tabitha brown vegan cookbook: I Did a New Thing Tabitha Brown, 2024-01-30 NEW YORK TIMES BESTSELLER "America's Mom" Tabitha Brown presents an inspirational guide for encouraging positive changes in your life—one day and one challenge at a time. I did a new thing today! Years ago, Tabitha Brown started a 30-day personal challenge that she called "I Did a New Thing!" The challenge was simple. Every day she would do something she'd never done before. Sometimes it was something small like trying a new food. Other times, she'd step it up a bit and speak to someone she'd never spoken to before. Still other times, she'd do the hard thing—facing a fear that she had, like having that tough conversation with a friend. No matter what it was, the point was that she was going to take a leap of faith and watch God open up a new lane for her. One of the "new things" she tried was a vegan challenge. She'd been struggling with illness for nearly a year and was desperately searching for healing. She challenged herself to eat vegan every day for thirty days, and six years later, her life has never been the same—all because she decided to do a new thing. In I Did a New Thing, Tab shares her own stories and those of others, alongside gentle guidance and encouragement to create these incredible changes for yourself and see what good can come from them. Whether that means having the hard conversation or trying for a promotion or simply wearing something different or doing something kind for someone else, Tab has a plan for you: Try one new thing, every single day, for thirty days. You don't have to wait until Monday or the beginning of a new month or year to get started. There's no set time and place or any extra preparation required. All you have to do is show up for yourself. And that can start right now.

tabitha brown vegan cookbook: Chloe Flavor Chloe Coscarelli, 2018-03-06 Chef Chloe Coscarelli has revolutionized how vegans cook and eat with exciting, plant-based recipes that are fun, full of flavor, and make you feel healthier. When she decided to become a vegan chef, she dreamed of changing the way the world ate. This was in the “pre-kale” days, when veggie burgers were frozen, tasteless patties loathed by the general public and if a vegan wanted to eat, well, then she had to cook! Today, corner stores stock their shelves with almond milk and mainstream restaurants pepper their menus with quinoa, tempeh, chia seeds, faro, ramps, and so many variations of avocado toast. There is truly no better time to love to eat than now—and no easier time to be a vegan. Chloe believes the most delicious dishes come from plant-based ingredients, and has debunked the myth that vegan cooking is bland and visually unenticing. Enter: CHLOE FLAVOR. Every recipe here is bold in taste, loud in color, unabashedly unique, and, above all, easy to make. With dishes like Smoky Grits & Greens, Mango-Guacamole Crunch Burgers, and Sea Salted Chocolate Chunk Cookies, this food is for fun, friends, and family—and it’s all about the flavor. Vegans will delight in Chloe’s creations and carnivores won’t miss the meat one bit. First breaking onto the culinary scene as the only vegan chef to capture the top prize on Food Network’s Cupcake Wars, Chef Chloe Coscarelli has since been recognized for bringing vegan cuisine to the mainstream as an award-winning chef, successful entrepreneur, and bestselling cookbook author. She has published three bestselling cookbooks, and in 2015 she opened her first restaurant, by CHLOE., bringing healthy and satisfying vegan and plant-based dishes to the masses. She lives in New York City.
