

take my ged test for me

take my ged test for me is a phrase commonly searched by individuals who are looking for ways to complete their GED without attending traditional schooling or who feel unprepared for the exam. The GED, or General Educational Development test, serves as a high school equivalency credential that can open doors to further education and employment opportunities. Understanding the legitimate processes for taking the GED, preparation strategies, and the importance of ethical testing practices is essential for success. This article explores the options available for test-takers, the structure of the GED test, preparation resources, and the legal and ethical considerations surrounding the exam. By examining these elements, readers will be better equipped to approach their GED journey with confidence and integrity.

- Understanding the GED Test
- Options for Taking the GED Test
- Preparation Strategies for the GED Exam
- Legal and Ethical Considerations
- Common Misconceptions About "Take My GED Test for Me"

Understanding the GED Test

The GED test is designed to measure knowledge and skills equivalent to those of a high school graduate. It consists of four main subject areas: Reasoning Through Language Arts, Mathematical Reasoning, Science, and Social Studies. Each section assesses critical thinking, problem-solving abilities, and comprehension skills necessary for academic and career success. The GED credential is widely recognized by employers and educational institutions across the United States as proof of high school-level academic proficiency.

GED Test Structure and Content

The GED exam is divided into four subject tests, each with specific content areas and time limits. Reasoning Through Language Arts includes reading comprehension and writing skills, Mathematical Reasoning covers quantitative problem-solving, Science examines topics such as life science, physical science, and earth and space science, while Social Studies focuses on history, civics, economics, and geography. Understanding the format and content of each section is crucial for effective preparation.

Eligibility and Registration

Eligibility requirements for the GED vary by state but generally include being at least 16 years old and not currently enrolled in high school. Registration for the GED test is completed online through the official GED Testing Service website, where candidates can schedule their exams at authorized testing centers. Knowing the eligibility criteria and registration process helps ensure a smooth testing experience.

Options for Taking the GED Test

When considering how to take the GED test, individuals have several options available to them, including in-person testing, online proctored exams, and preparation programs. However, the notion of asking someone else to "take my GED test for me" is fraught with legal and ethical issues that will be addressed later in this article.

In-Person Testing Centers

Most test-takers choose to complete the GED at authorized testing centers. These centers provide a secure environment with trained proctors who verify the identity of candidates and monitor the testing process. In-person testing ensures the integrity of the exam and compliance with official regulations.

Online Proctored GED Testing

For increased flexibility, some states and jurisdictions offer online proctored GED testing. This option allows candidates to take the exam remotely while being monitored through webcams and specialized software to prevent cheating. Online testing requires a stable internet connection, a quiet environment, and compliance with technical requirements.

Professional GED Preparation Services

Various organizations and educational institutions offer GED preparation courses and tutoring services. These programs help candidates build the skills needed to pass the exam independently. Utilizing such resources is a legitimate and effective way to prepare for the GED.

Preparation Strategies for the GED Exam

Proper preparation is essential for success on the GED test. Developing a study plan, utilizing practice materials, and focusing on weak subject areas can significantly improve a candidate's performance. Preparation strategies

should emphasize understanding concepts rather than seeking shortcuts.

Creating an Effective Study Plan

Establishing a structured study schedule that covers all four GED subject areas is critical. Candidates should allocate time based on their proficiency levels and set realistic goals to track progress. Consistent study habits contribute to better retention and confidence during the exam.

Utilizing Study Materials and Practice Tests

Access to high-quality study guides, practice questions, and full-length practice tests can familiarize candidates with the exam format and types of questions. Practice tests also help identify knowledge gaps and reduce test anxiety by simulating the testing experience.

Seeking Support and Resources

Many community colleges, adult education centers, and online platforms offer GED prep classes, workshops, and tutoring. Engaging with instructors and peers provides motivation and clarification on difficult subjects. Additionally, free resources are available through libraries and official GED websites.

Legal and Ethical Considerations

The phrase "take my GED test for me" raises significant legal and ethical concerns. The GED exam is a credential that certifies an individual's knowledge and skills, and impersonation or cheating undermines the value of the diploma. Understanding the consequences of dishonest practices is vital for all test-takers.

Consequences of Cheating or Impersonation

Engaging in fraudulent activities such as having someone else take the GED test can lead to severe penalties, including invalidation of test scores, bans from future testing, and legal action. Educational institutions and employers rely on the authenticity of GED credentials, and violations damage reputations and opportunities.

Importance of Academic Integrity

Maintaining academic integrity ensures fairness and credibility in the

testing process. Preparing honestly for the GED reflects personal commitment and builds foundational skills necessary for future endeavors. Ethical behavior contributes to a trustworthy educational system.

Alternatives to Unethical Practices

Instead of seeking shortcuts, individuals struggling with the GED should consider legitimate support options such as tutoring, adult education classes, and study resources. These alternatives promote genuine learning and long-term success.

Common Misconceptions About "Take My GED Test for Me"

Many individuals searching for "take my GED test for me" may be influenced by misunderstandings about the testing process and credential requirements. Addressing these misconceptions can help clarify the realities of obtaining a GED.

Misbelief That Outsourcing the Test Is Acceptable

Some believe that hiring someone else to take the GED test on their behalf is a viable solution. This misconception disregards the strict identity verification processes in place and the legal ramifications of such actions.

Overestimating the Difficulty of the GED

The GED test is designed for adult learners and covers high school-level content. While preparation is necessary, many candidates successfully pass by dedicating time to study and utilizing available resources. Viewing the test as insurmountable can discourage legitimate efforts.

Confusion Between GED and Diploma Alternatives

Some may confuse the GED with other certifications or believe shortcuts exist for obtaining equivalent credentials. Understanding the unique role of the GED and the importance of honest completion helps set realistic expectations for test-takers.

- Understand the official GED testing process and subjects
- Explore authorized testing options, including in-person and online

- Develop a comprehensive study plan using quality resources
- Recognize the legal and ethical implications of cheating
- Dispel myths related to GED testing and credentialing

Frequently Asked Questions

Is it legal to have someone else take my GED test for me?

No, it is illegal and considered cheating to have someone else take your GED test. This can result in severe penalties including invalidation of test scores and banning from future testing.

What are the consequences of cheating on the GED test?

Consequences can include cancellation of your test scores, being banned from retaking the test, legal action, and damage to your academic and professional reputation.

Are there any legitimate ways to get help preparing for the GED test?

Yes, you can use study guides, attend GED preparation classes, use online resources, and work with tutors to improve your skills legally and effectively.

How can I prove my identity when taking the GED test?

You must present a valid, government-issued photo ID such as a driver's license or passport to verify your identity before taking the exam.

Can someone else register for the GED test on my behalf?

While someone can assist with registration, the test-taker must appear in person on test day with valid ID and take the test themselves.

What should I do if I have test anxiety about taking the GED test myself?

Consider practicing relaxation techniques, taking practice tests, seeking support from counselors or tutors, and gradually building your confidence through preparation.

Are there online GED test options where someone else could take the test for me?

No, all official GED tests require strict identity verification and proctoring to ensure the test-taker is the registered individual.

What resources are available for people who struggle with the GED test content?

There are many free and paid resources including adult education centers, online courses, practice tests, and tutoring services designed to help improve your knowledge and skills.

Additional Resources

1. GED Test For Dummies

This comprehensive guide offers clear explanations and practice questions across all GED subjects, including math, science, social studies, and language arts. It's designed to help test-takers understand key concepts and build confidence. The book also provides test-taking strategies and tips to improve scores.

2. The Official GED Practice Test 2024

Published by the GED Testing Service, this book includes official practice tests that mirror the actual exam format. It allows candidates to familiarize themselves with the types of questions they will encounter. Detailed answers and explanations help users identify areas needing improvement.

3. Kaplan GED Test Prep 2024

Kaplan's GED prep book features in-depth content review and hundreds of practice questions. It also includes online resources and video lessons to supplement the book material. The guide helps learners develop effective study plans tailored to their individual needs.

4. McGraw-Hill Education Preparation for the GED Test

This book offers thorough coverage of all GED subjects with easy-to-understand lessons and practice problems. It includes diagnostic tests to assess knowledge levels and targeted practice to address weak points. The explanations are geared toward making complex topics accessible.

5. GED Math Workbook

Focused specifically on the math section, this workbook contains detailed lessons and step-by-step solutions. It addresses fundamental math skills and problem-solving techniques essential for the GED math test. The practice exercises range from basic arithmetic to algebra and geometry.

6. *GED Language Arts, Reading*

This title targets the reading comprehension portion of the GED test with strategies for analyzing passages and answering questions. It includes practice tests and exercises to improve vocabulary and critical reading skills. The book is ideal for those seeking to boost their reading scores.

7. *GED Science Test Tutor*

Designed to help learners master the science section, this guide covers life science, physical science, and earth science topics. It explains scientific concepts clearly and provides practice questions similar to those on the GED exam. The book also includes tips for interpreting graphs and data.

8. *GED Social Studies Test Prep*

This book breaks down the social studies section into manageable topics such as history, civics, and geography. It offers review materials, practice quizzes, and detailed answer explanations. The guide assists students in understanding the content and improving test-taking confidence.

9. *Essential GED Study Guide*

A well-rounded study guide that covers all GED test subjects with concise lessons and practice questions. It emphasizes time management and test strategies to help examinees perform their best on exam day. The guide is suitable for self-study or classroom use.

take my ged test for me: The Walking Testimony Brenaji Marshae Brown, 2018-03-15 Bree Brown, a second-time mother, was told by Dr. Coby Wright that her newborn, Brenaji Marshae Brown, would never walk or be able to use her hands. But God had other plans. Brenaji ended up walking. This was proof that not even doctors know everything. When Brenaji went to school she found out she was different. Why had no one in her family told her she was different? Brenaji would find out about herself from a new girl that she befriended Kimmy Timpson. Her life would be changed forever. Brenaji started getting bullied in school in fourth grade and told no one. It was when she got held back in fourth grade by the principal, Mrs. Zoey Kimble, that things would get worse. But little did Brenaji know, there would be a new teacher, Mrs. Traneice Bowen, who was after destroying her life. Brenaji had more obstacles to face. It was then that God presented two paths for her to walk on. What were the paths God presented to her? Which path would she walk on?

take my ged test for me: Choices Kelly Mitchell, 2019-06-19 Pandora grew up in hardship, child abuse, sexual abuse, rape, drug abuse, and jail. Pandora was taken from her mother when she was ten years old. Her parents were on drugs. The choices she made in her life turned her life upside down. Pandora learned how to amend her oppressed life; she learned how to deal with life in a positive way. This novel is all about empowerment and showing people how they can overcome negative situations without having to continue on a self-destructive path that leads them to nowhere good. It's all about self-discovery and the love of self and the love of life in the desire to live a normal life.

take my ged test for me: Ginny and Me: Christine Walters, 2015-04-30 Ginny and Me: Reflections of What God Can Do is a deep personal story about my troubled relationship with my mother, who lived with a severe mental illness. Ginny, died unexpectedly at Christmas season, and buried later on Mothers Day weekend. My story addresses how God carried me, and several social issues including mental health, child neglect and abuse, domestic violence, loss and grief. Abuse is damaging. It comes from cycles of abusive behaviors learned and repeated through generations. Because of shame and embarrassment, many people do not speak about the cruelty they endured. In my case, most of the abuse I suffered resulted from my mothers mental illness. For my entire life, people told me to excuse my moms abuse because she was mentally ill. However, mental illness does not give anyone the right to abuse you (in particular, your child). Ginny had childhood paranoid schizophrenia with multiple personality disorder. She lived in the Buffalo State Hospital through her adolescent years. When released from the hospital, she had me. She was twenty-six, and my dad was thirty years older. My mother was white, and my father was black. As a child, I struggled with my mixed heritage. My mom would tell me that white people did not like me because I was black. Even from a religious standpoint, I was raised as a Catholic and Baptist. On Sundays, my mom and I attended mass without my father and Baptist service with him. I always felt like I had to choose. Was I black? Was I white? Was I Catholic? Was I Baptist? My mom told me that her side of the family disliked my dad because he was black and my dads side of the family disliked my mom because she was white. Here I was stuck in the middle. I share my life story with the world through Gods glory. My story is about how faith enabled me to overcome extraordinary struggles, pain, and loss. Faith, hope, and forgiving the unforgivable through prayer and trusting in God are the keys to healing.

take my ged test for me: Silence of Pain Cheryl Tolliver, 2012 Entitled Silence Of Pain the manuscript is about an African American girl from Louisiana endures abuse at the hands of her schizophrenic mother, an absent father and the torment it brought into their family lives. At the age of five-years old and born the first of three children in Jonesville, La; this young girl was forced to endure pain, loneliness, loss and self-worth. This young girl's family was poor and had to raise their own cattle and crops in order to make a living. After the murder of a daughter, being drugged and hit in the head with an axe; her mother was diagnosed as a paranoid schizophrenic. At the age of sixteen years old, she entrapped a young man by getting pregnant. After moving out of her grandparents' home, she moved with her baby daddy only to find herself in an abusive relationship. At the age of two years old, her son thigh was mysteriously broken, therefore, she finds herself under an investigation and accused of child abuse. At the age of twenty-years old, she continued to go through the torment of her mother and the effect it had on their family lives. At the age of twenty one, she enrolled in a community college. Upon completion of her college courses and finding a job working in a Nursing Facility, she left her son's dad to live on her own. At the age of twenty four, she had worked at the Nursing Facility for two years; she was charged with a crime that she didn't perpetrate. By the age of twenty eight years old, her mother had recover from her illness, so she moved to Houston, Texas to escape any future episodes of her mother's torments and nightmare of being charged with a crime that she didn't perpetrate. Thinking that she would have a better life living in Texas; she was stalked, drugged, escaped death, and got caught up in an on the job scheme that cost her career which led her to become depressed and wanting to kill herself. Throughout her hard times, she regained her health and strength through prayer, friends, and self-motivation that allowed her to succeed in her daily life. Finally, she established a stronger bond with Christ to find

solutions for both the physical and mental problems that she was facing.

take my ged test for me: He Said, She Said Ken Kaye, Ken Klarfeld, 2005-12 Based on Ken & Jasmyn Klarfeld's experiences from Jasmyn's early childhood to present day, *He Said, She Said: A Father-Daughter Perspective* offers a unique view of this sometimes difficult relationship. Since Klarfeld's daughter exhibited the qualities of an out-of-control teen, it took perseverance and patience to learn how to understand her perspective. *He Said, She Said* offers a distinctive format by recounting events-from childhood to adolescence-from both the father and daughter's point of view. These differing viewpoints effectively tell both sides of the story and give you an inside look at just how drastically different parents and children think. For families who face the same difficulties, *He Said, She Said* illustrates the steps Klarfeld and his daughter took to help turn her life around. Her success story will inspire you to make the necessary changes in your relationship with your children, helping you to better understand your children's behavior on a variety of issues. As a marriage and family therapist I found this book to be a good example of the significance of family dynamics in the raising of teenagers. In today's world it is becoming increasingly more difficult for parents and teens to make the journey through adolescence. I applaud Mr. Klarfeld's willingness to share his family's struggle in such an open and honest way. -Lynne Harr, MA, a California Licensed Marriage and Family Therapist A rare glimpse into the realities of parenting and being parented. Both father and daughter reveal the struggles, joys and separate realities of their relationship with authentic down to the bone honesty. -Dr. Robyn Wallace-Blanchard PhD NCSP Educational Psychologist

take my ged test for me: Taxi Jose Marine Jr., 2020-09-28 This book is about Marco the person who I love with all my heart. I had difficulty choosing a name for this book, but finally decided to title it TAXI. To me, my life experiences of living were like I was being picked up and given rides in a TAXI. Upon arriving at each destination, there was another TAXI waiting to pick me up again. If you are reading this book, I would like for you to travel with me in my TAXI rides so you can experience the hardships and triumphs I encountered at an early age and throughout my life which caused me to be the person I am today.

take my ged test for me: The Tormenting Factor Ima Survivor, 2011-04 This author's biography is an ongoing account of abuse, rape, and torment. It is written with a provocative tool of undercurrents that substantiate how generational curses are formed. The factual scenario of family disgruntling bears witness to the learned behavior that causes extreme anxiety and emotional torment. This story is not about revenge or judgment. It is simply a chronicle to give readers a comparative view of themselves and their families with imminent clarity. Although the original purpose of this book was to share deep secrets with the author's children, the crux of these secrets had already influenced too many circumstances and characteristics of her progeny. Repeated family behavior had developed into curses that were passed from generation to generation. If relationships are your enemy, and you have somehow moved from one abusive relationship to another, you will learn why you continue to enter these same types of relationships. If your body is twisted due to bitterness and unforgiveness, you will learn how attitude promotes pain. If you are haunted by shadows of your past, this book may help you understand and deal with your emotions. No one is exempt from some type of family transference. Emotional effects may go unnoticed by others, although they alter our lives and usually require resolution. There is a heavily populated audience of esoteric families who are crying out everywhere because they have been hurt. If you have experienced abuse, Ima's biography may be difficult to read. Humor and faith are both excellent coping skills to help deal with the dark side. This book contains enough tincture (an admixture of humor) to help cope with emotions as readers experience the heaviness of this story. Laughter is the morphine that will numb your pain until your resolution comes.

take my ged test for me: Rumor Glenna Maynard, Book 2 of the Bestselling Black Rebel Riders' MC Saga Are you ready to ride? Grim made a promise and come hell or high water he'll keep it. Sarah has lived a secluded life of torment and despair. She longs for the day the Grim reaper she has been raised to fear comes to end the hell she has endured. Grim made a vow to Gypsy Red that he'd find her daughter. Keeping that promise is proving harder than he expected. His enemy is

always one step ahead and on the move. Loyalties are tested and lines are crossed when a friend becomes foe. Can Grim keep his promise and his patch? Rumor is book 2 of The Bestselling Black Rebel Riders' MC saga. This is an ongoing series that spans three generations and should be read in order. Suggested series reading order Grim The Beginning Rumor Baby Striker Romeo Heart of A Rebel A Rebel Love A Rebel In The Roses Born Sinner (standalone) Blood of A Rebel The Devil's Rebel Search Terms: MC Romance, Biker Romance, Dark Romance, Action and Adventure, Suspense, Thriller, Mystery, Alpha Male, Dominant Hero, Romantic Thriller, Romantic Suspense, Saga, Interconnected Characters, family saga, crime, dark fantasy, a women's action and adventure, contemporary romance, Motorcycle Club Romance, Motorcycle action and adventure

take my ged test for me: *Take Charge of Your Future* Office of Vocational and Adult Education, 2017-06-07 This Guide is designed for people who are incarcerated and for those on community supervision (probation and parole). It will help you get started--or continue--on the path to further education and training. Earning a high school credential, getting a certificate or license in a career technical field, or earning an associate or bachelor's degree will help you advance in your career, and, ultimately, life. You'll have more to offer employers, and you'll improve your chances of getting and keeping a good job--and earning promotions. You'll increase the amount of money you can earn, gain new skills, and make new contacts.

take my ged test for me: *Making Space* Vanessa Sheared, Peggy A. Sissel, 2001-06-30 Representative of a wide range of adult education and lifelong learning frameworks and experiences, this book gives voice to emerging perspectives and offers thought-provoking critiques of established practices and accepted theories. Those in the adult education academy, as well as other voices often excluded from the discourse in adult education, offer critiques of the social, political, economic, and historical forms of hegemony in the discipline. They analyze the ways in which these hegemonic norms and practices have affected adult learning environments and the participation rates of varying groups and shed light on how adult education as a field of practice can marginalize individuals based on their ethnicity, race, gender, class, language, age, or sexual orientation. These critiques provide a powerful statement about silence, invisibility, and the marginalization of the other, and suggest that adult educators may complicitly, if not implicitly, marginalize adult learners. This book will provide professors and students, adult literacy teachers, corporate trainers, community-based organizers, and others with alternative ways to think about adult education practice, adult learners, and the multiple, intersecting realities that influence the teaching/learning transaction. In so doing, this book provides practitioners and academicians with a forum to dialog about emerging theories and practices, and through the discourse they can begin to merge theories and practices through language that is accessible and inclusive.

take my ged test for me: *The Comfort Zone Illusion* Susan Neustrom, 2015-04-23 What is this place called the comfort zone? Where does the comfort zone exist? Why is stepping outside of the comfort zone so frightening? The Comfort Zone Illusion answers those questions by taking you on a journey of discovery to uncover the mystery of the very personal space we call our comfort zone. It is an exploration through the stages of change, beginning with the very first step outside of the comfort zone to exposing the five walls of fear that create barriers to change. This book looks beyond the illusion of comfort to the stark reality of the discomfort of change, and offers strategies to transform fear to energy, break down the brick walls of fear, develop movement habits, and create success enablers. Every breakthrough exercise provides a reflective understanding of your comfort zone, and although the exercises have a specific purpose, each offers a chance to reveal an a-ha moment. One of those moments is the turning point, the awakening to move you out of being stuck in the comfort of where you are to where you are meant to be. <p> Leaving your comfort zone is frightening, and fear can stifle action, inhibit the ability to attempt a new approach, and can create unnecessary stress, making you less likely to welcome change as an opportunity for discovery, growth, and personal development. The author, Susan Neustrom, shares numerous stories about confusion, uncertainty, anxiety, and success derived from her life-changing experience of facing her fear of educational failure from being a high-school dropout at sixteen by returning to

school at forty-eight to earn a GED and then a doctorate. Susan conveys her thoughts, feelings, and unbelievable discomfort with leaving her comfort zone, as well as many a-ha moments, in her personal transformation of abandoning a twenty-two-year career to follow her vision to do work with greater purpose and meaning. Not only does she offer her personal account, she also shares the stories of people in a variety of situations, and from experts who clearly understand change.

If you are stuck in your comfort zone, ready for change, but walls of I can't stand in your way, this book shows you how leaving your comfort zone is not so hard after all. The Comfort Zone Illusion truly demonstrates that possibilities are endless once you learn how to get out of the discomfort of being in your comfort zone, eliminate fear, and unleash purpose, passion, and potential.

take my ged test for me: Flashback Daniel Fehr, 2009-12 This book was written in prison at one of the lowest times of my life. It is a book of sorrow triumphs and tragedies from the depths of my heart and the recesses of my soul. The majority are in poems that came to mind at that time. The beginning of the story is about the fragment of a man who threw his life away hiding in the confines of his mind under the tragedies of addictions.

take my ged test for me: General Motors: Life Inside the Factory Richard Thomas Gall, 2011-01-04 This book portrays life inside a General Motors factory in the 1970s. Have you ever wondered why or how the lazy hourly workers came to be that way? This myth is debunked throughout the book. Anyone who has ever worked hourly for General Motors, the big three, or any large manufacturing company will enjoy the experiences provided in this book. They will find themselves reminiscing in the past about their own work experiences. Anyone who has had a close relative that worked in a factory will want to read this book to get a feel of what their loved ones went through while earning a living. The book comes to the stunning conclusion that General Motors top executives wasted a tremendous amount of human resources over the years. They looked down upon the factory workers and treated them as if they were disposable employees. They never attempted to tap into the vast and almost incalculable amount of brainpower available because they simply dismissed their classification hourly worker as useless. They treated them as if they were the source of all of their problems. They never even considered that with four hundred thousand hourly employees they might have had the resources right in front of them to help in solving the vast and complex problems that exist in the every day world of work. In today's competitive manufacturing environment Lean Manufacturing has stepped into the forefront for improvement. One of the two pillars of Lean manufacturing is respect for the worker. If you're an executive leader, manager or a student of lean you'll want to read this book to see how not to do it. One theory of management says that if you don't like what you see around you go look in a mirror first because your workforce is a reflection of your thinking and actions.

take my ged test for me: The Silent Dreamer Johnny Martinez-Carroll, 2020-08-26 If you have ever been down and out and felt like you have no purpose, this book is for you! This book will inspire you to dream and dream big! This story is about a quiet boy from the country, his story of shame and redemption growing up in Central Texas on a former cotton plantation with very little in terms of material things. This story will inspire you to never give up on your dreams and goals in life. This story is one about resilience, fighting for what you want, and the importance of having people in your life who believe in you and believing in yourself. Trusting in something bigger than yourself and putting your faith into action, this story is for the person who is at the point of throwing in the towel on their goals. You can start right where you are and climb out of that pit. You can do great things with the right attitude and support of others. This story is about Johnny Martinez-Carroll, high school dropout to college graduate achieving goals in his life that were not even possible as a kid growing up in poverty. This story will inspire you to hang in there and go for your dreams. Make them come true with hard work and believing in yourself no matter what the obstacles are. Use them as stepping stones.

take my ged test for me: Restorative Justice in a Prison Community Cheryl Swanson, 2009-03-16 Americans are frustrated with prisons. They recognize the need for these institutions,

but at the same time, they worry about whether the money used to build and maintain them is well spent. Older prisons are dirty, disgusting, and dangerous, but even newer facilities come up lacking in terms of offering inmates opportunities to take responsibility for their crimes, support their loved ones, further their education, learn job skills, and develop positive relationships in healthy, safe, respectful communities. This book provides insight into the philosophy of restorative justice, which aims to develop ways we can manage our prisons differently to achieve more positive outcomes. Using the case study of an honor dorm in a maximum security prison, the book posits that most of the inmates never learned the basic tools for living life productively and responsibly. They never thought much about their victims or how their actions affected others. They never learned how to get along with others, pick up after themselves, or how to be of service to their fellow man. Swanson uses the writings and reflections of inmates participating in a restorative justice program to demonstrate the challenges and transformative possibilities of this alternative approach to rehabilitation.

take my ged test for me: *I Had Gave Up* Mr. Xavier Tobias Thornton, 2012-02-15 The Main Thing: The relationship between family structure and crime is so strong that controlling for family configuration erases the relationship between race and crime and between poverty and crime. This conclusion shows up time and again in the literature. Fatherlessness in America and most pervasively among young African American Males is devastatingly genocidal to the health and sustainability of the Black Family. *I HAD GAVE UP*, a poignant true story told in his own vernacular unfortunately is the death chant of millions of people of a darker hue across this nation. Xavier Tobias Thornton's depiction of himself as a toddler watching his father loading his truck with his stuff, but mostly taking away with him Xavier's only chance at transcending the tragedy of being born black, male and poor in America. It is my prayer that through this biographical account of a bright, uneasily broken child of God's horrendous ascension toward wholeness, an epiphany of humanity is realized. It is my hope that this book and other literary documentaries will serve as cadence in the march of a time when collectively we faced and conquered a plaque on our nation and reaped the fruits of restored families. *I'D Had Gave Up*- Is about this author who spent almost 11 years of his life behind Bars, by the age of 28 years old he'd existed almost half of his life in prison. It is also about the 65 million fatherless incarcerated males like him and the millions to follow, if we don't find the social antidote to end the social travesty of fatherlessness.

take my ged test for me: *The Call* Donell Morgan (Sr.), 2010-06 In an inspiring story of listening for the voice of God above all else, Pastor Donell Morgan shares his story of hearing *The Call*. From his troubled background on the streets of New Orleans, to his ministries throughout the Southeast United States, Pastor Morgan shows that God has a plan for even the most confused souls, if they are willing to open their hearts and embrace the gifts and glory of God.

take my ged test for me: *Intermission* Phyllis R. Dixon, 2023-07-25 An insightful and dramatic novel of women's friendship, feuds, and fame as a 1990s pop music group, reminiscent of *Destiny's Child*, reunites for a second shot at mega-success and must deal with both the new demands of today's social media and the same old traps of yesterday. Perfect for fans of Terry McMillan and Sheila Williams. Angel. Carmen. Doreen. Jade. Talented Memphis girls who had a brush with pop music fame—guided by Carmen's warm-hearted mother. But when she was elbowed out for a bigger manager, Carmen walked too. The bitter breakup shattered the Diamonds' never-easy "sisterhood"—and cost them the big-time. Now a reunion offers a fresh start, just as mid-life struggles are pushing all four to the brink. Angel hopes to reignite her failing solo career, but her insatiable ego keeps getting in the way. . . . Carmen was the group's peacemaker, but with her son in serious trouble, she's run out of patience. . . . Doreen longs to recapture the highs of performing, minus the drug haze—even as it risks her life as a pastor's wife. . . . And Jade, always the wallflower, is determined to get recognized this time around. As the women contend with the new and overwhelming demands of celebrity, they find that the old traps have stayed the same. Can they ever reach true sisterhood—and help each other become the sparkling gems they were meant to be?

take my ged test for me: The Vine of a Naked Child Mary Elizabeth Moorman, 2009 When a person thinks people do not love them, they do anything. Mary Thompson is one of these persons. Earlier than age three, it is normal for Mary's oldest brother, James, to abuse her. As Mary grows older, the more James breaks her spirit, and grooms her for a life of pain and despair. At age seven, she discovers her identity. At age nine, her father, Guy, who she admires more than anyone else, is gone. Feeling abandoned, rejected, and unloved, a cruel and unfair life hurls Mary on a rebellious path to destruction. Her addictive-compulsive behavior leads her to quit the sixth grade, and then she goes down dead-end streets of sex, drugs, and alcohol. Mary opens up to forbidden lusts, and fatal-attraction relationships. Darkness surrounds her and it follows her everywhere she goes. It hovers over her shoulders. Once, it has claws. Several occasions, by the grace of God and prophetic dreams, she escapes death. She is not the only one who pays the price for her sinful living. Her six children pay an awful price too. Mary's web of anguish, depression, and grief catches them also. Mary did not have a normal childhood. How could she give her children a normal life? To receive the true love, she so desperately needs, Mary has to open her eyes from the darkness that hates her. But, why would she? She loves the darkness. At times, it comforts her.

take my ged test for me: The Female Side of God Charlotte Williams, 2010-03-25 Praise for The Female Side of God Once you begin reading this book, you will not be able to put it down. But let me caution you not to read this book too quickly. You will want to take some time to savor the wisdom and healing that flow from these pages. What you are about to read will challenge you, disturb you, and in some cases, infuriate you. But ultimately, you will be transformed by the power of Gods love and the possibilities it opens for those who put their trust in Him. As you read, you will recognize yourself, your mother, sister, or best friend in this book, and realize that there is a tender healing for you as well. Joyce N. Hill, Editor
