relationship?**

Couples can address power imbalances by improving communication, setting boundaries, seeking couples therapy, fostering mutual respect, and ensuring decisions are made collaboratively.

## **What role does communication play in preventing power plays?**

Open and honest communication helps partners express needs and concerns, reduces misunderstandings, and promotes equality, thereby preventing manipulative power plays from developing.

## Are power plays more common in certain types of relationships?

Power plays can occur in any type of relationship, but they may be more noticeable in relationships with significant dependency, cultural or gender role expectations, or where one partner has more social or financial power.

## How can someone regain balance if they feel dominated by power plays?

A person can regain balance by asserting boundaries, seeking support from friends or professionals, practicing self-care, improving communication skills, and considering counseling to address underlying issues.

## Additional Resources

### 1. *The 48 Laws of Power* by Robert Greene

This book delves into the dynamics of power and influence, offering timeless strategies for gaining and maintaining control in personal and professional relationships. Greene uses historical examples to illustrate how power plays unfold and how to recognize manipulation. It is a must-read for anyone interested in understanding the subtle art of power in human interactions.

### 2. *Power Dynamics in Relationships: How to Recognize and Respond to Control* by Dr. Susan Johnson

Dr. Johnson explores the psychological underpinnings of power struggles within intimate relationships. The book provides practical advice on identifying unhealthy control tactics and fostering mutual respect. Readers learn how to build balanced partnerships free from manipulation and coercion.

### 3. *Games People Play: The Psychology of Human Relationships* by Eric Berne

This classic examines the subconscious games individuals play to assert power and influence in their relationships. Berne categorizes common patterns of interaction that often mask deeper desires for control. Understanding these "games" helps readers navigate and improve their interpersonal dynamics.

### 4. *Power and Love: A Theory and Practice of Social Change* by Adam Kahane

Kahane discusses the interplay between power and love in shaping relationships and social movements. He argues that sustainable change requires balancing assertiveness with empathy. The book provides insights on how power can be exercised ethically within personal and collective contexts.

### 5. *In Sheep's Clothing: Understanding and Dealing with Manipulative People* by George K. Simon

This book highlights the tactics manipulative individuals use to dominate and control others in relationships. Simon offers strategies to recognize covert aggression and defend oneself effectively. It is a valuable resource for anyone facing power abuse in their personal connections.

6. *The Dance of Intimacy: A Woman's Guide to Courageous Acts of Change in Key Relationships* by Harriet Lerner

Lerner explores how power imbalances affect intimacy and communication in relationships. She encourages readers to confront difficult emotions and set boundaries to create healthier dynamics. The book empowers individuals to reclaim their voice and influence in partnerships.

7. *Boundaries: When to Say Yes, How to Say No to Take Control of Your Life* by Dr. Henry Cloud and Dr. John Townsend

This guide teaches the importance of setting firm boundaries to maintain personal power in relationships. The authors explain how clear limits prevent manipulation and foster respect. It is an essential read for developing self-control and balanced connections.

8. *The Power Paradox: How We Gain and Lose Influence* by Dacher Keltner

Keltner explores the complex nature of power, showing how true influence arises from empathy and cooperation rather than dominance. The book reveals why power can be both empowering and corrupting in relationships. Readers gain a nuanced understanding of wielding power responsibly.

9. *Why Does He Do That? Inside the Minds of Angry and Controlling Men* by Lundy Bancroft

Bancroft provides an in-depth analysis of abusive power tactics used by controlling partners. The book offers insight into the mindset of such individuals and practical guidance for victims seeking to break free. It is a critical resource for understanding and addressing power abuse in intimate relationships.

**power play in relationships:** *Powerplay in Tibullus* Parshia Lee-Stecum, 1998-10-08 This study, first published in 1998, explores the subtle, many-faceted interplay of power in Tibullus' first book of elegies.

**power play in relationships:** *Relationships and Patterns of Conflict Resolution* Peter D. Ladd, 2007-04-16 Dr. Ladd has written a reference book on couples counseling that explores six contemporary relationships and discusses how couples may change from one to another according to their life experiences. In addition, six common styles of conflict resolution are addressed that may make relationship changes less painful and difficult are also addressed. When we realize that one of the most common methods for transforming the union between two people is through divorce, then the possibility of changing a relationship, instead of changing a partner, may become a more attractive alternative.

**power play in relationships:** *Kink-Affirming Practice* Stefani Goerlich, 2022-08-08 Kink-Affirming Practice is an essential guide on how clinicians can ethically and effectively integrate elements of their client's BDSM identities and practices into their treatment planning, creative

interventions, and client self-care. Embracing both an anthropological understanding of this diverse yet still marginalized community, as well as a sex-positive approach to mental health, Stefani Goerlich recognizes the ways in which specific power exchange dynamics can evoke positive behavioral changes in clients, and guides the reader in how to integrate these concepts into their clinical work. Chapters discuss the foundations of BDSM, what is meant by kink-affirming practice, the purpose of claiming power and ceding control, integrating and reclaiming identities, dominant/submissive personas, and the benefits of caregiving kink, such as pet play. It practically discusses how to conduct a kink-affirming risk assessment, as well as exploring topics like ethical and health boundary setting, how to gain informed consent, and the unique issues that arise when clinicians catch themselves romancing the kink. This book is invaluable reading for professionals working with clients who engage in BDSM activities, such as marriage and family therapists, sex therapists, clinical social workers, and counselors. It may also be useful reading for students on both undergraduate and graduate level human sexuality and sexuality courses.

**power play in relationships:** *Is It Love or Is It Addiction* Brenda Schaeffer, 2009-08-07 A fresh, updated, and expanded edition of the book that changed the way we think about romance and intimacy. Many of us confuse longing and obsession with true love. Through two previous editions, *Is It Love or Is It Addiction?* has helped countless people find their way from the trials and confusion of addictive love to the fulfillment of whole and healthy relationships. As the author reveals, we can begin to work through relationship difficulties with compassion and lasting effect by increasing our awareness of the ways that we express love. In this expanded third edition, Brenda Schaeffer draws on years of feedback and new developments to foster an understanding of love addiction: what it is and what it is not, how to identify it, and, even more important, how to break free of it. Stories of real people struggling to develop sound relationships illustrate the characteristics of healthy love and help readers to free themselves to find real intimacy. Included is the most up-to-date information about the biological basis of addictive behaviors and the impact of technology on intimate relationships. The author also explores the influence of past abuse and trauma on the predisposition to love addiction.

**power play in relationships:** *Powerplay* Victor D. Cha, 2018-04-24 A close look at the evolution of American political alliances in Asia and their future While the American alliance system in Asia has been fundamental to the region's security and prosperity for seven decades, today it encounters challenges from the growth of China-based regional organizations. How was the American alliance system originally established in Asia, and is it currently under threat? How are competing security designs being influenced by the United States and China? In *Powerplay*, Victor Cha draws from theories about alliances, unipolarity, and regime complexity to examine the evolution of the U.S. alliance system and the reasons for its continued importance in Asia and the world. Cha delves into the fears, motivations, and aspirations of the Truman and Eisenhower presidencies as they contemplated alliances with the Republic of China, Republic of Korea, and Japan at the outset of the Cold War. Their choice of a bilateral hub and spokes security design for Asia was entirely different from the system created in Europe, but it was essential for its time. Cha argues that the alliance system's innovations in the twenty-first century contribute to its resiliency in the face of China's increasing prominence, and that the task for the world is not to choose between American and Chinese institutions, but to maximize stability and economic progress amid Asia's increasingly complex political landscape. Exploring U.S. bilateral relations in Asia after World War II, *Powerplay* takes an original look at how global alliances are achieved and maintained.

**power play in relationships:** *Wholeness in Hope Care* Daniel Johannes Louw, 2015 Throughout his life, the apartheid activist, Nelson Mandela (Madiba), maintained, 'In the darkest moment there is always hope. We must never give up'. Hope as a mode of the courage to be (Paul Tillich), points to what the Sociologist Peter Berger calls: signals of transcendence. *Wholeness in Hope Care* explores the rich tradition of hope in wisdom, philosophy and Christian theology. It connects non-hope/un-hope (Gabriel Marcel: *inespoir*) to a theology of compassion in soul care (*cura animarum*). Resurrection hope (*theologia resurrectionis*) points to the healing of life (*cura vitae*) and

the preservation of land (*cura terrae*). In order to describe the helping and healing dimension in pastoral caregiving, the term 'promissiotherapy' has been coined. Daniel Johannes Louw was Dean of the faculty of theology at the University of Stellenbosch (2001-2005), President of the International Academy of Practical Theology (IAPT) (2003-2005) and President of the International Council for Pastoral Care and Counselling (ICPPC) (2011-2015). (Series: Pastoral Care and Spiritual Healing) (Series: Pastoral Care and Spiritual Healing - Vol. 3) [Subject: Pastoral Studies, Religious Studies, Christianity]

**power play in relationships: Communication Science Theory and Research** Marina Krcmar, David R. Ewoldsen, Ascan Koerner, 2016-05-20 This volume provides a graduate-level introduction to communication science, including theory and scholarship for masters and PhD students as well as practicing scholars. The work defines communication, reviews its history, and provides a broad look at how communication research is conducted. It also includes chapters reviewing the most frequently addressed topics in communication science. This book presents an overview of theory in general and of communication theory in particular, while offering a broad look at topics in communication that promote understanding of the key issues in communication science for students and scholars new to communication research. The book takes a predominantly communication science approach but also situates this approach in the broader field of communication, and addresses how communication science is related to and different from such approaches as critical and cultural studies and rhetoric. As an overview of communication science that will serve as a reference work for scholars as well as a text for the introduction to communication graduate studies course, this volume is an essential resource for understanding and conducting scholarship in the communication discipline.

**power play in relationships: Electronic Business: Concepts, Methodologies, Tools, and Applications** Lee, In, 2008-12-31 Enhances libraries worldwide through top research compilations from over 250 international authors in the field of e-business.

**power play in relationships: Global Outsourcing Discourse** Eleni Lioliou, Leslie P. Willcocks, 2018-12-30 The aim of this book is to investigate the discursive power of two original, theoretical lenses when applied to real outsourcing arrangements and phenomena. The Transaction Cost Economics (TCE) and Foucauldian perspectives are brought to bear on five outsourcing relationships in order to test the application of these discourses to rich qualitative data over the outsourcing contractual life-cycle. This will be the first study illustrating the relevance of Foucauldian concepts of governmentality, discourse and power relations to the study of outsourcing arrangements, and will also incorporate the perspectives of both client and supplier organizations. Using discourse analysis, the objective is to critically deconstruct and provide fresh insight into the normative 'outsourcing' discourse that has grown up around global sourcing practices over the last 30 years.

**power play in relationships: Wordplay and Powerplay in Latin Poetry** Phillip Mitsis, Ioannis Ziogas, 2016-07-28 The political allegiances of major Roman poets have been notoriously difficult to pin down, in part because they often shift the onus of political interpretation from themselves to their readers. By the same token, it is often difficult to assess their authorial powerplays in the etymologies, puns, anagrams, telestichs, and acronyms that feature prominently in their poetry. It is the premise of this volume that the contexts of composition, performance, and reception play a critical role in constructing poetic voices as either politically favorable or dissenting, and however much the individual scholars in this volume disagree among themselves, their readings try to do justice collectively to poetry's power to shape political realities. The book is aimed not only at scholars of Roman poetry, politics, and philosophy, but also at those working in later literary and political traditions influenced by Rome's greatest poets.

**power play in relationships: Global Sourcing of Information Technology and Business Processes** Ilan Oshri, Julia Kotlarsky, 2010-09-09 This book contains 14 carefully reviewed and selected papers from the 4th Workshop on Global Sourcing, held in Zermatt, Switzerland, March 22-25, 2010. They have been gleaned from a vast empirical base brought together by leading researchers of outsourcing and off shoring. This volume is intended for use by students, academics

and practitioners interested in the outsourcing and off shoring of information technology and business processes. It offers a review of the key topics in outsourcing and off shoring, populated with practical frameworks that serve as a tool kit to students and managers. The sourcing models available to client firms are discussed in great depth. Vendor capabilities as well as client capabilities are studied and links are offered to the various sourcing models. Issues pertaining to knowledge and expertise are also discussed. Last but not least, the book examines current and future trends in outsourcing and off shoring, paying particular attention to the role that CIOs will play in shaping their sourcing strategies.

**power play in relationships:** *Indian Feminisms* Dr Geetanjali Gangoli, 2012-12-28 Contributing to debates on feminism, this book considers the impact made by feminists in India from the 1970s. Geetanjali Gangoli analyses feminist campaigns on issues of violence and women's rights, and debates on ways in which feminist legal debates may be limiting for women and based on exclusionary concepts such as citizenship. She addresses campaigns ranging from domestic violence, rape, pornography and son preference and sets them within a wider analysis of the position of women within the Indian state. The strengths and limitations of law reform for women are addressed as well as whether legal feminisms relating to law and women's legal rights are effective in the Indian context. The question of whether legal campaigns can make positive changes in women's lives or whether they further legitimize oppressive state patriarchies is considered. The recasting of caste and community identities is also assessed, as well as the rise of Hindu fundamentalism and the ways in which feminists in India have combated and confronted these challenges. *Indian Feminisms* will interest researchers and students in the areas of feminism, law, women's movements and social movements in India, and South Asia more generally.

**power play in relationships: Polyamory For Dummies** Jaime M. Grant, 2024-12-24 A clear breakdown of polyamory for beginners and the newly polyamorous Polyamory literally means "more love". Twenty-first century polyamory is the practice of engaging in multiple intimate relationships at the same time, with the full consent of all partners. Polyamory For Dummies gives you the lowdown on this expansive form of consensual non-monogamy, so you can go forth and prosper in whatever ways you choose. This straightforward, research-backed, and nuanced guidebook helps the poly-curious become poly-fluent. Embark on your non-monogamous journey via a healthy and sustainable path, with answers to all your big questions: Is polyamory right for you? What does the "ethical" mean in non-monogamy? How do polyamorous people deal with jealousy and conflict among partners? Is it possible to "open up" an existing monogamous relationship? Find out everything you've been wanting to know, with this big-hearted, yet practical Dummies guide. Learn about primary partners, secondary partners, metamours, and polycules Discover how polyamorous relationships function, and how to co-create the right form for you and your partners Understand the universality of jealousy and learn how to deal with it constructively Get insights into centering consent, dating as a poly person, coming out poly, multi-gender and multi-sexuality polycules, parenting while poly, disability, aging, and more! Everyday people curious about or exploring multi-partner, ethically non-monogamous relationships will love the practical advice and broad range of examples in Polyamory For Dummies.

**power play in relationships: Profit Powerplay: Executing Sales Strategies for Explosive Growth** Johnie Parsons, Packed with valuable insights and practical tips, this comprehensive guide showcases proven techniques that unlock the potential for exponential business growth. With an emphasis on precise execution, this book empowers sales professionals and entrepreneurs to transform their approach, harnessing the power of tailored strategies to maximize profitability. Whether you're a seasoned sales veteran or a budding business mogul, Profit Powerplay equips you with the indispensable tools to attain unparalleled success and endeavor on an upward trajectory of thriving sales performance. Get ready to master the game and propel your business to new levels of prosperity - the power to succeed is at your fingertips.

**power play in relationships: Scripts People Live** Claude Steiner, 2007-12-01 A "stimulating and thought-provoking" guide to help you make productive and autonomous choices toward

rewriting your life (Los Angeles Times). We choose a “life script” at an early age. But you can change its course. Whether born into wealth or poverty, into nurturing families or damaged abusers, fostered by strict parents or careless and undisciplined ones, each individual still has a spiritual core that exists independent of the environment and is equally crucial to his or her destiny. Countering the fundamental principle of psychiatry which asserts that emotional and mental distress comes from within, Claude Steiner believes that people are innately healthy but develop a pattern early in life based upon negative or positive influences of those around them. Those influences can rule every detail of our lives until our death. Thus children decide, however unconsciously, whether they will be happy or depressed, winners or failures, strong or dependent, caring or cruel, and having decided, they spend the rest of their lives making that decision come true. For those who choose to live by their negative script, the consequences can be disastrous unless they make a conscious decision to change. In *Scripts We Live*, Steiner tackles the puzzle of human fate. He reveals what determines our life scripts, and how each person’s combination of spirit and circumstance contributes to the final path that life takes. And he offers hopeful advice and practical analysis so that we all can rewrite for ourselves more meaningful and fulfilling lives.

**power play in relationships:** *A Solid Investment* EM Merrill, 2024-11-19 Emma never expected to find herself caught between two men—each offering a completely different kind of love. After heartbreak, she's rediscovering herself while exploring new, thrilling relationships. There's Seth—gentle, supportive, and steady. And then there's Russell—confident, mysterious, and irresistibly dominant. But as her connection with both men deepens, her world unravels. The simmering rivalry between them escalates, fueled by jealousy and buried insecurities that threaten to rip apart everything Emma has built. And when an unhinged former lover resurfaces with a thirst for revenge, Emma is thrown into a nightmare where her life, and her heart, are on the line. *A Solid Investment* is a story of rediscovery, passion, and danger, where love is tested in the most unpredictable ways. With each man vying for her love, will Emma be able to choose the path that truly fulfills her? Or will the chaos around her strip her of everything she holds dear? Multiple POV This book contains mature themes, including explicit sexual content, violence, polyamory dynamics, emotional manipulation, trauma recovery, and other sensitive topics. Reader discretion is advised. This intense, provocative romance isn't just a love story. It's about healing, self-discovery, and the courage to stand strong amidst life's chaos.

**power play in relationships:** *One Great Family: Domestic Relationships in Samuel Richardson's Novels* Simone Höhn, 2021-01-25 This study examines concepts of morality and structures of domestic relationships in Samuel Richardson's novels, situating them in the context of eighteenth-century moral writings and reader reactions. Based on a detailed analysis of Richardson's work, this book maintains that he sought both to uphold hierarchical concepts of individual duty, and to warn of the consequences if such hierarchies were abused. In his final novel, Richardson aimed at a synthesis between social hierarchy and individual liberty, patriarchy and female self-fulfilment. His work, albeit rooted in patriarchal values, paved the way for proto-feminist conceptions of female character.

**power play in relationships:** *Transcendent Teacher Learner Relationships* Hunter O'Hara, 2015-06-25 “At once humbling and empowering, this work will not fail to touch its readers and, ultimately, bring to learners authentic caring, love, hope, and a sense of being valued. The very real stories of the teachers and learners that are revealed here in their portraits leap vividly off the pages of the book. Hunter O'Hara's bold vision of schools of transcendence is the next crucial step toward transcendent relationships and community consciousness. Readers will be inspired by this vision in Dr. O'Hara's groundbreaking work and will be able to look within themselves for the capacity to become shamanic transcendent teachers.” Edyth James Wheeler, Ph.D. Professor Emerita, Towson University, teacher and author of *Conflict Resolution in Early Childhood: Helping Children Understand and Resolve Conflicts*, (Merrill, 2004) “I entered into Hunter O'Hara's work and experienced many moments that moved me deeply, at times with great joy but also with feelings of sadness in the awareness that transcendent relationships are rare and that many children and adults

go through an entire lifetime without knowing one of life's treasures- the mystery, beauty, and wonder of a loving relationship. His writing is vivid and alive and with passion and depth portrays the nature and essence of the constituents of a transcendent relationship." Clark Moustakas, Ed.D., Ph.D., founder of the Center for Humanistic Studies (now the Michigan School of Professional Psychology) of Hunter O'Hara's original research on transcendent teacher learner relationships)

**power play in relationships:** *Building a Reality-Based Relationship* Liberty Kovacs, 2007-12 In 1967, as a novice marriage and family therapist counseling a growing number of troubled spouses living in unhappy marriages, Dr. Liberty Kovacs realized a need for a workable, realistic model for successful marital therapy. Drawing on her forty years of professional experience, real-world cases, and studies, Dr. Kovacs shares her model for the modern marriage. Kovacs maps the journey shared by couples across six unique and all-important marital stages: honeymoon, expectation, power struggle, seven-year-itch, reconciliation, and acceptance. Along the way, they develop a clearer understanding of their identities as individuals and of their fit together. Dr. Kovacs has used her powerful marriage model with thousands of couples with an overwhelmingly positive response, and in this invaluable and interactive workbook, she delivers all the tools you and your partner need to: Explore and develop your own identities Further your understanding of individual, couple, and family dynamics Increasingly value one another Lay a foundation for a relationship based on mutual love and respect Whether you are in a relationship, want to be in a relationship, or have even failed at relationships, this hopeful and motivating guide provides down-to-earth, insightful advice on building the relationship you want and deserve.

**power play in relationships:** After the Happily Ever After: Empowering Women and Mothers in Relationships Linda Rose Ennis, 2017-09-01 This book is about the two-tiered system and invisible imbalance that operates within the framework of the family. It is about the fantasy of the "happily-ever- after," which the wedding industry promotes and Western society reinforces. Why are we hanging onto this faux happiness at the expense of our future well-being? Why don't we wonder what happened after "they lived happily ever after" and if, in fact, they really do? What I hope to achieve by writing this book is to rattle the cage of young brides, about to embark on this journey, to talk about these issues with their future partners and to set the system up in a more equal way, so no one is caught off guard if and when things crumble. It will be difficult to achieve this task because no one wants to think about things falling apart before the marriage even begins, and most certainly it sours the sweetness of the fantasy of the "happily ever after," as we know it. What we don't realize is that there will be less bitterness and upset for the family, especially for the children, if we pursue this line of thinking. Isn't that the real "happily-ever-after?"
