**why the hell are you here teacher ova: Walk Wit' Me...** Helena Martin, 2011-12-16 My memoir is laced with nostalgia and at the same time it is my sincere intention to portray the true essence of the Guyanese culture without offence. Keep in mind that this is not based on the experience of every Guyanese. This was the way I saw and experienced things back then. The use of colloquialism is of utmost importance; it is the vernacular we understand. It may sound like another language so unless you were born and bred in Guyana you will need to refer to the glossary provided. Folklore and mothers preaching life lessons through proverbs played a large part in Guyanese life. This is not only an account of the first twenty-one years of my life in Guyana; it also contains anecdotes of visits back to my homeland. You will also find a sprinkling of information

pertaining to my new life in Australia. Before immigrating to Australia I believed the sun only rose and set in Guyana; I never imagined another paradise existed on the planet. There is a saying that most Guyanese use to identify their roots after they have voluntarily immigrated or simply fled to another country. When we say, My navel string is buried in Guyana, we simply mean: My roots are there. Its a place where true and enduring friendships were formed forever. We will meet one another decades later and feel as if it was yesterday, reminiscing about our beloved land; lapsing into the language only a fellow Guyanese can understand. A famous Australian crooner said I still call Australia home, and I can assure you that saying applies to Guyanese who have immigrated to every corner of the globe. Navigating the labyrinth of family secrets was my one mission in life; I just had to know.

Don't worry, the 'e' in english has been left lowercase for a reason. 8AM to 4PM. Monday through Friday. Summers off. That was the plan. Thing is, those are really just naïve assumptions. **why the hell are you here teacher ova: A Passin' On** Jayme Alan Toomey, 2012-04-16 Author Jayme Alan Toomey Releases Another Disturbing Novel New harrowing tale that obscures faith and reason grips horror fiction aficionados VENTURA, Calif. Jayme Alan Toomey, author of the grand slam horror fiction stories Paging Dr. Kevorkian, Breakin Heads, and Written in Stupid, publishes another novel that will keep horror fiction fans at the edge of their seats. A Passin On is a blood-curling tale that obscures the borderline that delineates faith and delusion, reason and insanity, based on the queer life of a family headed by a self-proclaimed man of God. Father Joseph Rueben Levi commands a powerful and wise appearance. He is a tall, trim, middle-aged, self-proclaimed preacher who claims to have God-given and rightful authority. Dressed in black with a shepherds staff, he looks like a god. Christian and his younger brother, Chester, lost their family at a young age. Father Joseph adopted both boys as his own sons immediately after they were left orphaned. He wastes no time instructing them with the ways of God and reads the bible to them regularly, feeling it is his prioritized obligation. Christian remembers nothing about his real family except for one thing: they were brutally murdered right before his eyes by no other than Father Joseph himself. Told in a very gripping narrative, A Passin On will lead readers to a chain of violence, gore, disturbing preaching and shocking revelations. Readers will realize that sometimes, in the name of God and heaven, the thin line that divides morality and immorality can be blurred or erased altogether.
