take care of business nina simone lyrics: Nina Simone David Brun-Lambert, 2009 'I will die at 70 because afterwards there is nothing but pain.' And sure enough Nina Simone was 70 years old when she died in the South of France after a lifetime's quest for serenity, which forever eluded her. Born Eunice Kathleen Waymon in North Carolina at the tail-end of the Great Depression, she was a precocious child with dreams of becoming the first black classical soloist, but was rejected by an elite New York conservatoire – she always believed it was because of the colour of her skin. She

began performing jazz, blues and classical songs in a bar to fund her studies, taking the stage name Nina Simone in 1954 to prevent her mother finding out she was playing 'the devil's music'. In 1958 her rendition of the Gershwin standard 'I Loves You Porgy' became her only US Top 40 hit, and her subsequent debut album *Little Girl Blue* was a success. Her passionate belief in racial equality and civil rights saw her become increasingly radicalised in the 1960s, addressing the issue on record and on stage in songs such as 'Mississippi Goddam' and her version of 'Strange Fruit'. She went into self-imposed exile from America in 1970, settling in Barbados and then France. Nina Simone recorded over 40 albums, wrote some of the best-known popular songs in the canon and gave concerts described as quasi-religious experiences. This is the first biography to tell her whole extraordinary story. David Brun-Lambert is a highly regarded French writer and broadcaster.

take care of business nina simone lyrics: *Princess Noire* Nadine Cohodas, 2012-02-01 Born Eunice Waymon in Tryon, North Carolina, Nina Simone (1933-2003) began her musical life playing classical piano. A child prodigy, she wanted a career on the concert stage, but when the Curtis Institute of Music rejected her, the devastating disappointment compelled her to change direction. She turned to popular music and jazz but never abandoned her classical roots or her intense ambition. By the age of twenty six, Simone had sung at New York City's venerable Town Hall and was on her way. Tapping into newly unearthed material on Simone's family and career, Nadine Cohodas paints a luminous portrait of the singer, highlighting her tumultuous life, her innovative compositions, and the prodigious talent that matched her ambition. With precision and empathy, Cohodas weaves the story of Simone's contentious relationship with audiences and critics, her outspoken support for civil rights, her two marriages and her daughter, and, later, the sense of alienation that drove her to live abroad from 1993 until her death. Alongside these threads runs a more troubling one: Simone's increasing outbursts of rage and pain that signaled mental illness and a lifelong struggle to overcome a deep sense of personal injustice.

take care of business nina simone lyrics: Francine's Spectacular Crash and Burn Renee Swindle, 2025-04-15 Francine Stevenson's chance encounter with a ten-year-old who shows up at her doorstep after her mother's sudden death spirals into an adventure for the ages Francine Stevenson gets more than she bargained for when she rescues ten-year-old Davie from a group of bullies clamoring to snatch his beloved iPad. From that day forward the puzzlingly direct boy continues to show up at her door until the two develop a unique understanding. Their Pixar movie nights and Davie's random Steve Jobs factoids slowly work to soothe the ache of her mother's recent passing. When Francine learns Davie is in foster care, she decides to introduce herself to his foster parents who she can't help but judge for allowing the kid to spend evenings with a literal stranger. To Francine's surprise Davie's foster mother is none other than Jeanette, her fiery high school crush. Their reintroduction forces Francine to face her severely single reality. And hearing her dreaded old nickname brings up long-buried issues she never dreamed of confronting. Tired of being used by the women she meets on dating apps, Francine grows closer to the very-married Jeanette, until all her other priorities begin to cloud over, and Davie is only on the periphery of her mind. After a consecutive string of bad choices, Francine is left wondering how to free herself from an incredibly hot but toxic entanglement, as she works to become the kind of person Davie can depend on. What follows is a tumultuous journey of self-discovery told by one of the zaniest voices in fiction. A tale of found family and hijinks, Francine's Spectacular Crash and Burn will wiggle deep into even the most resistant hearts.
