A word used and abused in football, but for those who fought for their country in Britain's armed forces during the brutal conflicts of the twentieth century, there can be no better description. And over the years, Rangers Football Club has produced its share of true heroes. The club's traditional motto, 'Aye Ready', has applied on the pitch for well over a century, but for a generation of Ibrox stars,

those words were carried onto the battlefields on foreign shores as they fought for their country. Some emerged to once again to pull on their football boots, others were less fortunate and paid the ultimate price for their loyalty to the cause. All will forever be remembered as Rangers heroes. Aye Ready profiles the stories of a selection of the club's war veterans - their life and times in football, along with the battles they fought, in a lasting tribute to a band of men who represented Rangers with distinction.

Health educates students about the many complementary and alternative medicine (CAM) modalities that are available, in addition to the more traditional methods that exist. Early chapters provide an overview of both traditional and alternative medicine, scientific method and steps in scientific research, and look at the cost of health care in the U.S. Later chapters introduce students to integrative medicine and provide a thorough overview of CAM practices employed today. Topics that are covered include acupuncture, meditation, herbals and aromatherapy. By reading this text, students will become astute at distinguishing among those traditional and CAM health practices that are helpful, those that have been scientifically tested, and those that may offer no benefit. Case studies throughout the text give students an opportunity to apply material and ideas to real life situations.
