taylor swift speech at grammys: *Get to the Point!* Joel Schwartzberg, 2017-10-16 In this indispensable guide for anyone who must communicate in speech or writing, Schwartzberg shows that most of us fail to convince because we don't have a point—a concrete contention that we can argue, defend, illustrate, and prove. He lays out, step-by-step, how to develop one. In Joel's Schwartzberg's ten-plus years as a strategic communications trainer, the biggest obstacle he's come across—one that connects directly to nervousness, stammering, rambling, and epic fail—is that most speakers and writers don't have a point. They typically have just a title, a theme, a topic, an idea, an assertion, a catchphrase, or even something much less. A point is something more. It's a contention you can propose, argue, defend, illustrate, and prove. A point offers a position of potential value. Global warming is real is not a point. Scientific evidence shows that global warming is a real, human-generated problem that will have a devastating environmental and financial impact is a point. When we have a point, our influence snaps into place. We communicate belief, conviction, and urgency. This book shows you how to identify your point, leverage it, stick to it, and sell it and how to train others to identify and successfully make their own points.

taylor swift speech at grammys: *Proiectul Conflictul Famous* CASIAN ANTON, 2024-01-12 În istoria naturii umane, există două conflicte: cele cu un sfârșit fericit, sau cu un sfârșit tragic. Conflictul Famous, în general, pare că are un final fericit și un câștigător: Taylor Swift. Din punctul meu de vedere, Conflictul Famous s-a terminat în Iulie 2016. În iunie 2017, în ciuda existenței unui pachet de informații limitat de către jucătorii principali (Taylor Swift, Kim Kardashian și Kanye West), am fost convins că Taylor Swift este victima (pentru a doua oară) a lui Kanye West. În 2023, după ce am actualizat întreaga cercetare despre conflictul Famous, concluziile nu s-au schimbat. Ediția de față am creat-o pentru a cuprinde tot ce am scris despre conflictul Famous. Este o ediție pentru persoanele interesate să citească toată povestea Famous de la A la Z. În schimb, celelalte ediții independente, sunt mai degrabă pentru persoanele care sunt fie interesate doar de misiunea pentru eliminarea discriminării din industria muzicală din SUA, sau fie doar de conflictul dintre Kanye West și Taylor Swift din septembrie 2009 până în Martie 2020. Raportul are două părți: Partea 1. Muzică în Alb și Negru: O Călătorie în Spatele Notelor Muzicale; Partea 2. Despre Conflictul Famous. Lectură plăcută!

taylor swift speech at grammys: *Katy Perry* Jo Berry, 2011-03-31 Lifting the lid on the chart-topping, girl-kissing, trend-setting princess of pop In 2006, Katy Perry was on the brink of packing it all in and giving up - Hollywood had almost got the better of her. Two hit albums later and she practically owns the place. The gorgeous singer, best known for her flirty hit 'I Kissed a Girl', likes to flaunt her feminine side with inch-long eyelashes, maraschino-cherry lips, and playful retro outfits like polka-dotted hot pants and tube dresses, but Katy's path to fame was far bumpier than her glamtastic image lets on. Raised in Santa Barbara, California, she started her musical career in

the church, her parents were both born-again Christian pastors. Her first album, released in 2001, was Christian gospel and the rules for her early years were 'no pop, no snacks, no boys'. At 16 she dropped out of high school and made the move to L.A., and her life was forever changed. It took more than eight years of false starts, winning and losing three record contracts, before she scored the million-selling album *One of the Boys*. But once 'Ur So Gay' was declared by Madonna as her song of the year, 'I Kissed a Girl' ignited all that controversy, and Katy met her husband-to-be Russell Brand and so became one half of one of the most exciting and endearing Hollywood couples, Katy Perry was propelled to the top of the Hollywood A list. Jo Berry's insightful and honest biography reveals the incredible story of the life and loves of the artist and performer Katy Perry.
