

take my ged exam for me

take my ged exam for me is a phrase often searched by individuals seeking alternative solutions to earning their high school equivalency credential. The GED, or General Educational Development test, is a critical step for many adults aiming to improve their career prospects, pursue higher education, or achieve personal goals. This article explores the implications of requesting someone else to take the GED exam, the ethical considerations, and the legitimate pathways to succeed in the GED testing process. Additionally, it provides comprehensive insights into preparation strategies, official testing procedures, and resources available for test-takers. Understanding these elements is essential for anyone interested in the GED, ensuring a clear perspective on the value of personal effort and integrity in education. The following sections will cover the risks of outsourcing the GED exam, the structure of the test, preparation techniques, and authorized options for taking the exam.

- Understanding the Risks of "Take My GED Exam for Me"
- The Structure and Content of the GED Exam
- Effective GED Preparation Strategies
- Official Testing Procedures and Requirements
- Ethical Considerations and Consequences
- Resources and Support for GED Test Takers

Understanding the Risks of "Take My GED Exam for Me"

The phrase "take my ged exam for me" reflects a desire to delegate the responsibility of completing the GED test to another person. While this may seem like a shortcut, it carries significant risks and legal consequences. The GED exam is a standardized assessment designed to verify an individual's academic skills equivalent to a high school graduate. Attempting to have someone else take the exam undermines the integrity of the credential and violates testing policies.

Testing centers implement strict identity verification measures, including photo identification and biometric checks, to ensure the test-taker is the registered individual. Engaging in fraudulent activities can result in cancellation of test scores, bans from future testing, and even legal action. Furthermore, a GED credential obtained through dishonest means may be invalidated by employers or educational institutions, damaging the individual's reputation and future opportunities.

The Structure and Content of the GED Exam

The GED exam consists of four main subject areas designed to test a broad range of skills. Understanding the structure helps candidates prepare effectively and approach the test with

confidence.

Subjects Covered in the GED Exam

The GED test includes the following subject areas:

- **Reasoning Through Language Arts (RLA):** Focuses on reading comprehension, writing skills, and grammar.
- **Mathematical Reasoning:** Covers basic arithmetic, algebra, geometry, and data analysis.
- **Science:** Tests understanding of life science, physical science, and earth and space science.
- **Social Studies:** Includes history, government, economics, and geography.

Each section requires a minimum passing score, and candidates must pass all four to earn their GED credential.

Format and Testing Time

The GED exam is typically administered on a computer at authorized testing centers. The total testing time is approximately seven and a half hours, divided among the four subject areas. Each section has a set time limit to ensure consistency and fairness. Understanding the format and timing allows test-takers to pace themselves appropriately during the exam.

Effective GED Preparation Strategies

Proper preparation is crucial for success on the GED exam. Rather than seeking shortcuts such as having someone else take the test, candidates should focus on developing the necessary knowledge and skills through structured study.

Study Planning and Resources

A well-organized study plan enhances learning efficiency and confidence. Key steps include:

1. Assessing current knowledge levels to identify strengths and weaknesses.
2. Setting realistic goals and timelines for study sessions.
3. Utilizing official GED study guides and practice tests.
4. Engaging with online courses, tutoring, or adult education classes.
5. Regularly reviewing and practicing test questions under timed conditions.

Test-Taking Techniques

Developing effective test-taking skills can improve performance on exam day. Techniques include:

- Reading questions carefully and managing time efficiently.
- Eliminating obviously incorrect answers to improve guessing odds.
- Using scratch paper for calculations and outlining written responses.
- Staying calm and focused throughout the test.

Official Testing Procedures and Requirements

The GED exam is administered under strict guidelines to ensure fairness and validity. Understanding these procedures is essential for all candidates.

Registration and Identification

Test-takers must register through the official GED website or authorized testing centers. Required identification typically includes a government-issued photo ID such as a driver's license or passport. Some states may have additional requirements, including residency verification or age restrictions.

Testing Environment and Rules

Testing centers enforce rules to maintain security, including prohibiting electronic devices, notes, or unauthorized materials. Candidates must follow instructions and complete the exam within designated time limits. Any suspicious behavior may lead to disqualification.

Ethical Considerations and Consequences

Integrity is a fundamental principle of the GED testing program. Attempting to circumvent the process by having another person take the exam is unethical and illegal.

Impact on Personal and Professional Life

Engaging in exam fraud can have lasting negative effects on an individual's credibility and opportunities. Employers and educational institutions may reject credentials obtained dishonestly, and legal repercussions can include fines or criminal charges.

Promoting Honest Achievement

Achieving a GED credential through personal effort fosters self-confidence and genuine accomplishment. It opens doors to further education and career advancement, providing a solid foundation for lifelong learning.

Resources and Support for GED Test Takers

Many resources are available to support individuals preparing for the GED exam. Accessing these tools can improve readiness and increase the likelihood of success.

Official Study Materials

The GED Testing Service offers official study guides, practice tests, and preparation courses. Utilizing these resources ensures alignment with test content and standards.

Community and Educational Support

Adult education centers, libraries, and community colleges often provide free or low-cost GED preparation classes. Additionally, online forums and study groups can offer encouragement and shared knowledge.

Financial Assistance and Accommodations

Some states and organizations offer financial aid or fee waivers for eligible test-takers. Accommodations are also available for individuals with disabilities, ensuring equal access to the exam.

Frequently Asked Questions

Is it legal to have someone else take my GED exam for me?

No, it is illegal and considered cheating to have someone else take your GED exam. The GED Testing Service requires the test-taker to provide valid identification and complete the exam personally.

What are the consequences if I get caught having someone take my GED exam?

If caught, your exam will be invalidated, you may be banned from retaking the GED for a period of time, and you could face legal repercussions depending on your jurisdiction.

Are there any legitimate ways to get help with the GED exam?

Yes, you can enroll in GED preparation classes, use study guides, online resources, or tutors to help you prepare for the exam legitimately.

How does the GED testing center verify my identity?

GED testing centers require a government-issued photo ID, and they may use biometric data or other verification methods to ensure the person taking the exam is the registered test-taker.

Can someone else register for the GED exam on my behalf?

While someone can help you register, you must be the one to take the exam in person, providing valid identification at the testing center.

What should I do if I'm nervous about taking the GED exam myself?

Consider taking practice tests, attending preparation classes, and using relaxation techniques. Many resources are available to help you feel confident and prepared for the exam.

Additional Resources

1. GED Test Prep Plus 2024

This comprehensive guide offers up-to-date practice questions and detailed answer explanations for all GED subjects. It includes strategies for time management and test-taking tips to boost your confidence. The book also features online resources and practice tests to simulate the actual exam experience.

2. Kaplan GED Test Prep 2024

Kaplan's GED Test Prep provides a thorough review of the four subject areas: Reasoning Through Language Arts, Mathematical Reasoning, Science, and Social Studies. It includes practice tests, skill-building drills, and video lessons. The book is designed to help learners identify their strengths and weaknesses and improve accordingly.

3. McGraw-Hill Education Preparation for the GED Test

This book offers a solid foundation in GED test content with clear explanations and practice exercises. It includes full-length practice exams and online resources, helping students to assess their readiness. The guide emphasizes critical thinking and problem-solving skills essential for the GED.

4. Princeton Review GED Test Prep

The Princeton Review's GED prep book delivers comprehensive content review and practical strategies. It features diagnostic tests to target focus areas and extensive practice questions. Additionally, the book provides tips for managing test anxiety and pacing during the exam.

5. GED Official Practice Test 2023

Published by the GED Testing Service, this official practice test book offers authentic practice

questions that mirror the actual GED exam. It is an essential resource for understanding the format and question types you will encounter. The book includes detailed scoring guides and explanations for answers.

6. *GED Test Study Guide 2024*

This study guide covers all four GED subjects with easy-to-understand lessons and practice problems. It is suitable for both first-time test takers and those retaking the exam. The guide also includes tips for improving reading comprehension and math skills.

7. *GED Math Workbook 2024*

Focused exclusively on the math portion of the GED, this workbook provides targeted practice in algebra, geometry, data analysis, and basic math skills. It contains step-by-step solutions and strategies to solve common GED math problems. The book is ideal for learners needing extra help in math.

8. *GED Science Test Prep*

This book offers a detailed review of science topics covered on the GED, including life science, physical science, and earth and space science. It includes practice questions and explanations to help build scientific literacy. The guide emphasizes interpreting graphs, experiments, and scientific reasoning.

9. *GED Language Arts Reading and Writing Guide*

Designed to improve skills in reading comprehension and essay writing, this guide provides practice passages and writing prompts aligned with the GED test. It includes grammar, vocabulary, and critical reading strategies. The book helps students develop the skills needed to succeed in the language arts section.

take my ged exam for me: A Breed Apart Victor Woods, 2007-11-01 In this “energetic” (Publishers Weekly) memoir, Victor Woods vividly recounts a trouble-filled and misunderstood coming-of-age in the suburbs of Chicago, the rollercoaster ride that led him to captain a multi-million dollar counterfeit scheme, and his life-changing stint in federal prison. In 1990, Victor Woods was charged by the US federal government with organizing a credit card scam worth more than forty million dollars. He refused to implicate his family and friends for a reduced sentence. His lawyer at the time remarked that he was “a breed apart.” In his authentic, matter-of-fact style, Woods shares the details of his evolution from a rebellious teen to a white-collar criminal and what inspired him to turn his life around while locked away as a federal inmate. Woods’s misdeeds and missteps remind us that sometimes we can be our own worst enemy. His remarkable turnaround shows us that no matter our past we can always make good on a second chance.

take my ged exam for me: From Bridesmaid to Bride Damari Pedroza, 2023-11-20 This memoir is about the journey of a single mother, raising three children and holding on to the hope

that her faith in God would see her through challenging and difficult times.

take my ged exam for me: An Original One Among Us Kenny Kowal, 2022-08-01 An Original One Among Us is a science fiction drama version of the authors first fifty years of life. Told from the perspective of an ancient being known only as The Original One, who is older than God himself, An Original One Among Us is a unique blend of fiction and nonaEURfiction twined together to tell the whole story. As a survivor of multiple nearaEURdeath experiences, and having seen more than one afterlife, he is passionate about sharing his life story with the rest of the world. For Kenny Kowal so loved the world, he wrote this book.

take my ged exam for me: Inter/Cultural Communication Anastacia Kurylo, 2012-07-23 Today, students are more familiar with other cultures than ever before because of the media, Internet, local diversity, and their own travels abroad. Using a social constructionist framework, Inter/Cultural Communication provides today's students with a rich understanding of how culture and communication affect and effect each other. Weaving multiple approaches together to provide a comprehensive understanding of and appreciation for the diversity of cultural and intercultural communication, this text helps students become more aware of their own identities and how powerful their identities can be in facilitating change—both in their own lives and in the lives of others.

take my ged exam for me: Ohio's Drug War United States. Congress. Senate. Committee on Governmental Affairs, 1990

take my ged exam for me: Math Made a Bit Easier Workbook Larry Zafran, 2009-12-11 This is the second book in the Math Made a Bit Easier series by independent math tutor Larry Zafran. It is a workbook of practice exercises, self-tests, and review notes to be used in conjunction with the first book in the series, subtitled Basic Math Explained in Plain English. The math content in this book is directly aligned with the first book. It covers the topics which comprise the foundation of math. It begins with practice in basic arithmetic, followed by basic operations, negative numbers, fractions, decimals, percents, and basic probability and statistics. If these topics are not completely mastered, later work will prove to be quite difficult. This is especially true of algebra. An extensive introduction describes how to obtain the greatest benefit from the book. The book also outlines practical techniques for attaining the optimal mindset for studying math and improving scores on exams. An answer key for all exercises and self-tests is included.

take my ged exam for me: The New Immigrants and American Schools Marcelo M. Suárez-Orozco, Carola Suárez-Orozco, Desirée Qin-Hilliard, 2022-01-26 This six-volume set focuses on Latin American, Caribbean, and Asian immigration, which accounts for nearly 80 percent of all new immigration to the United States. The volumes contain the essential scholarship of the last decade and present key contributions reflecting the major theoretical, empirical, and policy debates about the new immigration. The material addresses vital issues of race, gender, and socioeconomic status as they intersect with the contemporary immigration experience. Organized by theme, each volume stands as an independent contribution to immigration studies, with seminal journal articles and book chapters from hard-to-find sources, comprising the most important literature on the subject. The individual volumes include a brief preface presenting the major themes that emerge in the materials, and a bibliography of further recommended readings. In its coverage of the most influential scholarship on the social, economic, educational, and civil rights issues revolving around new immigration, this collection provides an invaluable resource for students and researchers in a wide range of fields, including contemporary American history, public policy, education, sociology, political science, demographics, immigration law, ESL, linguistics, and more.

take my ged exam for me: Boyfriends, Friends, Lovers, Letters, and Others Mary Hyde,

2024-10-25 BFLLO is not a book about wildlife. A wild life, perhaps. It is the intent of the author to show the pursuits of many boys and men in their attempts to achieve a goal. All the stories are true encounters experienced by the author since her early childhood and adult years. They still continue to this day. About the Author Mary Hyde has lived a life full of encounters with boys and men searching for something. Her life has had interesting employments and places that provided information for the telling in this book.

take my ged exam for me: Anchors in My Sea Lisa Stamps, 2025-06-17 What readers say about *Anchors in My Sea* ... "A well-written story woven with love, heartbreak, and triumph." "A must read for people who call the rural South home or city folks who love wide open spaces." "Proof that hope heals." "This memoir is full of heart!" "A real-life example that determination can overcome obstacles and make big dreams come true." "An inspirational book of how faith can carry you through grief." This is a story about a sheltered young girl who grew up with loss, hard work, and a hero for a mother. It's a love story that describes how she found her soulmate early while still a tender innocent. It's a story of growth from a lowly place despite countless struggles to reach lofty goals through grace and endurance. With equal parts humor and compassion, the author relates how she waded life's waters to survive and succeed. It speaks of how she lived her dream of having a happy family, how she went from a high school dropout at age fifteen to college at thirty to become a teacher. It's a story about how she earned a Ph.D. with support from her family, how she lost her husband to suicide, how she joined the ranks of only a few women who sat in the top seat as an Alabama school superintendent. *Anchors in My Sea* is most of all a story of resilience and hope.

take my ged exam for me: Access, Opportunity, and Success Martha E. Casazza, Laura L. S. Bauer, 2006-01-30 Behind the hallowed walls of higher education are students who did not grow up expecting to attend college, students who walked through open doors not knowing what to expect on the other side. For some, these open doors became revolving doors, and they simply gave up. For many others, however, there were unexpected successes, successes that included more than academic accomplishments. These people came through the system with an increased sense of self-confidence that empowered them in the world beyond college. This oral history tells the story of the struggles as well as of the triumphs related to the fight for access and high quality in higher education. Thus, it provides a unique look at the past state of higher education, and at the measures that might be taken to improve our future educational system. The book begins with a brief historical overview of what access to higher education looked like before the 20th century. Following chapters tell the actual stories and are organized around four themes: the power of belief in students; access with success; institutional commitment; and effective support systems. Finally, a set of recommendations is provided that will help to keep the doors open for those still wishing to enter. Educators at all levels, graduate students studying higher education, and interested readers in the general public will all find this book an invaluable resource.

take my ged exam for me: Disrupting the School-to-Prison Pipeline Sofia Bahena, North Cooc, Rachel Currie-Rubin, Paul Kuttner, Monica Ng, 2012-12-01 A trenchant and wide-ranging look at this alarming national trend, *Disrupting the School-to-Prison Pipeline* is unsparing in its account of the problem while pointing in the direction of meaningful and much-needed reforms. The "school-to-prison pipeline" has received much attention in the education world over the past few years. A fast-growing and disturbing development, it describes a range of circumstances whereby "children are funneled out of public schools and into the juvenile and criminal justice systems." Scholars, educators, parents, students, and organizers across the country have pointed to this shocking trend, insisting that it be identified and understood—and that it be addressed as an urgent matter by the larger community. This new volume from the Harvard Educational Review features essays from scholars, educators, students, and community activists who are working to disrupt, reverse, and redirect the pipeline. Alongside these authors are contributions from the people most affected: youth and adults who have been incarcerated, or whose lives have been shaped by the school-to-prison pipeline. Through stories, essays, and poems, these individuals add to the book's comprehensive portrait of how our education and justice systems function—and how they fail to

serve the interests of many young people.

take my ged exam for me: *The Champion Mindset* Răzvan Petrea, 2022-05-22 “We don’t come into this world with a GPS!” In his work as a life coach, motivational speaker, and personal trainer with Proactive Fitness Solutions, the company he founded in 2012, Răzvan “Raz” Petrea has heard lots of people say that. They struggle or drift through life with no sense of purpose and direction and wish they had a guide. *The Champion Mindset: How I Went from Homeless to CEO* offers that sense of purpose and direction. It empowers you and shows you how to live your best life and make the most out of your journey. Raz came to the United States from Romania with \$100 he’d borrowed from his dad...and that was about all he had. But by turning the fire in his belly into a strategy for success, he evolved, reached his potential, and lives a happy and meaningful life. *The Champion Mindset* shares his tips and insights, many of which can be found nowhere else—and all of which can help you do what Raz did: develop a Champion Mindset!

take my ged exam for me: *The Sister Souljah Collection #1* Sister Souljah, 2013-02-26 In Volume I of this special collectors’ edition, visit the first three unforgettable novels by New York Times bestselling author Sister Souljah: *The Coldest Winter Ever*, *Midnight: A Gangster Love Story*, and *Midnight and the Meaning of Love*. *THE COLDEST WINTER EVER* In *The Coldest Winter Ever*, internationally known author, activist, and hip-hop artist Sister Souljah brought the streets of New York to life in a powerful and unforgettable first novel. Beautifully written, raw, and authentic, this novel firmly established Sister Souljah as the mother of all contemporary urban literature and the author of the first classic of the genre. *MIDNIGHT: A GANGSTER LOVE STORY* Sister Souljah, the hip-hop generation's number one author and most compelling storyteller, delivers a powerful story about love and loyalty, strength and family. In her bestselling novel *The Coldest Winter Ever*, Sister Souljah introduced the world to *Midnight*, a brave but humble lieutenant to a prominent underworld businessman. Now, in a highly anticipated follow-up to her million-selling masterpiece, she brings readers into the life and dangerously close to the heart of this silent, fearless young man. *MIDNIGHT AND THE MEANING OF LOVE* Sister Souljah, the New York Times bestselling author of *The Coldest Winter Ever* and *Midnight*, delivers her most compelling and enlightening story yet. With *Midnight and The Meaning of Love*, Souljah brings to her millions of fans an adventure about young, deep love, the ways in which people across the world express their love, and the lengths that they will go to have it.

take my ged exam for me: *The Lost Boys of Sudan* Mark Bixler, 2013-05-01 In 2000 the United States began accepting 3,800 refugees from one of Africa’s longest civil wars. They were just some of the thousands of young men, known as “Lost Boys,” who had been orphaned or otherwise separated from their families in the chaos of a brutal conflict that has ravaged Sudan since 1983. *The Lost Boys of Sudan* focuses on four of these refugees. Theirs, however, is a typical story, one that repeated itself wherever the Lost Boys could be found across America. Jacob Magot, Peter Anyang, Daniel Khoch, and Marko Ayii were among 150 or so Lost Boys who were resettled in Atlanta. Like most of their fellow refugees, they had never before turned on a light switch, used a kitchen appliance, or ridden in a car or subway train—much less held a job or balanced a checkbook. We relive their early excitement and disorientation, their growing despondency over fruitless job searches, adjustments they faced upon finally entering the workforce, their experiences of post-9/11

xenophobia, and their undying dreams of acquiring an education. As we immerse ourselves in the Lost Boys' daily lives, we also get to know the social services professionals and volunteers, celebrities, community leaders, and others who guided them—with occasional detours—toward self-sufficiency. Along the way author Mark Bixler looks closely at the ins and outs of U.S. refugee policy, the politics of international aid, the history of Sudan, and the radical Islamist underpinnings of its government. America is home to more foreign-born residents than ever before; the Lost Boys have repaid that gift in full through their example of unflagging resolve, hope, and faith.

take my ged exam for me: DAMN: An Emotional and Physical Journey Through the Corridors of the Justice System Wallace Sharik Winstead, 2024-05-24 DAMN: Emotional and Physical Journey Through the Corridors of the Justice System uncovers the hidden and taboo stories of gay relationships within the prison system. Venturing into a world often associated with violence and isolation, this book offers an intimate glimpse into the lives of individuals seeking love, intimacy, and self-authentication under the harshest of conditions. Drawing on firsthand accounts, research, and personal experiences, the author delves into the labyrinth of emotions, charting both the struggles and the triumphs that defy the barriers of incarceration. This compelling narrative serves not just as a testament to human resilience and the transformative power of love, but also as a call to action. Addressing the systemic issues that exacerbate the hardships faced by LGBTQ+ individuals behind bars, it challenges us to confront our biases and advocate for a more inclusive and empathetic prison system. A catalyst for meaningful conversations and reforms, this book reminds us of the inherent worth of every human being, urging us toward a more equitable and compassionate society.

take my ged exam for me: Before J. Kilburn, 2022-02-20 Think you know the kids next door? Think again! BEFORE both celebrates and indicts the sweet and sordid in small-town, everyday life. This Crime Fiction and Coming-of-Age mashup by J. Kilburn will leave you howling... while the questions and answers posed by this novel will have you re-examining the sunny streets and wildflower-filled lanes of your own neighborhood. In the novel BEFORE, writer J. Kilburn brings readers a light-hearted and whimsical coming of age story that follows the adventures and misadventures of Just Regular Kids as they grow up in a pastoral and peaceful New England college town. Buckle your seatbelts - all may not be as it seems. Events in a far-away criminal underworld lurk in the background as these teenagers take their first steps into adulthood. Adventurous readers will discover that two Sweet Sixteens have a lot more in common with hardened criminals than you - or they - might realize.... Surprises are in store for everyone! Midwest Book Review calls BEFORE by J. Kilburn "A deftly crafted blending of Crime Fiction and Coming-of-Age.... recommended...." InD'tale Magazine says: "Mr. Kilburn is a master at writing character development!" Independent Book Review says: "The tension is thick.... And the characters are exceptionally well written." Readers' Favorite calls Kilburn's characters "...mischievous, everyday kids who turn out to be anything but.... Kilburn breathes life into them with some hilariously awkward scenes...." BEFORE, a Novel by J. Kilburn takes your average teenagers, gives them family and community, and then plausibly and seamlessly drops them into international intrigue in a small college town. These teenagers go about their sweet and sordid adventures blissfully unaware of their role in larger and more complicated regional events. BEFORE, a Novel is a Coming-of-Age story, but it's also a story about international Organized Crime and the role that small-town folks, your neighbors, your loved ones, and even the Honors Student next door might play in that dark and dangerous world. WHAT REVIEWERS ARE SAYING ABOUT BEFORE by J. Kilburn: ...especially and unreservedly recommended for community library General Fiction collections. - Julie Summers in Reviewer's Bookwatch by MIDWEST BOOK REVIEW, May 2022 "...the dialogue is... probably among the top one percent in its sarcasm and authenticity. - Jamie Michele for READERS FAVORITE, January 2022 - 5 stars! Kilburn weaves this teenage story with threads of secrets.... With a slow but tantalizing pace, this coming-of-age story is going to be tough to put down for fans of character-driven fiction. - Manik Chaturmutha for INDEPENDENT BOOK REVIEW, April 2022 "...each and every one of the characters he creates in this story are well thought out...." - Jennifer Shepherd for IND'TALE MAGAZINE, April 2022 - 3 stars!

take my ged exam for me: *Destiny by Design* Fred H. Small, 2010-10 This book, *Destiny by Design*, begins with the portrait of a world as seen by a curious three year old African American boy. This boy was born at a very difficult time in history, grew up in a toxic world of challenging variables. Yet he clung tenaciously to the belief that life's episodes can be meaningful when clearly interpreted for the inquisitive mind. King David wrote: I have been young, and now am old; yet have I not seen the righteous forsaken, nor his seed begging bread Psalms 37:25 KJV. The author presents living proof that principles, practices, promises and plans, as exercised herein, will work miraculously for you as it has for him. Your destiny is by design. I urge you, Cooperate with the designer. Contrary to some belief systems, no one was predestined to be a failure. Success is: The progressive realization of personal, pre-determined, worthwhile goals. Once a noble goal has been set, any progress toward that goal is measurable success. Our creator declares: I know the thoughts I think toward you, saith the Lord, thoughts of peace and not evil, to give you an expected end. Jer. 29:11 Before I formed you in the belly I knew you Jer. 1:5a. But my God shall supply all your need according to His riches in glory by Christ Jesus. Phil 4:19 KJV. We are not cosmic errors. We are gifted, anointed, commissioned, and Sent to earth to carry out a divine plan. Your Destiny is by Design. *Destiny by Design* does clearly illustrate how purpose is found and how plans for our mission and ministry on earth are joyously carried out. You can't lose with the stuff God use.
