will ferrell kevin hart interview: Caspar Lee Caspar Lee, 2016-05-31 A hilarious biography from YouTube sensation Caspar Lee (and his mom)! This is a book about me. Unfortunately, I didn't write it--my mom did. WTF! Let me tell you now that 98% of it is total lies. Actually, I'm pretty sure this book is illegal. So if you've bought it, you've basically supported a criminal. How does that feel? I think she's getting me back for my first day in this world when I may have tried to kill her. She won't not be able to mention that. You might also find out about my first day at school, why my head is so massive, how I've always been a hit with the ladies and other things like that. You know, important stuff. Anyway, I found the book at the printer and you'll see I've corrected some of her most outrageous lies. So, you know, enjoy. Just remember only the bits that make me look good are true . . .

will ferrell kevin hart interview: To be Real Lanita Jacobs-Huey, 2023 To Be Real: Truth and Racial Authenticity in African American Standup Comedy examines Black standup comedy over the past decade as a stage for understanding why notions of racial authenticity--in essence, appeals to realness and real Blackness--emerge as a cultural imperative in African American culture. Ethnographic observations and interviews with Black comedians ground this telling, providing a narrative arc of key historical moments in the new millennium. Readers will understand how and why African American comics invoke realness to qualify nationalist 9/11 discourses and grapple with the racial entailments of the war, overcome a sense of racial despair in the wake of Hurricane Katrina, critique Michael Richards' [Kramer's] notorious rant at The Laugh Factory and subsequent attempts to censor their use of the n-word, and reconcile the politics of a real in their own and other Black folks' everyday lives. Additionally, readers will hear through audience murmurs, hisses, and boos how beliefs about racial authenticity are intensely class-wrought and fraught. Moreover, they will appreciate how context remains ever critical to when and why African American comics and audiences lobby for and/or lampoon jokes that differentiate the real from the fake or Black folks from so-called niggahs. Context and racial vulnerability are critical to understanding how and why allusions to racial authenticity persist in the African American comedic and cultural imagination.

will ferrell kevin hart interview: Videohound's Golden Movie Retriever Jim Craddock, 2006 Describes and rates more than twenty thousand videos, and provides indexes by theme, awards, actors, actresses, and directors.

will ferrell kevin hart interview: *Christian Slater - Back from the Edge* Nigel Goodall, 2015-08-26 Christian Slater is a screen icon in his own time and one of the world's most admired actors. This long awaited biography traces the life and career of a fascinating Hollywood player...From the late eighties onwards, Christian Slater was the embodiment of teenage cool. Films such as *The Name of the Rose*, *Young Guns II* and *Pump Up the Volume* became instant cult classics and ensured his status as both a teenage heartthrob and as the elite actor of his generation. His position as an A-list star was hardly diminished during the nineties, with brilliant performances in *Robin Hood: Prince of Thieves*, *True Romance*, *Broken Arrow* and *Very Bad Things* establishing him as a formidable force in acting. But fame and success did not always sit easily with Christian, and from his off-screen behaviour resulted a 'bad boy' reputation that has stuck with him ever since. Alcohol and drug excesses have led to numerous incidents with the law, assault charges, even a stint in jail - but through all this, Christian managed to retain a highly successful career. These personal demons, as well as Christian's intense and turbulent love affairs with the likes of Winona Ryder, Christina Applegate and Patricia Arquette, have merely added to the romance of this highly elusive and attractive individual. Yet for the man himself, the crazy lifestyle started to take its toll, and in more recent years Christian started to come to terms with the personality flaws that have plagued him throughout his family life and career. In addition to his film career, Christian's impeccable performances in a recent stage play version of *One Flew Over The Cuckoo's Nest* won him the Theatregoers Choice Award for Best Actor, and with his role in Broadway's *The Glass Menagerie* and the West End production of *Sweet Bird of Youth*, his return to theatrical mainstream is in full bloom. From this incisive biography, which includes a complete filmography, emerges a complex and sometimes contradictory character, a man who has dealt with fame, love, loss and success in his own, uncompromising and inspired way. The films, the flings, the affairs, the media gossip - all are dealt with truthfully in a book as fascinating and candid as the man himself.
